Overall CRA Rating

Institution's CRA Rating: This institution is rated **Satisfactory**.

The following table indicates the performance level of Axos Bank (Axos or bank) with respect to the Lending, Investment, and Service Tests:

Performance Levels	Axos Bank Performance Tests		
	Lending Test*	**Investment Test**	**Service Test**
Outstanding			
High Satisfactory		X	
Low Satisfactory	X		X
Needs to Improve			
Substantial Noncompliance			

*The Lending Test is weighted more heavily than the Investment and Service Tests when arriving at an overall rating.

The major factors that support this rating include:

- The Lending Test rating is based on adequate performance within the states of California and Nevada. Community Development (CD) lending had a positive impact on the Lending Test in the state of California.

- The Investment Test rating is based on adequate performance in the state of California and excellent performance in the state of Nevada. Although the bank's performance in the state of California declined compared to the previous evaluation, the total bank-wide investment, as a percentage of the bank's tier 1 capital, increased slightly, rising to 5.6 percent from 5.3 percent in the prior evaluation period. This increase was positively considered for the overall Investment Test conclusion.

- The Service Test rating is based on adequate service delivery systems that were reasonably accessible to geographies and individuals of varying income levels in the states of California and Nevada. Axos provides banking services through various alternative delivery systems. The bank had a relatively high level of CD services in the state of California and an adequate level of CD services in the state of Nevada.

Other Factors Considered in our Analysis under Performance Tests

Nationwide Qualified Investments

The bank had five nationwide investments outstanding from prior periods, all of which were mortgage-backed securities (MBS) totaling $5 million. These securities are backed by CRA-eligible residential mortgages for low- and moderate-income (LMI) borrowers in Columbus,

Ohio, and Fort Lauderdale, Florida.

Retail Banking Services

The OCC considered Axos's technology-based business and product delivery strategy when determining the Service Test rating. The bank offers products directly to customers nationally via remote technologies. The bank does not have traditional retail bank branches, with the majority of customer bank deposit and loan activity occurring over the internet, mobile applications, and telephone. The bank provides banking services by allowing remote access to available technologies, such as mobile and internet banking. The bank also offers customer access to select nationwide automated teller machine (ATM) networks, allowing them to make both cash and check deposits.

Lending in Assessment Area

A small percentage of the bank's loans were in its assessment areas (AA).

The bank originated and purchased 9.8 percent of its total loans inside the bank's AAs during the evaluation period. This analysis is performed at the bank, rather than the AA, level. This percentage does not include extensions of credit by affiliates that may be considered under the other performance criteria.

The lower level of lending within the AAs is consistent with the bank's nationwide lending strategy. Home mortgage loans are the bank's primary product based on volume of loans by number. Conclusions are factored into the overall analysis of the geographic distribution of lending by income level. Lending inside and outside of the AAs had a neutral impact on the geographical distribution of loan ratings throughout the evaluation period.

Description of Institution

Axos is a non-traditional, digitally focused savings bank headquartered in San Diego, California. Banking services are provided nationally via a technology-based banking platform. Axos is a wholly owned subsidiary of Axos Financial, Inc, headquartered in Las Vegas, Nevada. The bank opened for business on July 4, 2000.

During the evaluation period, the bank operated one branch in California and one branch in Nevada.

The bank's primary business strategy is to provide traditional commercial and consumer banking products through an efficient technology-based banking platform. Axos provides banking services primarily through internet and mobile banking platforms across all 50 states. The bank is a full-service financial institution that offers a variety of deposit and lending products to consumers and businesses. Products include consumer loans and deposits, single family residential mortgages, commercial treasury management services, and commercial deposits and loans. Customers can open deposit accounts and conduct banking transactions through the internet, mobile access, or bank branches. Customers can also deposit and withdraw funds using the deposit-taking ATM at the main branch in San Diego, California. The bank distributes its loan products through retail, correspondent, and wholesale channels.

As of December 31, 2024, Axos had total assets of $22.8 billion and tier 1 capital of $2.3 billion. Total deposits were $20.1 billion. Axos reported total loans of $18.8 billion, representing approximately 82.4 percent of total assets. The bank is primarily a commercial lender, with 60.9 percent of total loans consisting of loans to non-depository institutions, commercial real estate (CRE), and commercial and industry (C&I) loans. The loan portfolio includes 41.6 percent loans to non-depository institutions, 23.4 percent one-to-four family loans, 10.5 percent CRE loans, 8.1 percent multifamily loans, 8.8 percent C&I loans, 3.8 percent other construction loans, 2.2 percent consumer loans, and 1.6 percent all other loans.

There were no legal, financial, or other factors that impeded the bank's ability to help meet the credit needs of its AAs during the evaluation period. Axos's CRA performance was rated "Satisfactory" in the last performance evaluation, dated April 24, 2023.

Scope of the Evaluation

Evaluation Period/Products Evaluated

The evaluation period is January 1, 2022, through December 31, 2024. This performance evaluation assesses the bank's performance under the large bank Lending, Investment, and Service Tests for the entirety of the evaluation period.

Lending Test

In evaluating lending performance, the OCC analyzed home mortgage loans that management reported under Home Mortgage Disclosure Act (HMDA). For borrower distribution analysis, consideration was given to the impact of home affordability for LMI borrowers in higher-cost areas in comparing the distribution of home mortgage loans to demographics. Primary loan products, for purposes of this review, are products in which the bank originated at least 20 loans within an AA during one or more of the analysis periods within the overall evaluation period. The OCC did not analyze small loans to businesses as these did not represent primary loan products during the evaluation period based on minimal origination volumes. The bank did not originate any small loans to farms during the evaluation period; therefore, they were not part of the analysis or considered in rating conclusions. The OCC also evaluated CD loans. When conducting quantitative analysis of CD loans, the OCC compares the proportion of these loans to the tier 1 capital allocated to each bank's AA. Typically, the OCC uses the tier 1 capital figure at

the end of the evaluation period to determine the allocation for each AA. A higher proportion of bank CD loans relative to tier 1 capital indicates better performance in the quantitative aspects of these activities.

Investment Test

When conducting analysis under the Investment Test, the OCC compared the dollar amount of qualified investments and donations made to tier 1 capital. The analysis also included evaluating how responsive investments and donations were to the needs of the community and if there were any impediments to meeting those needs. The OCC considered the volume of investments made during the current evaluation period and those made in prior evaluation periods that remained outstanding. Investments made in prior periods were considered at the book value of the investment as of December 31, 2024. Current-period investments were considered at their original investment amount, even if that amount is greater than the current book value of the investment. Current-period investment totals were based on the amounts used for financial statement and regulatory reporting that governed the timing for recognizing investment totals. Unfunded commitments consisted of legally binding investment commitments that are tracked and recorded in the bank's financial reporting system.

Service Test

The OCC gave primary consideration to the bank's performance in delivering retail products and services to geographies and individuals of different income levels through the bank's distribution of branches. The OCC focused on the accessibility of branches to LMI geographies and individuals, including the impact of opening and closing of branches. Adjacent branches, which are branches in middle- or upper-income (MUI) census tracts (CT) within proximity of LMI geographies, that serve and enhance accessibility for LMI customers, were also considered. The OCC evaluated the range and consistency of products and services offered by the bank through its branch network with emphasis on accessibility to LMI borrowers. The OCC specifically focused on any differences in branch hours and services in LMI geographies compared to those in MUI geographies. The OCC also evaluated the bank's record of providing CD services. The OCC's primary consideration was the responsiveness of the services to community needs.

Selection of Areas for Full-Scope Review

In each state where the bank has an office, one or more AA(s) within that state was selected for a full-scope review. For purposes of this evaluation, bank delineated AAs located within the same metropolitan statistical area (MSA), multistate metropolitan statistical area (MMSA), or combined statistical area (CSA), if applicable are combined and evaluated as a single AA. Similarly, bank delineated non-MSA AAs within the same state are combined and evaluated as a single area. These combined AAs may be evaluated as full- or limited-scope.

Refer to the "Scope" section under each State Rating section for details regarding how full-scope AAs were selected. Refer to appendix A, Scope of Examination, for a list of full-scope AAs.

Ratings

The bank's overall rating is a blend of the state ratings.

The state of California carried the greater weight in the conclusions because it represented the bank's most significant market in terms of deposit concentration and reportable loans. As of June 30, 2024, deposits in this rating area comprised 91.5 percent of Axos's total deposits and 77.5 percent of home mortgage loan originations within AAs.

Discriminatory or Other Illegal Credit Practices Review

Pursuant to 12 CFR 25.28(c) (March 29, 2024) in determining a national bank's or federal savings association's (collectively, bank) CRA rating, the OCC considers evidence of discriminatory or other illegal credit practices in any geography by the bank, or in any assessment area by an affiliate whose loans have been considered as part of the bank's lending performance. As part of this evaluation process, the OCC consults with other federal agencies with responsibility for compliance with the relevant laws and regulations, including the U.S. Department of Justice, the U.S. Department of Housing and Urban Development, and the Consumer Financial Protection Bureau, as applicable.

The OCC has not identified that this institution or any affiliate whose loans have been considered as part of this institution's lending performance has engaged in discriminatory or other illegal credit practices that require consideration in this evaluation.

The OCC will consider any information that this institution engaged in discriminatory or other illegal credit practices, identified by or provided to the OCC before the end of the institution's next performance evaluation in that subsequent evaluation, even if the information concerns activities that occurred during the evaluation period addressed in this performance evaluation.

State Rating

State of California

CRA rating for the State of California: Satisfactory
The Lending Test is rated: Low Satisfactory
The Investment Test is rated: Low Satisfactory
The Service Test is rated: Low Satisfactory

The major factors that support this rating include:

- Lending levels reflect poor responsiveness to AA credit needs.
- The bank exhibits an adequate geographic distribution of loans in its AA.
- The bank exhibits a poor distribution of loans among individuals of different income levels.
- The bank has an excellent level of CD loans that had a positive impact on the lending test conclusion.
- The bank has an adequate level of qualified investments, including grants, with adequate responsiveness to credit and community development needs.
- Retail service delivery systems are reasonably accessible to geographies and individuals of different income levels in the bank's AA.
- The bank provided a relatively high level of CD services.

Description of Institution's Operations in California

The state of California represented Axos's most significant rating area out of two rating areas in terms of deposits and loans. The bank delineated one AA within the state of California, in the San Diego-Chula Vista-Carlsbad, California MSA (San Diego MSA). The San Diego MSA consisted of San Diego County, the most southwestern county in the contiguous United States. The bank operates one branch and one deposit-taking ATM in California; both located in the San Diego MSA. The AA meets the requirement of the regulation and does not arbitrarily exclude any LMI CTs.

The San Diego MSA has over 3.2 million residents. Within the AA, 6.2 percent of CTs are designated as low-income and 22.7 percent of CTs are designated as moderate-income. Within the AA, 22.8 percent of families are low-income, and 17.3 percent of families are moderate-income, with 7.3 percent of families living below the poverty income level. The 2020 median family income was $95,623.

According to the Federal Deposit Insurance Corporation's (FDIC) Deposit Market Share Report as of June 30, 2024, Axos's deposit market share ranked third out of 43 deposit taking institutions in the San Diego MSA. The bank held a total of $17.8 billion in deposits with market share of 14.3 percent, representing 91.5 percent of bank-wide deposits.

The bank originated or purchased 241 home mortgage loans, totaling $333.8 million, in the AA throughout the evaluation period. This represented 77.5 percent of home mortgage loans by number and 85.2 percent of the bank-wide dollar volume within the AAs.

Employment and Economic Factors

According to the Bureau of Labor Statistics (BLS), the annual unemployment rate for the San Diego County in 2024 was 4.3 percent, up from 3.4 percent in 2022. Despite the increase, the county's unemployment rate remains lower than California's statewide rate of 5.3 percent in 2024.

According to the November 2024 Moody's Analytics Report, the San Diego-Carlsbad economy is facing challenges in sustaining momentum, with payrolls declining slightly toward the end of 2024. Manufacturing remains weak, but tourism has driven a rebound in leisure and hospitality, supported by increased visitor arrivals and spending. Healthcare performance has been mixed, with strong year-over-year growth tempered by recent slippage, while the jobless rate remains steady due to a stagnant labor force. The housing market is improving, with rising prices, higher sales, and increased single-family permit issuance defying national trends. Tourism is expected to continue recovering. Job losses in the high-tech sector, particularly biotech, have stabilized, and venture capital funding is returning, driving growth in biotech and life sciences.

The area's strengths include a highly skilled and well-educated labor force, its strategic position as a beneficiary of the Pacific naval buildup and unmanned aerial vehicle development, and robust research and development clusters that sustain strong demand for office space. However, the area faces challenges including high costs that constrain net migration gains, a severely overvalued housing market, and worsening affordability. The top five employers in the area are Naval Base San Diego, Collins Aerospace, San Diego Marine Corps, the University of California San Diego, and Kaiser Permanente Vandever Medical Center.

Housing

The housing market in the AA is challenging as demand exceeds housing supply, and prices continue to trend upwards. The lack of affordable housing has made it difficult for LMI families to purchase or rent homes in the AA. The AA is a high cost housing area, limiting access to affordable home ownership among LMI borrowers.

Based on the information from the 2020 U.S. Census, 50.1 percent of the total housing units in the AA were owner-occupied, 42.9 percent were renter occupied, and 7 percent were vacant units. Of all owner-occupied units, 2.4 percent were in low-income CTs, and 15.8 percent were in moderate-income CTs. Of all the occupied rental units, 9.8 percent were in low-income CTs, and 31.6 percent were in moderate-income CTs. Of all vacant units, 4.4 percent were in low-

income CTs, and 21.9 percent were in moderate-income CTs. The median housing value was $550,000 and the median gross rent was $1,806.

Affordability

Based on data from 2020 U.S. Census, low-income families within the San Diego MSA earned less than $3,984 monthly and moderate-income families earned less than $6,375 monthly. One method used to determine housing affordability assumes a maximum monthly principal and interest payment of no more than 30 percent of the applicant's income. This is calculated to a maximum monthly mortgage payment of $1,195 for low-income borrowers and $1,913 for moderate-income borrowers. Assuming a 30-year mortgage with a 6 percent interest rate, and not accounting for down payment, homeowner's insurance, real estate taxes, or any additional monthly expenses, the monthly mortgage payment for a home at the San Diego MSA median housing value would be $3,298. Based on these calculations, both LMI borrowers would be severely challenged to afford a mortgage loan within the AA.

Community Contact

The OCC utilized two community contacts that were performed during the evaluation period for this AA. The first community contact is a community development organization operating in San Diego County, with a mission to build resilient communities. According to the contact, key challenges to homeownership include lower average incomes relative to high home prices, high average home prices overall, and local zoning laws that limit opportunities for new construction.

The second community contact is an economic development organization in San Diego County, focused on supporting businesses to grow the local economy. Their services include site selection, permitting, export consulting, and talent pipeline development. The contact highlighted that early-stage businesses face significant challenges accessing capital, emphasizing the need for banks to adopt more flexible methods for evaluating creditworthiness among new small businesses.

Scope of Evaluation in California

The San Diego MSA was selected for analysis using full-scope procedures as it is the bank's only AA in the rating area.

For the analysis of distribution of loans to geographies with different income levels, greater consideration was given to the bank's performance in moderate-income geographies due to the higher percentages of owner-occupied housing units.

For the borrower distribution analysis of home mortgage loans, consideration was given to the impact that income and housing costs have on limiting homeownership opportunities of LMI individuals and families. Additionally, consideration was given to the impact of home affordability for LMI borrowers in higher cost areas when comparing the distribution of home mortgage loans to the demographics. It is difficult for many LMI borrowers to afford a home as the area's median housing value is typically too high for conventional mortgage loan qualification. As such, more emphasis was placed on the bank's lending results to LMI borrowers relative to the aggregate performance rather than the demographic data.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN CALIFORNIA

LENDING TEST

The bank's performance under the Lending Test in California is rated Low Satisfactory.

Conclusions for Area Receiving a Full-Scope Review

Based on a full scope-review, the bank's performance in the San Diego MSA was adequate.

Lending levels reflected poor responsiveness to AA credit needs.

The bank's deposit market share ranked in the top 7 percent. The top five depository institutions by deposit market share were JP Morgan Chase Bank, N.A., Wells Fargo Bank, N.A., Axos Bank, Bank of America, N.A., and US Bank, N.A. These five banks had a combined deposit market share of 72.9 percent.

According to 2024 peer mortgage data, Axos had a 0.1 percent market share of home mortgage originations. Axos's market share of home mortgage originations was weaker than its deposit market share. Axos's mortgage originations ranked 140th out of 622 home mortgage lenders. The bank's market share ranking of home mortgage loan originations, relative to all home mortgage lenders, was in the top 22.5 percent. The top five home mortgage lenders by number of loans and market share were United Wholesale Mortgage, Rocket Mortgage, Navy Federal Credit Union, US Bank, N.A., and Mission Federal Credit Union. These five lenders had a combined home mortgage loan market share of 29.7 percent. In addition, a number of community development financial institutions operate in the AA, competing in the market for home mortgage loans by offering flexible lending products.

Distribution of Loans by Income Level of the Geography

The bank exhibited an adequate geographic distribution of home mortgage loans in its AA.

Refer to Table 7 in the state of California section of Appendix D for the facts and data used to evaluate the geographic distribution of the bank's home mortgage loan originations and purchases.

The bank's percentage of home mortgage loans in low-income geographies was near to the percentage of owner-occupied homes in those geographies but was below the aggregate distribution of loans. The percentage of home mortgage loans in moderate-income geographies was well below both the percentage of owner-occupied homes in those geographies and the aggregate distribution of loans.

Lending Gap Analysis

Examiners reviewed summary reports and maps and analyzed home mortgage lending activity to identify any gaps in the geographic distribution of loans in all full-scope AAs. Examiners did not identify any unexplained conspicuous gaps.

Distribution of Loans by Income Level of the Borrower

The bank exhibited a poor distribution of loans among individuals of different income levels. The OCC considered the impact of heavy competition among home mortgage lenders and housing costs relative to median family incomes in the AA, which limited affordability for LMI families.

Refer to Table 8 in the state of California section of Appendix D for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The bank's percentage of home mortgage loans to low-income borrowers was significantly below the percentage of low-income families and was well below the aggregate distribution of loans. The bank's percentage of home mortgage loans to moderate-income borrowers was significantly below both the percentage of moderate-income families and the aggregate distribution of loans.

Community Development Lending

The institution was a leader in making CD loans. CD lending had a positive impact on the Lending Test conclusion in the state of California.

Refer to Table 3 in the Lending Activity section for the information and data used to evaluate the institution's level of CD lending. These tables include all CD loans, including multifamily loans that also qualify as CD loans.

During the evaluation period, Axos originated 17 CD loans totaling $75.6 million. The volume of CD loans is equivalent to 3.7 percent of the allocated tier 1 capital. The bank's CD loans were particularly responsive to affordable housing needs of the AA. By dollar volume, 94.1 percent of these loans funded affordable housing and 5.9 percent funded revitalization and stabilization efforts.

The following are examples of CD loans the bank originated or purchased in the AA:

- The bank originated a $12.6 million loan secured by a 40-unit multifamily property to support affordable housing for LMI individuals. The majority of the property's housing units are affordable for LMI tenants.

- The bank extended a $7.8 million loan secured by a 32-unit multifamily property benefiting affordable housing for LMI individuals. The majority of the property's housing units are affordable for LMI tenants.

- The bank originated a $7.4 million loan secured by a 49-unit multifamily property providing affordable housing for LMI individuals. All housing units are affordable for LMI tenants.

Broader Statewide Regional CD lending

Because Axos was responsive to CD needs and opportunities in its AA, examiners considered CD loans in the broader statewide and regional areas that include the bank's AA, but do not have a purpose, mandate, or function to specifically serve the AA. CD lending in the broader statewide area consisted of 68 loans totaling $341.1 million, equivalent to an additional 16.5 percent of the allocated tier 1 capital. These loans primarily supported affordable housing for LMI individuals. By dollar volume, $298 million (87.4 percent) funded affordable housing, $40.5 million (11.9 percent) funded economic development, and $2.6 million (0.7 percent) funded revitalization or stabilization of LMI geographies. These CD loans had a positive impact on the CD lending conclusion.

Product Innovation and Flexibility

The institution used innovative and/or flexibility lending practices in order to serve the AA credit needs.

Axos provides short-term financing to mortgage originators for single-family residential loans. These short-term loans offer flexibility by providing "bridge financing" for individuals pursing home mortgages and refinancing under federal and state government guaranteed lending programs (i.e. Federal Housing Agency, Veterans Agency, United States Department of Agriculture, etc.). Within the San Diego MSA, the bank originated $339.6 million in bridge financing loans, of which $71.3 million, or 26.6 percent, benefited LMI borrowers.

In addition, Axos partnered with a financial technology firm to provide short-term, unsecured loans to individuals by providing access to salary funds before receiving a paycheck. The financial technology firm partners with various employers to offer this service as an employee benefit. This product offers flexibility by providing access to funds prior to receiving a paycheck. Axos facilitated $274,250 in loans to 39 LMI individuals under this program during the evaluation period. Bank management discontinued their partnership with the financial technology firm in 2023.

INVESTMENT TEST

The bank's performance under the Investment Test in California is rated Low Satisfactory.

Conclusions for Area Receiving a Full-Scope Review

Based on a full-scope review, the bank's performance in the San Diego MSA is adequate.

The institution had an adequate level of qualified investments, including grants, although rarely in a leadership position, particularly those that are not routinely provided by private investors.

The institution exhibited adequate responsiveness to credit and community development needs. The institution occasionally used innovative and/or complex investments to support CD initiatives.

The dollar volume of current- and prior-period investments represented 2.1 percent of allocated tier 1 capital. Axos had 104 qualified investments and grants within the AA, totaling $43 million. The bank's qualified investments and grants were primarily focused on addressing affordable housing needs, which continues to be a significant challenge in the AA. Of these qualified investments and grants, $35.6 million (84.2 percent) supported affordable housing, $4.2 million (8.4 percent) supported community services targeted to LMI individuals, and $3.2 million (7.4 percent) supported economic development activities.

The following are examples of qualified investments in the AA:

- During the evaluation period, the bank invested $10 million in a low-income housing tax credit (LIHTC) fund to support the development of a 223-unit high-rise dedicated to LMI senior living.

- The bank had four LIHTC investments from prior evaluation periods, with a total outstanding balance of $8.3 million across four funds/projects. These investments supported the development of 517 affordable housing units across five properties, addressing the critical need for housing for LMI families in various neighborhoods within the assessment area.

The bank had six MBS from prior evaluation periods with a total outstanding balance of $10.8 million. The securities are backed by CRA-eligible residential mortgages for LMI borrowers within the AA.

Examples of qualified grants in this AA include:

- The bank provided six CD grants totaling $136,000 to a nonprofit organization dedicated to serving children in LMI and underserved communities. The organization focuses on youth development and educational programs, including financial literacy initiatives.

- The bank provided two CD grants totaling $15,000 to a nonprofit organization dedicated to addressing hunger in the community. The organization's mission is to connect individuals facing food insecurity with nutritious meals by maximizing food rescue efforts. The bank's support contributed to providing essential meals for those in need, helping to alleviate hunger and improve access to healthy food options.

- The bank provided 17 CD grants totaling $210,000 to a nonprofit organization to support vital community services within the AA. These grants funded programs aimed at serving LMI individuals by providing shelter, meals, rehabilitation, emergency assistance, education, financial literacy, and job training services to individuals and families experiencing homelessness.

Broader Statewide Regional Qualified Investments

Because the bank was responsive to CD needs and opportunities in its AA, examiners considered investments in the broader statewide and regional areas that include the bank's AA but do not have a purpose, mandate, or function to specifically serve the AA.

The bank made two investments totaling $25.2 million, representing an additional 1.2 percent of its allocated tier 1 capital. This included a $25 million investment in a LIHTC security, which funded the construction of a 271-unit affordable residential family community in San Jose, CA. These investments are considered favorably for the Investment Test conclusion.

SERVICE TEST

The bank's performance under the Service Test in California is rated Low Satisfactory.

Conclusions for Area Receiving a Full-Scope Review

The percentage of branches in both LMI geographies was significantly below the percentage of the population in those areas. The bank's sole branch and bank-owned ATM in the AA are located in a middle-income CT, specifically within an office park. The location, situated along a major thoroughfare, provides convenient access to surrounding communities via light rail and other public transportation options.

For the bank's retail banking services, the OCC considered the bank's overall business strategy, which focuses on leveraging technology and mobile device applications as the primary mechanisms to deliver banking services to its customers. While the bank operates one physical branch located within the San Diego MSA, its operations are limited, and customers primarily rely on alternative delivery systems to access banking services. These systems include ATMs, telephone banking, mobile banking applications, internet banking, and online account opening and servicing. To enhance accessibility, the bank reimburses most domestic ATM fees, allowing customers to use ATMs nationwide for cash withdrawals. Additionally, the bank provides access to a select nationwide network of ATMs for cash and check deposits. The bank provides automated telephone banking services with live customer support to assist LMI individuals in the AA who may have difficulty accessing the branch.

Community Development Services

The institution provided a relatively high level of CD services. During the evaluation period, 405 bank employees contributed a total of 3,854 hours of community service within the San Diego

MSA. Most of these volunteer hours were dedicated to providing financial literacy training to LMI individuals in the AA.

The following are examples of CD services provided in the AA:

- A total of 205 bank employees facilitated 3,163 hours of financial training using the FDIC Money Smart program to LMI adults and families including those experiencing homelessness.

State of Nevada

CRA rating for the State of Nevada: Satisfactory

The major factors that support this rating include:

- Lending levels reflect adequate responsiveness to AA credit needs.
- The bank exhibits an adequate geographic and borrower distribution of loans in its AA.
- The bank has a low level of CD loans.
- The bank has an excellent level of qualified investments, including grants, with excellent responsiveness to credit and community development needs.
- Retail service delivery systems are reasonably accessible to geographies and individuals of different income levels in the bank's AA.
- The bank provided a low level of CD services.

Description of Institution's Operations in Nevada

The state of Nevada represents the smaller of the bank's two rating areas in terms of deposits and loans. The bank delineated one AA within the state of Nevada, in the Las Vegas-Henderson-North Las Vegas, Nevada MSA (Las Vegas MSA). The Las Vegas MSA consists of Clark County. The bank operates one branch in the Las Vegas MSA, which does not have any deposit-taking ATMs at this location. The AA meets the requirement of the regulation and does not arbitrarily exclude any LMI CTs.

The Las Vegas MSA has over 2.2 million residents. Within the AA, 6.9 percent of CTs are designated as low-income and 23.9 percent of CTs are designated as moderate-income. Within the AA, 20.9 percent of families are low-income, and 18 percent of families are moderate-income, with 9.8 percent of families living below the poverty income level. The 2020 median family income was $71,896.

According to the FDIC's Deposit Market Share Report as of June 30, 2024, Axos's deposit market share ranked 11th out of 43 deposit taking institutions in the Las Vegas MSA. The bank held $1.6 billion in deposits with 1.8 percent of market share representing 8.5 percent of bank-wide deposits.

The bank originated or purchased 70 home mortgage loans, totaling $57.9 million, in the AA throughout the evaluation period. This represented 22.5 percent of home mortgage loans by number and 14.8 percent of the bank-wide dollar volume within the AAs.

Employment and Economic Factors

According to the BLS, the annual unemployment rate for Clark County in 2024 was 5.8 percent, remaining relatively stable compared to 5.6 percent in 2022. Similarly, the unemployment rate for Clark County was closely aligned with the statewide unemployment rate for Nevada in 2024, which was recorded at 5.6 percent.

Based on information from the November 2024 Moody's Analytics Report, the Las Vegas-Henderson-Paradise economy showed signs of cooling in 2024, with job losses in leisure and hospitality lowering payrolls after a strong start to the year. Despite a slowing labor market, average hourly earnings increased due to job gains in higher-wage industries such as healthcare. The closure of major casinos impacted leisure and hospitality payrolls, while strong visitor volumes and record gaming revenues highlighted the continued importance of the casino industry. Population growth, particularly among seniors and prime-age individuals, is driving demand for healthcare services, supported by facility expansions such as West Henderson Hospital. Diversification of the tourism sector through major events and construction projects is further contributing to job creation and economic activity in the region.

The area's strengths include its unmatched gaming and entertainment infrastructure, the absence of state personal income tax, and a high concentration of prime-age workers. However, it faces challenges such as an overreliance on consumer spending, elevated employment volatility, and an overvalued single-family housing market. The top five employers in the area are Nellis Air Force Base, Intercontinental The Venetian, Encore Casino, MGM Grand, and Linq.

Housing

The housing market in the AA is challenged as demand exceeds housing supply, and prices continue to trend upwards. The lack of affordable housing has made it difficult for LMI families to purchase or rent homes in the AA. The AA has high housing costs, limiting access to affordable home ownership among LMI borrowers.

Based on the information from the 2020 U.S. Census, 48.6 percent of the total housing units in the Las Vegas MSA were owner-occupied, 40.1 percent were renter occupied, and 11.3 percent were vacant units. Of all owner-occupied units, 2.4 percent were in low-income CTs, and 15.7 percent were in moderate-income CTs. Of all the occupied rental units, 11.7 percent were in low-income CTs, and 33.7 percent were in moderate-income CTs. Of all vacant units, 8.7 percent were in low-income CTs, and 29.1 were in moderate-income CTs. The median housing value was $263,700 and the median monthly gross rent was $1,265.

Affordability

Based on data from the 2020 U.S. Census, low-income families within the Las Vegas MSA earned $2,995 monthly while moderate-income families earned $4,793. This calculation results in a maximum monthly mortgage payment, based on a 30 percent debt-to-income ratio, of $899 for low-income borrowers and $1,438 for moderate-income borrowers. Assuming a 30-year mortgage with a 6 percent interest rate, and not considering any down payment, homeowner's

insurance, real estate taxes, or additional monthly expenses, the monthly mortgage payment for a home at the AA median housing value would be $1,581. Based on these calculations, both LMI borrowers would be severely challenged to afford a mortgage loan within the AA.

Community Contact

The OCC utilized two community contacts that were performed during the evaluation period in this AA. The first contact, representing an economic development organization in Clark County, emphasized several key community needs. The contact highlighted the challenges small businesses face in accessing capital, particularly in underserved areas, which limits their growth and sustainability. The contact also noted housing affordability as another significant issue, with many residents burdened by high rent and mortgage expenses. To address these challenges, the community requires increased access to micro-loans and more flexible underwriting guidelines to support small business financing and improve economic opportunities for residents.

The second contact, representing a business development organization, also stated that existing small businesses are experiencing difficulties in developing growth strategies to keep pace with the rapid expansion of the Clark County area. For start-up businesses, the primary challenges include securing adequate financing and creating effective marketing strategies to establish a competitive presence in the market.

Scope of Evaluation in Nevada

The Las Vegas MSA was selected for analysis using full-scope procedures as it is the bank's only AA in the rating area.

For the analysis of distribution of loans to geographies with different income levels, greater consideration was given to the bank's performance in moderate-income geographies due to the higher percentages of owner-occupied housing units.

For the borrower distribution analysis of home mortgage loans, consideration was given to the impact that income and housing costs have on limiting homeownership opportunities of LMI individuals and families. Additionally, consideration was given to the impact of home affordability for LMI borrowers in higher cost areas when comparing the distribution of home mortgage loans to the demographics. It is difficult for many LMI borrowers to afford a home as the area's median housing value is typically too high for conventional mortgage loan qualification. As such, more emphasis was placed on the bank's lending results to LMI borrowers relative to the aggregate performance rather than the demographic data.

CONCLUSIONS WITH RESPECT TO PERFORMANCE TESTS IN NEVADA

The bank's deposit market share ranked in the top 25.6 percent. The top five depository institutions by deposit market share were Bank of America, N.A, Wells Fargo Bank, N.A., Wells Fargo National Bank West, Beal Bank USA, and JP Morgan Chase Bank, N.A. These five banks had a combined deposit market share of 66.6 percent.

According to 2024 peer mortgage data, Axos had a 0.8 percent market share of home mortgage originations. Axos's market share of home mortgage originations was weaker than its deposit market share. Axos's mortgage originations ranked 216th out of 499 home mortgage lenders. The bank's market share ranking of home mortgage loan originations, relative to all home mortgage lenders, was in the top 43.3 percent. The top five home mortgage lenders by number of loans and market share were United Wholesale Mortgage, Pennymac Loan Service LLC, Rocket Mortgage, Freedom Mortgage Corporation, and America First Credit Union. These five lenders had a combined home mortgage loan market share of 24.7 percent.

Distribution of Loans by Income Level of the Geography

The bank exhibited an adequate geographic distribution of home mortgage loans in its AA.

Refer to Table 7 in the state of Nevada section of Appendix D for the facts and data used to evaluate the geographic distribution of the bank's home mortgage loan originations and purchases.

The bank's percentage of home mortgage loans in low-income geographies exceeded both the percentage of owner-occupied homes in those geographies and the aggregate distribution of loans. The percentage of home mortgage loans in moderate-income geographies was well below both the percentage of owner-occupied homes in those geographies and the aggregate distribution of loans.

Lending Gap Analysis

Examiners reviewed summary reports and maps and analyzed home mortgage lending activity to identify any gaps in the geographic distribution of loans in all full-scope AAs. Examiners did not identify any unexplained conspicuous gaps.

Distribution of Loans by Income Level of the Borrower

The bank exhibited an adequate distribution of loans among individuals of different income levels. The OCC considered the impact of heavy competition among home mortgage lenders and housing costs relative to median family incomes in the AA, which limited affordability for LMI families.

Refer to Table 8 in the state of Nevada section of Appendix D for the facts and data used to evaluate the borrower distribution of the bank's home mortgage loan originations and purchases.

The bank's percentage of home mortgage loans to low-income borrowers was significantly below the percentage of low-income families but exceeded the aggregate distribution of loans.

The bank's percentage of home mortgage loans to moderate-income borrowers was well below the percentage of moderate-income families and was below the aggregate distribution of loans.

Community Development Lending

The institution made a low level of CD loans. CD Lending had a neutral impact and supported the Lending Test conclusion in the state of Nevada.

Refer to Table 3 in the Lending Activity section for the information and data used to evaluate the institution's level of CD lending. These tables include all CD loans, including multifamily loans that also qualify as CD loans.

During the evaluation period, Axos originated a $1.2 million CD loan secured by a multifamily property to support affordable housing, representing 0.6 percent of the allocated tier 1 capital. Of the property's 10 housing units, nine units were affordable for LMI tenants.

Product Innovation and Flexibility

The institution used innovative and/or flexibility lending practices in order to serve the AA credit needs.

Axos provided "bridge financing" loans to mortgage originators to fund government guaranteed home mortgages. Within the Las Vegas MSA, Axos originated $149.7 million in bridge financing loans, of which $33.1 million, or 28.4 percent, benefited LMI borrowers.

In addition, Axos partnered with a financial technology firm to provide short-term, unsecured loans to individuals by providing access to salary funds before receiving a paycheck. The financial technology firm partners with various employers to offer this service as an employee benefit. This product offers flexibility by providing access to funds prior to receiving a paycheck. Axos facilitated $2.5 million in loans to 617 LMI individuals under this program during the evaluation period. Bank management discontinued their partnership with the financial technology firm in 2023.

INVESTMENT TEST

The bank's performance under the Investment Test in Nevada is rated Outstanding.

Of these qualified investments and grants, $51.9 million (99.7 percent) supported affordable housing, $140,375 (0.3 percent) supported community services targeted to LMI individuals, and $10,000 (less than 0.1 percent) supported economic development activities.

The following are examples of qualified investments in the AA:

Appendix C: Definitions and Common Abbreviations

The following terms and abbreviations are used in this performance evaluation, including the CRA tables. The definitions are intended to provide the reader with a general understanding of the terms, not a strict legal definition.

Affiliate: Any company that controls, is controlled by, or is under common control with another company. A company is under common control with another company if the same company directly or indirectly controls both companies. For example, a bank subsidiary is controlled by the bank and is, therefore, an affiliate.

Aggregate Lending (Aggt.): The number of loans originated and purchased by all reporting lenders (HMDA or CRA) in specified income categories as a percentage of the aggregate number of loans originated and purchased by all reporting lenders in the state/assessment area.

Census Tract (CT): A small, relatively permanent statistical subdivision of a county delineated by a local committee of census data users for the purpose of presenting data. Census tracts nest within counties, and their boundaries normally follow visible features, but may follow legal geography boundaries and other non-visible features in some instances. Census tracts ideally contain about 4,000 people and 1,600 housing units.

Combined Statistical Area (CSA): A geographic entity consisting of two or more adjacent Core Based Statistical Areas with employment interchange measures of at least 15. An employment interchange measure is a measure of ties between two adjacent entities. The employment interchange measure is the sum of the percentage of workers living in the smaller entity who work in the larger entity and the percentage of employment in the smaller entity that is accounted for by workers who reside in the larger entity.

Community Reinvestment Act (CRA): The statute that requires the OCC to evaluate a bank's record of meeting the credit needs of its entire community, including low- and moderate-income areas, consistent with the safe and sound operation of the bank, and to take this record into account when evaluating certain corporate applications filed by the bank.

Geography: A census tract delineated by the United States Bureau of the Census in the most recent decennial census.

Home Mortgage Disclosure Act (HMDA): The statute that requires certain mortgage lenders that conduct business or have banking offices in a metropolitan statistical area to file annual summary reports of their mortgage lending activity. The reports include such data as the race, gender, and the income of applicants, the amount of loan requested, the disposition of the application (e.g., approved, denied, and withdrawn), the lien status of the collateral, any requests for preapproval, and loans for manufactured housing.

Home Mortgage Loans: A closed-end mortgage loan or an open-end line of credit as these terms are defined under 12 CFR 1003.2 of this title, and that is not an excluded transaction under 12 CFR 1003.3(c)(1) through (10) and (13) of this title.

Household: Includes all persons occupying a housing unit. Persons not living in households are classified as living in group quarters. In 100 percent tabulations, the count of households always equals the count of occupied housing units.

Limited-Scope Review: Performance under the Lending, Investment, and Service Tests is analyzed using only quantitative factors (e.g., geographic distribution, borrower distribution, total number and dollar amount of CD loans and qualified investments, branch distribution, and CD services).

Low-Income: Individual income that is at less than 50 percent of the area median income, or a median family income that is less than 50 percent in the case of a geography.

Market Share: The number of loans originated and purchased by the institution as a percentage of the aggregate number of loans originated and purchased by all reporting lenders in the state/assessment area.

Median Family Income (MFI): The median income determined by the U.S. Census Bureau every five years and used to determine the income level category of geographies. The median is the point at which half of the families have income above, and half below, a range of incomes. Also, the median income determined by the Federal Financial Institutions Examination Council (FFIEC) annually that is used to determine the income level category of individuals. For any given area, the median is the point at which half of the families have income above, and half below, a range of incomes.

Metropolitan Division: As defined by Office of Management and Budget, a county or group of counties within a Core Based Statistical Area that contains an urbanized population of at least 2.5 million. A Metropolitan Division consists of one or more main/secondary counties that represent an employment center or centers, plus adjacent counties associated with the main/secondary county or counties through commuting ties.

Metropolitan Statistical Area: An area, defined by the Office of Management and Budget, as a Core Based Statistical Area associated with at least one urbanized area that has a population of at least 50,000. The Metropolitan Statistical Area comprises the central county or counties containing the core, plus adjacent outlying counties having a high degree of social and economic integration with the central county or counties as measured through commuting.

Middle-Income: Individual income that is at least 80 percent and less than 120 percent of the area median income, or a median family income that is at least 80 percent and less than 120 percent, in the case of a geography.

Moderate-Income: Individual income that is at least 50 percent and less than 80 percent of the area median income, or a median family income that is at least 50 percent and less than 80 percent, in the case of a geography.

If an institution maintains domestic branches in more than one state, the institution will receive a rating for each state in which those branches are located. If an institution maintains domestic

branches in two or more states within a multistate metropolitan statistical area, the institution will receive a rating for the multistate metropolitan statistical area.

Appendix D: Tables of Performance Data

Content of Standardized Tables

A separate set of tables is provided for each state. All multistate metropolitan statistical areas, if applicable, are presented in one set of tables. References to the "bank" include activities of any affiliates that the bank provided for consideration (refer to appendix A: Scope of the Examination). For purposes of reviewing the Lending Test tables, the following are applicable: (1) purchased loans are treated the same as originations; and (2) "aggregate" is the percentage of the aggregate number of reportable loans originated and purchased by all HMDA or CRA reporting lenders in the MMSA/AA. Deposit data are compiled by the FDIC and are available as of June 30th of each year. Tables without data are not included in this PE.

The following is a listing and brief description of the tables included in each set:

Table 7. **Assessment Area Distribution of Home Mortgage Loans by Income Category of the Geography** – Compares the percentage distribution of the number of loans originated and purchased by the bank in low-, moderate-, middle-, and upper-income geographies to the percentage distribution of owner-occupied housing units throughout those geographies. The table also presents aggregate peer data for the years the data is available.

Table 8. **Assessment Area Distribution of Home Mortgage Loans by Income Category of the Borrower** – Compares the percentage distribution of the number of loans originated and purchased by the bank to low-, moderate-, middle-, and upper-income borrowers to the percentage distribution of families by income level in each MMSA/AA. The table also presents aggregate peer data for the years the data is available.

Where international, state, county, and/or MCD/CCD boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

Geographic area names are followed by either their FIPS or census code.

1 A '*' following an MCD name denotes a false MCD. A '*' following a place name indicates that a false MCD exists with the same name and FIPS code as the place; the false MCD label is not shown.

2 Place label color corresponds to the place fill color.

3 Census tracts are identified by an up to four-digit integer number and may have an optional two-digit suffix; for example 23 or 1457.02. The census tract codes consist of six digits with an implied decimal between the fourth and fifth digit corresponding to the basic census tract number, but with leading zeros, and trailing zeros for census tracts without a suffix. The tract number examples above would have codes of 002300 and 145702, respectively.

Due to space limitations, some road names, along with other feature and geography names on the map, may not be shown.

Where international, state, county, and/or MCD/CCD boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

Geographic area names are followed by either their FIPS or census code.

1 A ' * ' following an MCD name denotes a false MCD. A ' * ' following a place name indicates that a false MCD exists with the same name and FIPS code as the place; the false MCD label is not shown.

2 Place label color corresponds to the place fill color.

3 Census tracts are identified by an up to four-digit integer number and may have an optional two-digit suffix; for example 23 or 1457.02. The census tract codes consist of six digits with an implied decimal between the fourth and fifth digit corresponding to the basic census tract number, but with leading zeros, and trailing zeros for census tracts without a suffix. The tract number examples above would have codes of 002300 and 145702, respectively.

Due to space limitations, some road names, along with other feature and geography names on the map, may not be shown.

Note: This index map sheet provides the map sheet configuration in relation to the subject entity. Due to scale limitations, map content may be simplified. Refer to parent and/or inset map sheets for detailed map content.

Where international, state, county, and/or MCD/CCD boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

Geographic area names are followed by either their FIPS or census code.

1 A '*' following an MCD name denotes a false MCD. A '*' following a place name indicates that a false MCD exists with the same name and FIPS code as the place; the false MCD label is not shown.

2 Place label color corresponds to the place fill color.

3 Census tracts are identified by an up to four-digit integer number and may have an optional two-digit suffix; for example 23 or 1457.02. The census tract codes consist of six digits with an implied decimal between the fourth and fifth digit corresponding to the basic census tract number, but with leading zeros, and trailing zeros for census tracts without a suffix. The tract number examples above would have codes of 002300 and 145702, respectively.

Due to space limitations, some road names, along with other feature and geography names on the map, may not be shown.

Agreement for Your Account

Welcome and thank you for selecting Axos Bank® for your banking needs.

This Disclosure and Agreements (" Agreement") explains important terms and conditions which govern your account(s) with us. This agreement governs personal Deposit Accounts identified in this Agreement at Axos Bank (the " Bank"). By opening or maintaining a checking, savings or certificate of deposit (CD) account with us, you accept and agree to be bound by the terms and conditions of this Agreement. Your checking, savings, or certificate of deposit (CD) account is located at the Bank's headquarters in San Diego, CA.

This Agreement is periodically revised, amended, or added to, and always available electronically for your reference at www.axosbank.com. Please read this Agreement carefully and keep it with your banking records for future reference.

This disclosure describes the terms, services and the interest calculation with respect to the Deposit Accounts opened through the Bank's Website. This Agreement includes the following disclosures applicable to the Bank's personal deposit accounts that the Bank has provided to you (1) Account features, (2) Privacy Policy, (3) Electronic Funds Transfer Services, (4) Online Banking and Bill Payment Services, (5) Funds Availability Policy, (6) Substitute Checks and Your Rights, and (7) any additional disclosures regarding your account(s) that the Bank will provide to you. Fees mentioned throughout this agreement can be found in the Schedule of Fees here and on the Bank's website.

The securities and non-deposit investment products referred to in this Agreement (i.e. self-directed trading and managed account products) are offered by affiliates of the Bank (Axos Invest LLC, Member FINRA/SIPC, and Axos Invest, Inc., a SEC-registered investment adviser). While these accounts may be used as related accounts for preferred rates, deposits in the affiliate's accounts are not subject to this Agreement. Please note, securities and other non-deposit investment products and services are not deposits, obligations of or guaranteed by the Bank, are not insured by the FDIC or any governmental agency, and are subject to investment risk including possible loss of the principal invested.

Account Funding

You agree to fund your account within 30 days of account opening, or we may close the account.

Changes to This Agreement

We may change this Agreement at any time without prior notice unless prohibited by law. Changes may include deleting or modifying existing terms or rates or the addition of a new term or fee not otherwise contemplated when you opened your account, including new terms regarding how we will resolve preexisting or future disputes, whether informally, by litigating in specified courts or under specified rules, or through alternative dispute resolution, such as binding arbitration. We may convert existing accounts and services into new accounts and services or discontinue accounts or services. If a change to this Agreement is material and adverse to you, we will give you reasonable notice in writing or by any method permitted by law. For example, unless otherwise required by law, a notice of the changes or a copy of the revised Agreement (or a link to review it) may be sent to you at the mailing or email address on file with your account, via other electronic means, or included in a message on the statement for one of your accounts. Any changes will take effect immediately, unless stated otherwise in any notice we provide to you. We may, but do not have to, notify you of changes that we make for security reasons or that we believe are either beneficial or not adverse to you. You are not required to agree to changes in terms that are materially adverse to you. If you wish to reject a change, you must close your accounts before the effective date of the change. There is no penalty or fee for closing an account in order to reject a change in terms. If we have notified you of a change and you continue to use or maintain your account after the effective date of the change, you have agreed to the new terms.

When we change this Agreement, the then-current version of this Agreement supersedes all prior versions and governs your account. For the sake of clarity, nothing contained in this section shall affect the Bank's ability to close your account for any reason or without cause in accordance with the section below, entitled " Closing an Account."

Closing an Account

You agree to notify us of your intention to close your Deposit Account, and we reserve the right to request that your notice be in writing that affirmatively acknowledges that closing the account could affect your receipt of Financial Services. After a Deposit Account is closed, we have no obligation to accept deposits or pay any outstanding items or other debits, but we may do so at our option. You agree to hold us harmless for refusing to honor any check, item or other debit on a closed account.

For security reasons, we may close your Deposit Account and require you to open a new account if there is a change in authorized signers, there has been a forgery or fraud reported or committed involving your Deposit Account, any Deposit Account checks are lost or stolen, you have too many transfers from a Deposit Account that has transaction limitations, or you have violated any other provision of an agreement you have with us.

The Bank reserves the right to close your account for any reason or without cause. We need not advise you of the reason for taking this action. The Bank need not give advance notice of any closure. After an account is closed, we have no obligation to accept deposits or pay any outstanding items or other debits, but we may do so at our option. If your account is closed by the Bank, it may issue a single Cashier's Check for the account balance payable to accountholder and may mail or deliver that check to the accountholder, subject to any right the Bank may have under any agreement covering the account or the Bank's right of setoff.

Compliance with Laws and Regulations

When you do business with us, you agree to all applicable laws, regulations or ordinances, and orders of governmental and governing authorities, including federal and state privacy laws and anti-money laundering laws. You agree not to use your account or services for any unlawful purpose, including unlawful internet gambling.

Financial Information

You agree to provide us accurate and complete financial and other information we request in connection with a Deposit Account or Overdraft Account and the Banking Documents. Information concerning a Deposit Account or Overdraft Account may be reported to credit reporting agencies and will be made available when requested by proper legal process.

General Use of Credit File Information

You certify as to the accuracy of the information you provide to us and authorize Axos Bank's affiliated consumer reporting agency/agencies to access your credit file to facilitate the processing of your application for Axos Bank financial products and to authenticate your identity for legal and regulatory compliance purposes. You understand that you may be asked questions based on the information in your credit file as part of this process. You also understand that Axos Bank may review your credit history and past banking relationships.

Governing Law

This Agreement is governed by federal law and, when applicable, the laws of the State of California.

To the fullest extent permissible by applicable laws, in any legal action, arbitration or claim between you and the Bank, the prevailing party shall be entitled to recover costs and reasonable attorney's fees.

Information You Give Us

When you open an account with us, you give us information about yourself and confirm that it is correct. We enter the information into our records. We will rely on that information until you notify us of a change and we have a reasonable time to act on the new information.

Personal Information at Account Opening

Federal law, including the USA PATRIOT Act, requires all financial institutions to obtain, verify and record information that identifies each person or business that opens an account. When you apply for a personal account, we will ask for your legal name, residential address, date of birth and Social Security Number (SSN). We will require one or more forms of unexpired photo identification. We may validate the information you provide to us to ensure we have a reasonable belief of your identity. If we are not able to verify your identity to our satisfaction,

we will not open your account or we may close the account if it was previously funded. When you apply for a business account, we will ask for your business name, address, and Tax Identification Number (TIN). We will also ask for your name, residential address, date of birth and social security number, which will allow us to verify your identity. We may validate the information you provide to us to ensure we have a reasonable belief of your identity and your business. If we are not able to verify your identity to our satisfaction, we will not open your account or we may close the account if it was previously funded.

Service Charges

You agree to pay the charges as shown on the Schedule of Fees herein. As these charges are incurred, we will deduct the charges directly from the Deposit Account balance. We will not be liable for dishonor of your items or other debits resulting from our deduction of any charges as authorized by the Banking Documents.

Statements

You will be able to review transactions, including images of the front and back of checks or other instruments drawn on your checking account daily through the Website. You should review your transaction history daily to protect your rights, including your right to dispute transactions that you believe are unauthorized. Daily transactions accumulate for a period of one month. You must review and verify your account transactions as if your transaction history shown on the website was a traditional periodic statement.

Check Safekeeping. Copies of your checks and other Items paid from your Deposit Account will be held by us instead of returned to you. An image of the front and back of the checks you write and are presented for payment will be deemed to be made available to you no later than the day after the items are presented to us for payment. We will keep the image copies of the front and back for seven (7) years. We will provide copies of Items upon written or e-mail request. We will assess a fee for providing such copies. See Schedule of Fees located herein.

Bank's Duty of Care. In accordance with reasonable banking standards, most checks and other Items presented to us for payment are processed through automated processing and, except in limited circumstances and subject to such reasonable sampling procedures as we establish at our discretion, most Items are not individually examined to verify your signature or that the Item is otherwise properly payable. You agree that we act within reasonable banking standards by processing most checks and other Items through automated processing systems.

Telephone Calls: Calling, Monitoring and Recording

For our mutual protection, and to enable us to provide better service to you, we may monitor and/or tape-record any of our telephone conversations.

E-Sign Disclosure and Consent

When applying for a Deposit Account or Loan with Axos Bank, also known as UFB Direct, you will be asked to give your consent for the Bank to provide disclosures, notices, amendments or changes to this Agreement, communications and information to you electronically rather than paper form and agree to sign documents electronically, we will accept your electronic signature as though it were your handwritten signature.

The Disclosure and Consent Regarding Electronic (e-sign) Signatures and Communications (the " Consent") provides the person(s) giving his/her consent below (" you" and " your") with information relating to your electronic receipt of disclosures and notices (collectively, the "Disclosures") in connection with your new Deposit Account or your loan transaction (the "Loan") pending with the Bank (" we", "us" and "our"). By providing your consent, you agree that we may send you any and all Disclosures (which are described below) relating to the Deposit Account or Loan in an electronic form. We will sometimes use the words "Electronic Records" as a short way to refer to the communications and information that we may provide electronically. Before you decide whether or not you wish to give your consent to receiving Electronic Records, you should read and consider the following information.

If you agree to provide your consent, click/check the " I Agree" button or sign at the bottom of the acknowledgement. The statement contains important information that we are required by law to provide to you. You should keep a copy for your records. If you have any questions about Electronic Records that are not answered, you can contact us as follows:

Types of Disclosures and Notices that will be provided in Electronic Form. The Disclosures may include, without limitation, disclosures and notices under the Federal Equal Credit Opportunity Act and Federal Reserve Regulation B, the Federal Truth-in- Lending Act and Federal Reserve Regulation Z, the Federal Fair Credit Reporting Act, the Federal Electronic Fund Transfer Act and Federal Reserve Regulation E, the Federal USA PATRIOT Act of 2001 and Title V of the Federal Gramm-Leach-Bliley Act, together with all rules and regulations that implement the same, as well as all other applicable federal, state and local laws, rules, regulations and ordinances. The Disclosures also include any other information, agreements, amendments and changes to agreements, disclosures, and notices that we wish to provide you in connection with the Deposit Account or Loan in an electronic form, even if the information, agreements, disclosures and notices are not required by these laws, rules, regulations or ordinances.

For Online Banking Services the Disclosures may include your periodic Account Statement (As part of the monthly account statement, you will receive information about your account), other periodic or special notices (such as hold notices on availability of funds, or error resolution notices if you assert your rights under the federal consumer protection laws and regulations). These include special notices that federal laws and regulations from time to time might require us to provide to you and Privacy notices and disclosures. (These notices provide you with information about our privacy practices and policies).

Your Right to Receive Paper Copies of the Disclosures. You have a right to receive certain Communications on paper and you are not required to consent to receiving those Communications electronically instead. You are not required to consent to the electronic signature of documents. If you prefer not to provide your Consent, all of the Disclosures will be provided to you in a paper form. If you decide to provide your Consent, you should also print all disclosures and legal documents.

Your Right To Withdraw Your Consent. You have the right to withdraw your Consent at any time. You will not be charged any fees as a result of the withdrawal of your Consent. If you withdraw your Consent, any Disclosures provided to you after the effective date of the withdrawal will be provided in paper form. You may also receive paper copies of any Disclosures that were previously provided to you electronically as described below.

Scope of Your Consent. Your Consent applies only to your electronic receipt of Disclosures and legal documents in connection with the origination, closing and servicing of the Loan or deposit account. Your Consent does not apply to other transactions that you may wish to enter into with us.

To Withdraw your Consent all you need to do is contact us using one of the Contacts described above.

What records will you provide to me electronically? If you consent, you will receive electronic records that relate to our online banking services. These will include the following types of documents:

- Your monthly account statement, if applicable. (As part of the monthly account statement, you will receive information about your account).
- Other periodic or special notices (error resolution notices if you assert your rights under the federal consumer protection laws and regulations). These include special notices that federal laws and regulations from time to time might require us to provide to you.
- Privacy notices and disclosures. (These notices provide you with information about our privacy practices and policies).

Do I have an option to regularly receive these records in non-electronic form? After you provide your Consent, you may receive, without charge, a paper copy of any Disclosures that have been provided to you electronically by contacting us using one of the Contacts described above. The Bank's Online Banking Service has been

designed and built to provide records to you in electronic form. To put it another way, the system is an electronic banking system and it does not have a paper-based alternative.

Can I get a copy of the records in non-electronic form if a special need arises? At your request, we can prepare a paper- based version of any of the electronic records you receive, for up to five years after the date it was created. If you want us to prepare a paper- based copy, you can request it by contacting us. Please refer to the Schedule of Fees herein for any costs associated with this service.

If I consent to electronic records now, and change my mind, what can I do and what are the consequences? You can change your mind, and withdraw your consent, at any time, and provide notification to us at the contact information above requesting paper statements and documents be provided to you. However, remember that the Online Banking Service does not support paper-based communications. So the consequence to you, if you withdraw your consent to electronic records, is that your access to and your ability to use the Online Banking Service will end.

Change of your designated E-Mail Address. If you change your designated e-mail address, you must notify the Bank to ensure continued delivery of electronic records.

Are there any hardware or software requirements for me to access or retain the electronic records? You will need a computer with sufficient memory to store electronic records, and with a working connection to the Internet. You will need an internet connection; a Current Version of Internet Explorer, Chrome, Safari, or Firefox; an active e-mail account and related software for accessing the email account; a Current Version of a program that accurately reads and displays PDF files; and a device with an operating system capable of supporting previous items. Your browser will need to have a minimum of 128-bit encryption capabilities. You are responsible for configuring your system to accommodate these requirements. Finally, you will need a printer if you want to print copies of electronic records.

If we change the minimum hardware or software requirements needed to access or retain electronic records, and the change creates a material risk that you will not be able to access or retain a subsequent record, then before the change takes effect we will let you know about the change and let you know what the new requirements are.

We will notify you by e-mail, and at that time you will be allowed to choose whether you still want to give us your consent to receive communications or information by electronic records. If not, you will be allowed to withdraw your consent at that time, without any fee or charge by us.

However, if you withdraw your consent, you may not be able to access the Online Banking Services without upgraded hardware or software. Then, your ability to use the Online Banking Service could also end (as described above, under " If I consent to electronic records now, and change my mind, what can I do and what are the consequences?").

How will the electronic records be provided to me? All Disclosures are available on the Bank's Website and can be accessed by clicking on the " Disclosures" tab. Other periodic or special notices will be sent to you by e-mail, unless they contain confidential account information at which time they will be sent by secure email through the online banking service on our Website. Your monthly account statements, if applicable, contain confidential information, so they will be stored for you to access (print or review) on the online banking service on our Website, at www.axosbank.com and will be available to you, for at least 2 years following the date it is first posted.

To access your monthly statements and any notices sent by secure email, you will need to sign-in to the online banking service of the Bank's Website.

Are there other special requirements for electronic records? You must provide us with your current e-mail address, and keep it current with us at all times. Otherwise, you may not receive electronic records in a timely manner. If you download or print any confidential materials, such as your monthly statements, be sure that you store them in a secure environment.

Privacy Policy

We recognize, respect and protect the personal privacy rights of all our customers and work diligently to safeguard your privacy. We are committed to providing the highest level of security and privacy regarding the collection and use of our customers' personal information, as well as the personal information of all consumers who visit our institution.

The following Privacy Policy explains how we use and protect the information about our customers. We ask that you read it carefully. Privacy Policy

General Banking Information and Terms

Accepting Deposits

You authorize us to accept items for deposit to your deposit account if they are made payable to you. You also authorize us to deposit to your account wire transfers and other forms of credit (such as direct deposits or other automated clearinghouse entries) received for your benefit. All deposits are accepted and processed at our San Diego, CA facility.

Account Ownership

The bank may rely solely on its records to determine the form of ownership of your account. The bank may presume that any person named in addition to you in its records for your account owns the funds in your account as a co-owner. Account ownership is non-transferrable.

ACH New Account Funding

ACH Funding will be posted upon final credit from the external bank; typically, 2 - 3 business days after the new account is opened.

Annual Percentage Yield (APY)

APY is the total amount of interest paid on an account, based on the interest rate and the frequency of compounding for a 365-day period (366-day period in a leap year), and is expressed as a percentage.

Available Balance

Available Balance is the amount of funds available for withdrawal and authorizing transactions. Your Available Balance may be different than your ledger Balance or Collected Balance. The Available Balance is reduced from the Collected Balance by 1) the amount of pending transactions, such as a point-of-sale transaction (i.e., debit-card transactions made over a credit-card network); 2) funds on hold in accordance with our Funds Availability Policy; 3) our receipt of notice that a transaction will be presented or returned; 4) our receipt of legal process relating to your account; or 5) your use of your account as a security for a loan.

Average Daily Balance

Average daily balance is determined by taking the end-of-day balance in the account for each day in the statement period, add those balances together, and then divide by the number of days in the statement period.

Business Days

Our Business Days are Monday through Friday, excluding federal holidays.

Cash Deposits

Please do not send cash deposits. In the event that cash deposits are received by the Bank, you agree that the Bank's determination of the amount of the deposit will be conclusive. The Bank is not liable for any deposits, including cash, lost in the mail.

Check Forms and Special Conditions

We require you to use a check printer that meets technical standards for checks that are acceptable to us and the Federal Reserve Bank System. We reserve the right to disregard any information on the check other than the drawer's signature, the payee, the amount, any magnetically-encoded information at the bottom of the check, and endorsements on the reverse side of the check unless we have previously agreed to do so in writing. For example, we will not be liable for any damages because we pay an Item which contained any conditional statement or restriction such as " Void after 90 days", " Void over $100", " Payment in Full", or " Two Signatures Required". We will adhere to such conditional statements only if you notify us of the statements before the Item

is presented and we have specifically agreed in writing to honor such conditional payment restrictions. If an Item is returned or payment is delayed as a result of any writing or marking that you or a prior endorser placed on the front or back of the Item, you will be responsible for any cost and liabilities associated with such return or delay.

Collected Balance

Collected Balance is the Ledger Balance minus the amount of any deposits for which we have not received provisional credit from the bank of account or are on hold pursuant to our Funds Availability Policy. Your Collected Balance may be different than your Available Balance.

Converting Checks to Electronic Debits

Some businesses convert checks that you give them into electronic debits, sometimes referred to as an electronic check. When we receive the electronic debit, we charge your account immediately after the business enters the transaction, so you may have a reduced right to stop payment and may incur an overdraft if you do not have sufficient funds in your account to cover the amount of the check at the time you write the check or authorize the transaction. Since the check is not sent to us, we do not have a copy of your check. We list these electronic debits on your account statement. If the business uses your check to initiate an electronic debit at the point of sale, the business should give you notice of the conversion and return the voided check to you. You should treat the voided check with care because someone else who obtains possession of it could use the information to initiate additional debits against your account. Please note that when a merchant converts a check to an electronic debit it may retry the transaction with us up to two additional times if the initial transaction is returned for non-sufficient funds. We treat these as separate transactions that may be subject to a fee each time they are presented when you have non-sufficient funds (meaning the transaction exceeds your available balance plus an overdraft protection).

Death or Incompetence

You agree to notify us promptly if any owner or authorized signor on your account dies or is declared incompetent by a court. Until we receive a notice of death or incompetency, we may act with respect to any account or service as if all owners, signers or other persons are alive and competent and we will not be liable for any actions or inactions taken on that basis. If you give us instructions regarding your account, and you or another owner of the account subsequently dies or is declared incompetent, we may act on the instructions unless we receive written notice of death or competency prior to honoring such instructions.

When we receive a notice that an owner has died or been declared incompetent, we may place a hold on your account and refuse to accept deposits or permit withdrawals. We may hold any funds in your account until we know the identity of the successor. If a deposit including salary, pension, Social Security and Supplemental Security Income (SSI) – payable to deceased owner is credited to the account after the date the deceased owner died, we may debit the account for the deposit and return it to the payer.

Demand Drafts and Remotely Created Checks

If you deposit a demand draft or remotely created check (an unsigned draft or preauthorized draft) into your account, you warrant and guarantee that the draft or remotely created check is authorized according to the terms on its face by the person(s) identified as the drawer. You agree to indemnify us from all loss, expense and liability related to a claim that such check or draft was not authorized by the persons on whose account it was drawn on.

Endorsements

You authorize us to supply any missing endorsements if items are made payable to you or your order and you have not endorsed them. You warrant that all endorsements on items deposited to your account are genuine. Endorsements must be placed only in the area so designated on the back of an Item.

Facsimile Signatures

If you use any form of facsimile signature in connection with the Deposit Account, you agree to deliver a sample to us before you begin using it, and to execute and deliver agreements in a form we require. When you use a facsimile signature or other form of automated signature device in connection with the Deposit Account, you agree you shall have the sole responsibility for maintaining security of the facsimile signature or device by which it is affixed, and you shall bear the entire risk for unauthorized use thereof, whether or not you are negligent,

except as may be required by law. You agree that no facsimile signature we have been authorized to honor may be considered a forgery or an unauthorized signature, and that such facsimile or automated signature shall be effective as your signature or endorsement, whether or not you have been negligent. You further agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure (including reasonable attorneys' fees) you may suffer or incur as a result of the unlawful use, unauthorized use, or misuse by any person of any such facsimile or automated signature or the device by which it is affixed.

Foreign Items and Foreign Currency

A foreign item is a check or other item in any currency (including United States dollars) that is drawn on a bank or branch located outside of the United States. A foreign currency is any currency other than United States dollars. Some foreign items are payable in United States dollars.

"Freezing" Your Account

If we decide to close your account, we may freeze it. If we do this, we may in our discretion either accept or return deposits, checks and other items that we may receive after we freeze your account without being liable to you. If at any time we believe that your account may be subject to irregular, unauthorized, fraudulent or illegal activity, we may, in our discretion, freeze the funds in the account and in other accounts you maintain with us, without liability to you, until such time we can complete our investigation of the account and transactions. If we do freeze the funds in your account, we will provide you with a notice. We may not provide this notice to you prior to freezing the account if we believe that such notice could result in a security risk to us or the owner of the funds in the account.

Ledger Balance

Ledger Balance is the aggregate amount of funds in an account according to our records, and includes electronic credits and all cash and check deposits, even if we have not yet received credit for some or all of the deposited checks from the bank of account. Your Ledger Balance may be different than your Available Balance or Collected Balance.

Legal Process

Legal process includes a writ of attachment, execution, garnishment, tax withholding order, levy, restraining order, subpoena, warrant, injunction, government agency request for information, search warrant, forfeiture or other similar order. We may accept and comply with legal process that we reasonably believe to be valid that is served in person, by mail, by facsimile transmission, or by other means. You may have rights to contest such process on your own behalf under applicable law; the Bank has no obligation to ascertain or assert such rights. Any such legal process is subject to the Bank's security interest and the right of setoff. The Bank will not notify you of a grand jury subpoena affecting you or your account. Any fees or expenses the Bank incurs in responding to any such legal process may be charged against any account you maintain with the Bank. We may, but are not required to, send a notice to you of the legal process. The Bank will not pay interest on any funds that are held pursuant to legal process. You understand and agree that the Bank will not be liable for dishonoring checks, drafts, or other items because of non-sufficient funds in your account due to a hold or freeze placed on your account or resulting from levies, garnishments, lien claims, or other legal processes. If the legal process directs us to release information about one or more, but not all, accounts reported on a combined statement, we may release the combined statement. If the legal process directs us to release information only from a certain timeframe, we may release the entire statement or other record that contains information within the requested timeframe even if it includes information outside the directed timeframe. If the legal process requests information about one or more, but not all, account owners or co-signers, we may release information about all of the co-signers on the account and all accounts owned by such persons.

Limits on Number of Accounts

The Bank reserves the right to limit the number of account types per account holder or per household. The term "household" refers to all persons occupying an individual housing unit, whether a single person or two or more unrelated persons.

Overdrafts

If any item or other debit presented to us will overdraw the available account balance, including any balance in an overdraft protection account (" ODP Account") we have established for you, when paid (not during authorization for a transaction), we will charge you a fee, whether we pay the item or return it (except for debit-card and ATM transactions—they may be declined without a fee). You agree immediately upon notice from us to deposit funds sufficient to cover the overdraft plus applicable charges. In connection with overdrafts, our determination of the Deposit Account balance may be made at any time between presentment and our predetermined deadline and need only be made one time. If we pay Items or permit withdrawals which overdraw the available Deposit Account balance (whether once or repeatedly), we do so at our discretion without any obligation to continue to do so. Please note that merchants may attempt to get paid a second or third time if their initial ACH or check transaction is returned unpaid. We treat these second and third attempts as separate Items or transactions and will assess a fee each time we return one unpaid or pay one that results in an overdraft.

Our Receipt of Deposits

In receiving deposits, we act only as your collecting agent and assume no responsibility beyond the exercise of ordinary care. All deposits are posted to your designated deposit account conditionally, and only if the item is payable in U.S. dollars, subject to our receipt of final payment. If final payment is not received on any item you deposited to your account or that we cashed for you, or if any direct deposit, automated clearinghouse deposit or electronic fund transfer to your account is dishonored by the issuing financial institution for any reason, you agree to pay us the amount of the dishonored deposited funds, and you authorize us to debit any deposit account with us of which you are an owner, without prior notice and at any time, for the amount of the returned item or other deposit. You also authorize us to debit your account for the amount of our returned item fee, any interest paid on the deposit, and any other fee we pay or loss we incur. We may also use any other legal remedy to recover the amount you owe us. We are not responsible for any transactions, including any transactions sent through the mail, until we actually receive and post the transaction to your account. We are not liable for the default or negligence of our duly selected agents or correspondents, nor for losses in transit.

Processing Transactions and Posting Orders

Posting transactions to your account impacts your account balance and may affect the total number of overdraft or returned item fees you incur. Posting a credit increases your balance. Posting a debit or hold reduces your balance. Credits include but are not limited to the following: teller deposits, direct deposits and credits we make. Holds include but are not limited to the following: deposit holds, debit card authorizations, and holds related to cash withdrawals and electronic transfers. Debits include withdrawals, transfers, payments, checks, one-time and recurring debit card transactions, and fees. We use automated systems to process transactions and then to post transactions to accounts. When we process multiple transactions for your account on the same day, you agree that we may in our discretion determine our posting orders for the transactions and that we may credit, authorize, accept, pay, decline or return credits, debits and holds in any order at our option.

Posting Orders

This section summarizes how we generally post some common transactions to your account. We group the different types of transactions into categories. We use several different categories for holds, credits, and debits. Most categories include more than one transaction type. After the end of the business day, our automated systems assign each transaction received for that day to a category. We generally post all transactions within a category, using the posting order or orders that apply to that category before we post any transactions assigned to the next category. Overdraft and returned item fees are assessed during the nightly posting process so the order in which we post transactions will affect the total number of overdraft and returned item fees incurred.

We start with the balance in your account at the beginning of the business day, subtract holds from your balance, and make any adjustments from prior days. Next, we generally add credits to your balance and then subtract debits from your balance.

Changing Posting Orders

You agree that we may determine in our discretion the orders in which we post transactions to your account.

You agree that we may determine in our discretion the categories, the transactions within a category, the order among categories, and the posting orders within a category. We sometimes add or delete categories, change posting orders within categories and move transaction types among categories. You agree that we may in our discretion make these changes at any time without notice to you.

Posting Orders Determined at End of Day

We receive credits, debits and holds throughout the day. Regardless of when during the day we receive transactions for your account, you agree that we may treat them as if we received all transactions at the same time at the end of the business day.

During the day, we show some transactions as processing. As an example, we show some transactions as processing on the Account Details screen in Online Banking. Please note that transactions shown as processing have not been posted yet. The posting order for these transactions is determined at the end of the day, with the other transactions we receive for that day.

You should note that often we do not receive debits on the same day that you conduct them. As an example, when you use your debit card to pay for a purchase at a merchant and sign for the transaction, we usually receive an authorization request from the merchant the same day, but we might not receive the final debit card transaction for payment and posting until several days later.

We generally post credits and debits to your account, and report them on your statement, in a different order than the order in which you conduct them or we receive them.

Payable on Death (POD) Designation

You may designate to whom you wish funds in your account to be payable in the event of your death, subject to the following terms and conditions:

- Accounts held in the names of two or more persons (Account Owners) will become payable to the designated Payable on Death beneficiary or beneficiaries only upon the death of all account Owners.
- Where there is more than one beneficiary, the funds in your account will be paid to each of the beneficiaries.
- The share of any beneficiary who predeceases the account Owner(s) will be paid to the remaining beneficiary or beneficiaries, if there are any.
- You may change your designated beneficiary or beneficiaries at any time by submitting a request.

Payment made in accordance with provisions of your Payable on Death designation will discharge the Bank from liability for funds so paid, unless prior to payment the Bank has been served with a court order or other appropriate legal process restraining payment.

Post-Dated Checks

We agree not to pay an Item that you have postdated before the date shown on the Item only if we receive reasonable advance written notice from you before the Item is presented, and you follow the procedures for and pay the fees associated with a Stop Payment Order. Your notice to us must specify the payee, date, amount, and Item number and the fact that you have postdated it. Notices regarding postdated Items are effective only for six (6) months from the date of the Stop Payment Order, and must be renewed to continue to be effective beyond that time. You agree that we may return a postdated Item to the presenter before the date shown on the Item without liability for wrongful dishonor. We may pay or dishonor a check more than six (6) months old without prior notice to you.

Powers Of Attorney

An account owner granting a power of attorney over a Deposit Account is called the " Principal", and the person acting for the Principal is called the attorney-in-fact, or " Agent". We may refuse to accept a power of attorney for any reason, and we will require verification through direct contact with the Principal and the Principal's legal counsel. We may require the Agent to sign an affidavit stating that the power of attorney presented to us is a true copy and that the Principal continues to be alive and competent and that the relevant powers of the Agent have not been amended or terminated. The Agent is responsible to us if any information in an affidavit furnished to us

is untrue or materially misleading or if the Agent exceeds the authority granted by the Principal in the power of attorney. The Agent is required to notify us in writing if the Principal or any other account owner dies or is declared incompetent. Upon death or declared incompetence of the Principal, the Agent's power of attorney ceases.

Prohibited Transactions

We strictly prohibit the use of any account to conduct transactions (including, without limitation, the acceptance or receipt of credit or other receipt of funds through an electronic funds transfer, or by check, draft, or similar instrument, or the proceeds of any foregoing) related, directly or indirectly, to federally controlled substances. You agree not to conduct any transactions through the account, which directly or indirectly involve or are related to federally controlled substances, including, without limitation, the acceptance or receipt of any funds or deposits in connection therewith. You also agree not to use your account or any other illegal activity.

Reclassification of Deposit Accounts

Under federal law, we are required to classify our deposits a certain way for regulatory reporting purposes. The following disclosure explains a change we may make to your Account that, ultimately, has no effect on your Account. We are simply changing the way we report deposit accounts to the government. The change to your Checking Account will not affect your available balance, interest earnings, FDIC insurance, or bank statement. The Account will consist of a checking sub-account and a savings sub-account, and the Bank may periodically transfer funds between these two sub-accounts. On a sixth transfer during a calendar month, any funds in the savings sub-account will be transferred back to the checking sub-account. If your Account is a plan on which interest is paid, your interest calculations remain the same. Otherwise, the savings sub-account will be governed by the rules governing our other savings accounts. This change will be transparent to you and will not affect your statement, any terms and conditions of your account, or any other items in your account.

Setoff

You agree that we have the right (without prior notice and when permitted by law) to set-off the funds in a Deposit Account against any amount due and payable to us by you. This right of set-off does not apply to your Deposit Account to the extent restricted or prohibited by law or contract.

Stale-Dated Checks

We may choose to pay or not to pay, or accept for deposit, any check presented more than 6 months after the date written on the check unless there is a valid stop payment order in effect. We are not responsible for any liability you may incur as a result of our decision to pay, not to pay or accept for deposit such an item.

Stop Payment Request

To place a stop payment order on a check or other Item (" Stop Payment Order"), you can use the Website after you login, or write to Customer Service, 4350 La Jolla Village Drive, Suite 140, San Diego, CA 92122. If you use the Website, you must fully complete the Stop Payment Request or the ACH Stop Payment Request Order form. If you use any other method to place the Stop Payment Order, your communication must include the exact amount of the check or other Item, the number of the check, your Deposit Account number, and the name of the payee. We cannot be responsible for the consequences of paying an Item if it is not described with reasonable certainty, or if we are not given reasonable time to place the stop payment. Our acceptance of a Stop Payment Order does not constitute a representation that the Item has not already been paid or that we have a reasonable opportunity to act upon the order. We require written or Website confirmation prior to accepting a Stop Payment Order.

Duration of Order. Written Stop Payment Orders, and stop payments entered online, are effective for six (6) months and must be renewed by you to continue to be effective after that time. There is a charge for each Stop Payment Order request and for each renewal.

Hold Harmless. You agree to hold us harmless from all liability because we refuse to pay an Item subject to your Stop Payment Order. If we re-credit your Deposit Account after paying an Item over a valid and timely Stop Payment Order, you agree to sign a statement describing the dispute you have with the payee, to transfer to us all of your rights against the payee or other holder of the Item, and to assist us in any attempt we make to recover the funds from that person.

Unsigned Drafts. If you voluntarily give information about your Deposit Account (such as our routing and transit number and your account number) to a person who is seeking to sell you goods or services or collect a debt, we may consider any resulting debit as authorized by you, even if you did not physically deliver a check to the person or personally sign the instrument, unless you notify us to the contrary in accordance with our rules on Stop Payment Orders. If we receive pre-notification of a transaction, we will make a reasonable attempt to notify you of the pending transaction.

Cashier's Checks, We will accept a stop payment order for a Cashier's Check only if it has been lost, stolen or destroyed. We will not issue a replacement check sooner than 90 days after the issue date of the Cashier's Check.

Substitute Checks, Indemnified Copies, Images and Image Replacement Copies

In some cases, we may receive an indemnified copy of your original check, an image replacement document (IRD), a substitute check or an image of your check, instead of the original item. We may act upon presentment of an IRD, indemnified copy, substitute check or image of your check, and pay these items against your account, just as if the original item had been presented.

Unclaimed Property - Accounts Presumed Inactive or Abandoned

We define inactive as no customer initiated activity, other than interest posting, and no contact between the customer and the Bank for a minimum period of 24 months. If your account is dormant, the Bank may hold all statements on your account, but the Bank's normal maintenance, *service* and other fees will continue to be assessed except where prohibited and ATM and POS access may be blocked. Each state has laws that govern when accounts are considered "abandoned" and when we are required to send a customer's funds to the state. This definition may not be consistent with the laws of your state; however, in accordance with California State law, if an account remains in an inactive status for three years, the funds are considered abandoned. We will send you a letter if it's possible that your account is at risk of being transferred to the state. Dormant accounts (if interest bearing) will continue to earn interest, and will be subject to such service charges as may be shown on the Schedule of Fees herein. We will attempt to notify owners of inactive accounts with an e-mail notice to review their account and to communicate with us about it. We will surrender the funds in your inactive account to the state of your last known address on file at the Bank if the account remains inactive for the time period designated by that state. Accounts with a foreign address on file will be surrendered to the state of California. Once the account is turned over to the state, you may reclaim the funds by presenting adequate proof of ownership to the appropriate state. We will have no further liability to you for such funds. When the funds in your account are delivered to the state, your account is closed, and no interest accrues. We encourage you to make sure your accounts remain active so you have full use of your accounts, and avoid the potential of having your account funds transferred to the state as "abandoned or unclaimed property".

Checking and Savings Accounts - Truth in Savings Disclosure

From time to time, we may offer you or you may open a variety of deposit accounts. Each such account (the "Account") is subject to the general terms and conditions and any specific terms and conditions relating to that type of account that may be set forth in this Agreement. This disclosure describes the terms, services and the interest calculation with respect to the Deposit Accounts opened through the Bank's Website. All Checking and Savings accounts are variable accounts and these rates are subject to change without notice. This Truth in Savings disclosure refers to the Schedule of Fees herein.

Interest

If your account earns Interest, the following information applies unless otherwise specified in the description for your account type:

Rate Information:

- The interest rate and corresponding APY for savings and money market accounts are variable and are set at our discretion.
- Your interest rate and annual percentage yield may change.
- Fees may reduce earnings.
- At our discretion, we may change the interest rate on your account.
- We may change the interest rate on your account at any time.
- Interest rates and APYs for different balance ranges are listed on the Bank's website.
- We reserve the right to change balance ranges or apply the same interest rate to more than one range.

Balance Computation Method: We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the balance in the account each day.

Compounding and Crediting: Interest is compounded daily and calculated on a 365/366 day basis. Interest is credited on a monthly basis.

Accrual of Interest on Noncash Deposits: Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

Right to require advance notice of withdrawals: For all savings accounts and all interest-bearing checking accounts, we reserve the right to require seven days' prior written notice of withdrawal. Although we usually pay withdrawals or checks without prior notice on these accounts, doing so does not mean that we give up that right.

Limitations on Withdrawals

The Bank may choose to impose limits on the number of certain types of withdrawals and transfers you can make each month from your savings or money market account. Please note, that these limits do not apply to withdrawals or transfers made at a branch, by mail or at an ATM. You can make no more than a combined total of six (6) per month or monthly statement cycle (subject to Available Balance) from among the following:

- Preauthorized transfers (including transfers for overdraft protection)
- Telephone transfers or other electronic transmissions
- Online Banking and Mobile Banking transfers or bill payment transfers
- Transfers by check, draft, debit card, if allowed on your savings account
- We count checks for the purposes of transaction limitations as of the date the check posts to your account (not as of the date you write them)

In addition, each time a transfer is paid against your account in excess of those allowed by the Bank, you will be assessed an "Excess Transaction or Withdrawal Fee". See Schedule of Fees herein.

If you exceed the transfer limits on more than an occasional basis, we may convert your account to one not subject to transfer limitations or close your account. If we close or convert your account, you will receive a separate communication from us informing you of our actions.

We may refuse to allow any withdrawals without the Bank creating liability to you, if we have a concern that one or more transactions on your account may have been unauthorized or fraudulent, if there is a dispute concerning the Deposit Account that makes us uncertain regarding the instructions that have been given, the Deposit Account is garnished or attached, the Deposit Account has been pledged to the Bank as collateral for a debt, the availability of the funds on deposit cannot be verified, any required documentation has not been presented, or you have failed to repay an obligation to us on time.

Certificates of Deposits Accounts (CDs)

When you open a Certificate of Deposit Account, you agree to keep your funds in the account until the maturity date. You must deposit at least $1,000 to open a Certificate of Deposit Account. We provide a confirmation notice that serves as the certificate. Certificates of deposit are opened for a fixed amount and held for a specific term. Withdrawal prior to the maturity of the term selected will result in an early redemption fee which will substantially reduce the interest earned and could result in the loss of some of the principal.

Types of Certificate of Deposit (CD) Accounts

Interest rates on Certificate of Deposit Accounts will vary based on the term requested. The interest rate and

annual percentage yield (APY) on the Certificate of Deposit Account is determined on the day we receive your application. This rate is reserved for a period of 5 business days to allow time for your deposit to arrive. Our current rates and annual percentage yields (APY) for time deposits as of today can be found at our Website, www.axosbank.com

Interest

We use the daily balance method to calculate the interest on your account. Interest begins to accrue on the business day you deposit non-cash items (for example, checks). Interest is compounded daily and credited monthly. We may change the interest rate from time to time, at our discretion. The annual percentage yield (APY) assumes that interest remains on deposit until maturity. A withdrawal of interest will reduce earnings. You must maintain the entire balance in the account until maturity to obtain the disclosed annual percentage yield.

Terms

Terms for Certificates of Deposit are offered in monthly increments up to five years.

Maturity Options

Personal Certificate of Deposit (CDs) Accounts automatically renew for the same term and at the current interest rate then paid for the term in which the Account was renewed. Special 13-Month Certificate of Deposit will automatically renew for 12-Months and at the current interest rate. The current interest rates are always available on our Website. You may also email or call us on the maturity date and we can tell you what the interest rate will be for the next renewal term.

In the event you wish to close out your Certificate of Deposit Account at maturity, you can contact us via secure email, telephone or provide instructions in writing. Close out funds can be provided either by bank check or via a wire transfer. In the event you elect to transfer funds via a wire transfer, the Bank's Wire Transfer Form is to be completed and forwarded to the Bank, a fee will apply.

Grace Period

If the Certificate of Deposit Account automatically renews, you have 10 days from the maturity date that you can make changes to your CD's term, rate, or make additional deposits or withdraw funds without penalty before it automatically renews for the same term. This time period is referred to as the "Grace Period". Interest earned during one term that is not withdrawn during or within the ten-day grace period immediately after that term is added to principal for the renewal term. If you close the Certificate of Deposit during the grace period, you will forfeit any interest accrued since the maturity date.

Early Withdrawal Penalty

You have contracted to keep your funds on deposit for the agreed term. You may not withdraw all or part of a CD except as provided in this Agreement. At our discretion, we may allow you to withdraw all or part of your funds at times other than the grace period. We withdraw interest before principal. Each time we permit you to make an early withdrawal of principal; we may charge you an early withdrawal penalty. If your account has not earned enough interest to cover an early withdrawal penalty, we deduct any interest first and take the remainder of the penalty from your principal.

If we are required to pay an amount from your CD (i.e. levy or garnishment), we may charge you an early withdrawal penalty, calculated on the amount withdrawn from the CD.

Standard Early Withdrawal Penalty. On a Certificate of Deposit account, we will impose a penalty if you withdraw any or all of the principal before the maturity date. The penalty imposed will be determined by the following schedule based on the number of days in the stated term. We calculate the standard early withdrawal penalty on the principal amount withdrawn. Please note that the term of the CD is the specified period of time you agreed to leave your funds on deposit – not the time remaining until maturity of your CD.

- CD term of 3 thru 5 months, one and a half months' loss of interest, accrued or not;
- CD term of 6 thru 11 months, three months' loss of interest, accrued or not;
- CD term of 12 thru 23 months, six months' loss of interest, accrued or not;

- CD term of 24 thru 35 months, twelve months' loss of interest, accrued or not;
- CD term of 36 thru 47 months, eighteen months' loss of interest, accrued or not;
- CD term of 48 months or greater, twenty-four months loss of interest, accrued or not.

The above schedule applies to personal CD accounts only.

Retirement Certificate of Deposit (CD) Accounts

When you open a retirement CD account, you agree to keep your funds in the account until the maturity date. You must deposit at least $1,000 to open a retirement CD account. We provide a confirmation notice that serves as the certificate. Retirement CD accounts are opened for a fixed amount and held for a specific term. Withdrawal prior to the maturity of the term selected will result in an early withdrawal penalty which will substantially reduce the interest earned and could result in the loss of some of the principal. Please refer to Schedule of Fees herein for additional fees.

Types of Retirement CD Accounts

Interest rates on retirement CD accounts will vary based on the selected terms. The interest rate and annual percentage yield (APY) on the retirement CD account are determined on the day we receive your application. However, IRS regulations require funds to be received by us by certain contribution and rollover deposit deadlines. If the funds are received by us after the IRS deadlines, the deposit will be declined.

Interest

We use the daily balance method to calculate the interest on your retirement CD account. This method applies a daily periodic rate to the daily Collected Balance in the account. Interest begins to accrue on the business day you deposit non-cash items (for example, checks). Interest is compounded daily and credited monthly. We may change the interest rate from time to time, at our discretion. The annual percentage yield (APY) assumes that interest remains on deposit until maturity. A withdrawal of interest will reduce earnings. You must maintain the entire balance in the account until maturity to obtain the disclosed annual percentage yield.

Terms

Terms for retirement CD accounts are offered as follows:

- 6 months
- 12 months
- 18 months
- 36 months

Maturity Options

Retirement CD accounts automatically renew for the same term and at the current interest rate then paid for the term in which the account was renewed. Email or call us on the maturity date and we can tell you what the interest rate will be for the next renewal term. Retirement CD accounts can be closed either as a distribution or a transfer. To close your retirement CD account as a distribution, you must contact us via secure email or telephone and provide information on how the funds are to be remitted and your elections on federal and state tax withholding. The appropriate withdrawal form will then be sent to you and must be signed by you and returned to us prior to the retirement CD account closing. Distribution of the funds will be sent to you via bank check payable to you, or to your non-retirement checking or savings account by ACH payment. In the event you elect an ACH payment you will provide the following:

- Name of the receiving institution

- Routing number of the receiving institution
- Account number and type of account (either checking or savings) at the receiving institution.

In addition, you agree not to hold Bank responsible for any delay or loss of funds due to incorrect or incomplete information supplied by you or by your financial institution or due to an error on the part of your financial institution in depositing the funds to your account.

To close your Retirement CD account as a transfer to a retirement account held at another institution, we must receive the appropriate, completed Transfer Request form from that institution. Funds transferred to a retirement account at another institution are sent via bank check.

Grace Period

If the retirement CD account automatically renews, you have 10 calendar days from the maturity date during which you may make changes to your retirement CD's term or rate, or make additional deposits or withdraw funds without penalty before the account automatically renews for the same term. This time period is referred to as the "Grace Period". Interest earned during one term that is not withdrawn during or within the ten-calendar-day grace period immediately after that term is added to principal for the renewal term. If you close the retirement CD during the Grace Period, you will forfeit any interest accrued since the maturity date.

NOTE: If you wish to make an additional deposit during the retirement CD Grace Period, you must contact us via secure email or telephone and provide information on the type of deposit being made. The appropriate form will then be sent to you and must be signed by you and returned to us prior to the deposit being posted. In addition, the funds must be received by us within the IRS deadlines. If the funds are received by us after the IRS deadlines, the deposit will be applied to the current year contribution. If you wish to take a distribution of funds, refer to the requirements in the Maturity Options section above.

Early Withdrawal Penalty

You have agreed to keep your funds on deposit for the term you selected. You may not withdraw all or part of a retirement CD except as provided in this Agreement. At our discretion, we may allow you to withdraw all or part of your funds at times other than the Grace Period. We withdraw interest before principal. Each time we permit you to make an early withdrawal of principal, we may charge you an early withdrawal penalty. If your account has not earned enough interest to cover the early withdrawal penalty, we deduct any interest first and take the remainder of the penalty from your principal.

NOTE: An early withdrawal penalty will not be charged for Required Minimum Distributions (RMDs) for CDs held at Axos Bank.

If we are required to pay an amount from your retirement CD (e.g., levy or garnishment), we may charge you a CD penalty, calculated on the amount withdrawn from the retirement CD. If the levy is from the IRS, federal tax will be withheld and, depending on state laws, state tax may also be withheld. You can elect to have no tax withheld by contacting us via secure email or telephone and requesting a withdrawal form. The withdrawal form will be sent to you and must be signed by you and returned to us prior to the levy deadline for remitting the funds.

Standard Early Withdrawal Penalty

On a retirement CD account held at Axos Bank we will impose a penalty if you withdraw any or all of the principal before the maturity date, with the exception of required minimum distributions. The penalty imposed will be determined by the following schedule based on the number of days in the stated term. We calculate the standard early withdrawal penalty on the principal amount withdrawn. Please note that the term of the retirement CD is the specified period of time you agreed to leave your funds on deposit – not the time remaining until maturity of your retirement CD.

- Retirement CD term of 6 months, three months loss of interest, accrued or not.
- Retirement CD term of 12 months or 18 months, six months loss of interest, accrued or not.
- Retirement CD term of 36 months, eighteen months loss of interest, accrued or not.

The above schedule applies to retirement CD accounts only.

Legacy Accounts

Axos Bank is no longer accepting applications for Legacy products as listed in the Legacy Accounts disclosure found at www.axosbank.com/legal/disclosures.

Time to Bring Legal Action

To the fullest extent permissible by applicable law, unless another time is provided in another provision of this Agreement, an action or proceeding by you to enforce an obligation, duty, or right arising under this Agreement or under applicable law must be commenced within one year after the cause of action accrues.

Dispute Resolution Program–Arbitration

(1) *Claims Subject to Arbitration:* Except as specified in paragraph (2) below, any dispute or claim between you and us must be arbitrated if either party elects arbitration of that dispute or claim. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:

- claims arising out of or relating to any aspect of the relationship between you and us, whether based in contract, tort, fraud, misrepresentation, or any other statutory or common-law legal theory;
- claims that arose before this or any prior agreement (including, but not limited to, claims relating to advertising or disclosures for any of our products or services);
- claims for mental or emotional distress or injury not arising out of bodily injury;
- claims asserted in a court of general jurisdiction against you or us, including counterclaims, cross-claims, or third-party claims, that you or we elect to arbitrate in the answer or other responsive pleading;
- claims relating to the retention, protection, use, or transfer of information about you or any of your accounts for any of our products or services;
- claims relating to communications with you, regardless of sender, concerning any of our products or services, including emails, automatically dialed calls, calls with prerecorded or artificial voice, and text messages; and
- claims that may arise after the termination of this Agreement.

In this arbitration provision only, references to " we" and " us" mean the financial institution and its past, present, and future parents, subsidiaries, affiliates, and each of these entities' predecessors, successors, assigns, agents, and employees. In this arbitration provision only, references to " you" mean the account owners, all authorized or unauthorized users or beneficiaries of the account, each of those person's assignees, heirs, trustees, agents, or other representatives, and if the account owner is a business, the account owner's parents, subsidiaries, affiliates, and each of those entities' predecessors, successors, assigns, agents, and employees. This arbitration agreement does not preclude you or us from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against you or us on the other's behalf. Nor does this arbitration agreement preclude either you or us from exercising self-help remedies (including setoff), and exercising such a remedy is not a waiver of the right to invoke arbitration of any dispute. You and we each waive the right to a trial by jury or to participate in a class action whenever either you or we elect arbitration. This agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision shall survive termination of this agreement.

(2) *Claims Not Subject to Arbitration:* You and we agree that the following disputes or claims cannot be arbitrated:

- claims arising from bodily injury or death;
- claims seeking only individualized relief asserted by you or us in small claims court, so long as the action remains in that court and is not removed or appealed de novo to a court of general jurisdiction;
- claims to collect debts owed pursuant to an extension of credit under a separate agreement or note (such as a separate loan agreement, promissory note, guaranty, mortgage, or deed of trust), including, without limitation (a) the exercise of self-help remedies when permitted by applicable law, (b) the initiation of judicial

or non-judicial foreclosure against real or personal property, (c) the exercise of any power of sale rights, or (d) the petitioning for the appointment of a receiver or similar relief;

- disputes over the scope and enforceability of this arbitration provision, including whether a dispute or claim can or must be brought in arbitration or whether paragraphs (7) or (8) of this arbitration provision have been violated; and
- disputes over whether paragraphs (3) or (4) of this arbitration provision has been violated, for purposes of awarding relief that a court can award under those paragraphs.

(3) *Pre-Arbitration Notice of Disputes and Informal Resolution:* Before either you or we commence arbitration, the claimant must first send to the other a written Notice of Dispute ("Notice"). The Notice to us should be sent by U.S. mail or professional courier service to: 4350 La Jolla Village Dr., Suite 140, Attention: Office of the Chief Legal Officer, San Diego, CA 92122 (" Notice Address"). The Notice to you will be sent to your address on file with your account. The Notice must (a) include the claimant's name, phone number, and mailing and email address, as well as the account number(s) at issue; (b) describe the nature and basis of the claim or dispute; and (c) set forth the specific relief sought. The Notice must be personally signed by you in ink (if you are the claimant) or by our representative (if we are the claimant). To safeguard your account, you might be required to provide both your authentication and consent for us to discuss your account or share your account information with anyone but you, including an attorney (" Authentication and Consent").

Whoever sends the Notice must give the other party 60 days after receipt of a complete Notice (including your Authentication and Consent, if required) to investigate the claim. During that period, either you or we may request an individualized discussion (by phone call or videoconference) regarding settlement (" Informal Settlement Conference"). You and we must work together in good faith to select a mutually agreeable time for the Informal Settlement Conference (which can be after the 60-day period). You and our representative must both personally participate, unless otherwise agreed in writing. Your and our lawyers (if any) also can participate.

Any applicable statute of limitations or contractual limitations period will be tolled during the " Informal Resolution Period." The Informal Resolution Period is the number of days between the date that a complete Notice (including Authentication and Consent, if required) is received by the other party and the later of (i) 60 days later or (ii) the date the Informal Settlement Conference is completed, if timely requested.

(4) *Commencing Arbitration:* An arbitration proceeding cannot be commenced until after the Informal Resolution Period has ended and the pre-arbitration requirements in paragraph (3) have been satisfied. (Paragraph (8) has additional requirements for commencing certain coordinated arbitrations.) A court will have authority to enforce this paragraph (4), including the power to enjoin the filing or prosecution of arbitrations without first providing a complete Notice and participating in a timely requested Informal Settlement Conference. The court also may enjoin the assessment or collection of arbitration fees incurred as a result of such arbitrations. Further, unless prohibited by applicable law, the arbitration provider shall not accept or administer any arbitration or assess any fees in connection with an arbitration unless the claimant has complied with the Notice and Informal Settlement Conference requirements of paragraph (3).

(5) *Arbitration Procedure:* The arbitration will be governed by the Consumer Arbitration Rules (" AAA Rules") of the American Arbitration Association (" AAA"), as modified by this arbitration provision, and will be administered by the AAA. (If the AAA is unavailable or unwilling to administer arbitrations consistent with this arbitration provision, another arbitration provider shall be selected by the parties or by the court.) The AAA Rules are available online at www.adr.org or by writing to the Notice Address.

Unless you and we agree otherwise, any arbitration hearings will take place in the county of your address on file with your account. If appropriate, the arbitrator may hold hearings by telephone or videoconference or decide matters on the basis of papers submitted by the parties. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based.

Except as provided in paragraph (7) below, the arbitrator shall apply the same substantive law that a court would apply and can award the same individualized remedies (including statutory damages and statutory attorney's fees and costs) that a court could award under applicable law or this Agreement. The arbitrator may consider rulings in arbitrations involving different customers, but an arbitrator's ruling will not be binding in proceedings involving different customers. As in court, you and we agree that any counsel representing someone in arbitration certifies

that they are complying with the requirements of Federal Rule of Civil Procedure 11(b), and the arbitrator is authorized to impose any sanctions available under that rule, the AAA Rules, or applicable federal or state law against all appropriate represented parties or counsel.

(6) *Arbitration Fees:* We will pay all AAA filing, administration, case-management, hearing, and arbitrator fees (" AAA Fees") if we initiate an arbitration. If you initiate arbitration of claims of $10,000 or less, we will pay the AAA Fees, so long as you have fully complied with the requirements in paragraph (3). In such cases, we will pay the filing fee directly to AAA upon receiving a written request from you at the Notice Address or, if AAA requires you to pay the filing fee to commence arbitration, we will send that amount to the AAA and request that the AAA reimburse you. If, however, the arbitrator finds that you or your counsel have violated the standards of Federal Rule of Civil Procedure 11(b)), then the payment and allocation of AAA Fees will be governed by the AAA Rules, and you may be required to reimburse us for AAA Fees that we paid on your behalf.

Notwithstanding the foregoing, if Coordinated Arbitrations as described in Paragraph (8) below are brought against us, we will pay only that portion of the AAA Fees required by the AAA rules, and only as set forth in Paragraph (8) below and otherwise in this Agreement. In such an instance, you will be required to pay your portion of the AAA Fees as required by the applicable AAA rules. Additionally, if you initiate individual claims seeking in excess of $10,000, you will be required to pay your portion of the AAA Fees as required by the applicable AAA rules.

(7) *Requirement of Individual Arbitration:* The arbitrator may award relief (including damages, restitution, and declaratory or injunctive relief) only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. YOU AND WE AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR OUR INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, REPRESENTATIVE, OR PRIVATE ATTORNEY GENERAL PROCEEDING.
Further, unless both you and we agree otherwise, the arbitrator may not consolidate the claims of more than one person (except for the claims of co- or joint account owners pertaining to that account) and may not otherwise preside over any form of a representative, class, or private attorney general proceeding. If, after exhaustion of all appeals, any of these prohibitions on non-individualized relief and proceedings or on consolidation are found to be unenforceable, then all other aspects of the case must be arbitrated first. After completing arbitration, the remaining (non-arbitrable) aspects of the case will then be decided by a court.

(8) *Coordinated Arbitrations:* If 25 or more claimants submit Notices or seek to file arbitrations raising similar claims and are represented by the same or coordinated counsel (whether the cases are pursued simultaneously or not), all the cases must be resolved in staged proceedings. You agree to this process even though it may delay the arbitration of your claim. In the first stage, we and claimants' counsel will each select up to 25 cases (50 cases total) to be filed in arbitration and resolved individually by different arbitrators. In the meantime, no other cases may be filed or proceed in arbitration, and the arbitration administrator must not assess or demand payment of fees for the remaining cases or administer or accept them.

The arbitrators are encouraged to resolve the cases within 120 days of appointment or as swiftly as possible thereafter, consistent with fairness to the parties. After the first stage is completed, the parties must engage in a single mediation of all remaining cases, with us paying the mediation fee. If the parties cannot agree how to resolve the remaining cases after mediation, they will repeat the process of selecting and filing up to 50 cases to be resolved individually by different arbitrators, followed by mediation.

If any claims remain after the second stage, the process will be repeated until all claims are resolved, with four differences. First, a total of 100 cases may be filed in the third and later stages. Second, the cases will be randomly selected. Third, arbitrators who decided cases in the first two stages may be appointed in later stages if different arbitrators are not available. Fourth, mediation is optional at the election of both us and claimants' counsel.

Between stages, counsel will meet and confer regarding ways to improve the efficiency of the staged proceedings, including whether to increase the number of cases filed in each stage. Either party may also negotiate with the arbitration administrator regarding the amount or timing of arbitration fees.

If this paragraph applies to a Notice, the Informal Resolution Period for the claims and relief set forth in that Notice will be extended (including the tolling of any limitations periods) until that Notice is selected for a staged proceeding, withdrawn, or otherwise resolved. A court will have the authority to enforce this paragraph, including by enjoining the mass filing, the prosecution or administration of arbitrations, or the assessment or collection of arbitration fees.

This paragraph is intended to be severable from the rest of this arbitration provision. If, after exhaustion of all appeals, a court decides that the staging process is not enforceable, then the cases may be filed in arbitration and the payment of arbitration fees will be assessed as the arbitrations advance and arbitrators are appointed rather than when the arbitrations are initiated.

(9) *Military Lending Act:* If you are a covered member of the armed forces or the dependent of a covered member within the meaning of the Military Lending Act and your Agreement with us involves an extension of consumer credit under that Act, then you are not required to arbitrate disputes.

Forum Selection

Except for claims to collect debts owed pursuant to an extension of credit under a separate agreement or note, unless you and we agree otherwise, to the greatest extent permitted by law, the state and federal courts in San Diego, California will have exclusive jurisdiction over any disputes (except for disputes brought in small claims court) that are not subject to arbitration or over any action involving the applicability or enforceability of the section entitled Dispute Resolution Program – Arbitration. You and we consent to the jurisdiction of those courts and waive any objections as to personal jurisdiction or as to the laying of venue in such courts due to inconvenient forum or any other basis or any right to seek to transfer or change venue of any such action to another court.

Funds Availability Disclosure for Personal Accounts

Your Ability to Withdraw Funds

This policy applies to deposits into accounts that are opened at the Bank. All deposits are processed at the Bank's processing facility located in San Diego, CA, and are received either electronically or through the mail. Please do not send cash deposits. In the event Bank receives cash deposits, you agree that Bank's determination of the amount of the deposit will be conclusive. The Bank is responsible for mailed deposits only after the Bank has received them. The Bank is not liable for any deposits, including cash, lost in the mail. Remember: when you use the U.S. mail to make a deposit, you will need to allow extra time for the deposit to reach us.

The Bank's policy is to make funds from certain electronic deposits available to you on the business day the Bank receives the deposit. However, the Bank may delay the availability of funds from your check deposits to afford us time to verify the deposit and ensure the funds are collected. During the delay, you may not withdraw the funds and the Bank will not use the funds to pay checks you have written or other debits against the account that you have initiated, such as electronic bill payments.

Determining the Availability of a Deposit

The length of the delay is counted in Business Days from the day of your deposit. Every day is a Business Day, except Saturdays, Sundays, and federal holidays. If you make a deposit before our established cutoff time on a business day that we are open, we will consider that day to be the day your deposit is received by the Bank. However, if you make a deposit after our cutoff time or on a day we are not open, we will consider the next business day we are open to be the day of your deposit. The availability of your deposit varies depending on the type of deposit and is explained below.

Our deposit cutoff times are as follows:

- Branch deposits:
    - California: 5pm Pacific Time for same-day processing
    - Nevada: 5pm Pacific Time for same-day processing (does not accept cash transactions)
- Axos ATM deposits:
    - Axos Bank ATMs: 5pm Pacific Time for same-day processing
    - Non-Axos Bank ATMs: 2:30pm Central Time for same-day processing
- Check deposits made via the Mobile Banking app: 3pm Pacific Time

- Electronic credits (such as Direct Deposit or account transfers): Credit received at least 2 days before the settlement date, will be posted by 8:30am Central on the date specified as the settlement date

This funds availability policy does not apply to checks drawn on banks located outside the United States of America.

Interbank Transfers initiated from your Online Banking account will be made available upon actual and final credit of the funds. This is typically within 3 to 5 Business Days.

Note: At its discretion, the Bank may decline to accept any item for deposit.

Other Check Deposits

Checks are available as follows:

Checks: The first $275 from a deposit of checks will be available on the first business day after the day of your deposit. The remaining funds from a deposit of checks will be available on the second business day after the day of your deposit. For example, if you deposit a check of $700 on Monday, $275 of the deposit is available on Tuesday. The remaining $425 is available on Wednesday.

If we are going to take longer to make all of the funds from these types of deposits available as disclosed above, we will notify you by mail or e-mail within one business day after we receive your deposit. We will also tell you when the funds will be available.

Longer Delays May Apply

In some cases, we will not make all funds that you deposit by check available to you by the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first $275 of your deposits, however, may be available no later than the first business day after your deposit. If we are not going to make all funds from your deposit available by the first business day after the day of your deposit, we generally notify you by mail or e-mail if the

Bank delays your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit. If you need the funds from a deposit right away, you should ask when the funds will be available.

We may delay the availability of funds you deposit by check for a longer period under the following circumstances:

- The Bank believes a check you deposited will not be paid;
- You deposited checks totaling more than $6,725 on any one day;
- You redeposit a check that has been returned unpaid;
- You have overdrawn your account repeatedly in the last six months; or
- There is an emergency, such as failure of communications or computer equipment.

Special Rules for New Accounts:

If you are a new customer, the following special rules will apply during the first thirty (30) days your account is open:

- Funds from electronic direct deposits to your account will be available on the day we receive the deposit.
- Funds deposited using Mobile Deposit services will generally be available by the fifth (5th) business day after the day of your deposit.
- Funds from deposits of cash and wire transfers will be available the first business day after the day of your deposit. The first $6,725 of a day's total deposits of traveler's, cashier's, certified, teller's and federal, state and local government checks will be available the first business day after the day of your deposit, if the deposit meets certain conditions. For example, the check is deposited into an account held by the payee and in person to an employee of the bank. The excess over $6,725 will be available on the seventh (7th) business day after the day of your deposit. If your deposit of these checks (other than a US Treasury check) is not made in person to one of our employees, the first $6,725 will not be made available until the second business day after the deposit.
- Funds from all other check deposits will be available on the seventh (7th) business day after the day of your deposit.

NOTE: A five (5) business day hold will be placed on your initial deposit when the Bank is initiating the transfer via the automated clearing house from your external bank account on your behalf.

Cash Withdrawal Limitations

If we delay availability of your deposit, we place certain limitations on withdrawals in cash. In general, $275 of a deposit is available for withdrawal in cash on the first business day after the day of deposit. In addition, a total of $550 of other funds becoming available on a given day is available for withdrawal in cash at or after (time no later than 5:00 pm (PT)) on that day. Any remaining funds will be available for withdrawal in cash on the following business day.

Holds on Other Funds (Check Cashing)

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you deposited it.

Deposits at Non-Axos Bank ATMs

Non-Axos Bank ATMs are part of ATM networks owned or operated by other financial institutions. You can use your card to deposit funds to accounts linked to your card as primary checking and primary savings. Deposits made at a non-Axos ATM by cash or check will be made available for withdrawal not later than the fifth business day following the banking day on which the funds are deposited. All ATMs that we own or operate are identified as our machines.

IMPORTANT CHECKING ENDORSEMENT STANDARDS FOR CONSUMER ACCOUNTS

Your compliance with the Bank's endorsement standards is necessary to help assure that the checks you deposit

will be cleared on a timely basis. Axos Bank's endorsement standards are:

Customer endorsements must be placed on the reverse side of the check where indicated by preprinted format.

The remaining area of the check cannot contain any preprinted, stamped or handwritten customer information.

Some checks or drafts may require personal endorsement.

Check 21 - Substitute Checks and Your Rights

What is a substitute check? To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check. Some or all of the checks that you receive back from us may be substitute checks. This notice describes the rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other laws with respect to those transactions.

What are my rights regarding Substitute Checks? In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, NSF check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You are also entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other laws.

If you use this procedure, you may receive up to $2,500 of your refund (plus interest if your account earns interest) within 10 business days after we receive your claim and the remainder of your refund (plus interest if your account earns interest) no later than 45 calendar days after we received your claim. We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do you make a claim for a refund? If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss, and
- A copy of the substitute check and/or the following information to help us identify the substitute checks: the check number, the name of the person to whom you wrote the check and the amount of the check.

Overdrafts and Nonsufficient Funds

When we determine that you do not have enough available funds (available balance plus any linked overdraft protection accounts) in your account to cover an item (including an ATM or Debit Card transaction), then we consider the item a non-sufficient funds item. If you have enrolled in our optional Overdraft Line of Credit Program and have enough funds in the linked account under the Overdraft Line plan, we transfer funds to cover an item

(including a check or an ATM or Debit Card transaction) or we transfer all of the funds in your line of credit if there is not enough to cover all the items (including a check or an ATM or Debit Card transaction). You may also establish a link from your checking account to a savings account or money market account to cover the shortfall in your checking account. Otherwise, without notice to you, we either authorize or pay the non-sufficient item and overdraw your account (an overdraft item) or we decline or return the non-sufficient item without payment (a returned item). All types of items, including Bank fees, may overdraw your account. We will look first to a linked account if you have established one, then to the Overdraft Line of Credit Program if you have enrolled, and then our standard overdraft program when determining to pay or return non-sufficient funds items.

We pay overdrafts at our discretion, which means we do not guarantee that we will always, or ever, authorize and pay them. If we authorize or pay an item and create an overdraft, you must pay back any overdraft immediately. Each Owner will be jointly and severally liable to pay back any overdraft created by any account Owner, even if the Owner did not write the check, initiate the transaction, benefit from it or make any deposits to the account. If we overdraw your account to pay items on one or more occasions, we are not obligated to continue to paying future non-sufficient funds items. We may also close your account due to overdraft activity. See Closing an Account. You agree that we may apply deposits (including, but not limited to, Social Security and similar benefits) to overdrafts without notice to or consent from you, unless the law states otherwise.

We may charge you a fee regardless of whether we authorize, pay or return an item. We may assess this fee for each item we authorize, pay or return. This means that if a merchant makes a second or third attempt to be paid after its first attempt is returned, we will treat it as separate Item subject to a separate fee if we pay or return it. See our Schedule of Fees herein.

Overdraft Protection

The Bank Offers overdraft protection services that may protect your account against overdrafts in the event you do not have sufficient available funds to cover an item authorized or presented for payment. Overdraft protection may be less costly than paying overdraft or Non-sufficient return item fees.

- *Overdraft Protection By Linked Accounts* – With this plan, you authorize the Bank to make an automatic transfer from your savings account to cover items presented for payment against non-sufficient funds to your designated checking account. These automated transfers are considered limited transfers and each transfer is counted as one of the six transfers from a savings account allowed per calendar month.

A transfer occurs from your savings account to cover items presented against non-sufficient funds. Transfers are made for the exact amount to cover the shortfall in Available Funds. If there are not enough funds to cover the Item, no transfer will be made.

Types of Transactions

We offer the following types of Electronic Fund Transfers (EFT) Services for your Checking Account.

Direct Deposits.

You can arrange for direct deposits to your checking and savings account(s).

Preauthorized Credits/Debits.

We accept, on your behalf preauthorized Credits/Debits drawn on your Deposit Accounts which allow unrestricted activity. Through our electronic bill payment service you are able to electronically transfer funds from your Deposit Account to other parties, provided the account allows such activity. We may conduct these transactions via Automated Clearinghouse (ACH) transfer. We may also accept and direct funds by wire transfer. Each of these services has unique fees associated with the transaction. Please consult our Schedule of Fees herein. When you provide the party initiating the withdrawal or deposit with advance authorization to make recurring ACH transfers to or from your Account, the transfers are referred to as " preauthorized transfers." Because these preauthorized transfers are performed electronically through the ACH, they are governed by federal regulations pertaining to EFT Services, which entitle you to certain benefits and protections in connection with the EFT Services, such as the right to receive a copy of your written authorization to make preauthorized transfers from your Account from the party that obtains it.

ATM and Point-of-Sale Transactions.

ATM Transactions. ATM Cards issued by us to you remain our property and you may be requested to return the Card to us at any time for any reason. Each card is used in conjunction with an authorizing Personal Identification Number (" PIN"). To guard against someone initiating a transaction that you have not authorized, you must take all reasonable precautions to prevent any other person from learning your PIN. If you permit or authorize another person to use your Card and PIN, you will be liable for all resulting transactions. You may use your Card at ATMs which are a part of an Electronic Funds Transfer service network to which the Bank belongs (" EFT network"). ATM withdrawals are available up to the daily authorization limits disclosed below, provided the available balance in the Deposit Account associated with your card is greater than or equal to the amount requested, plus any fees that may be charged along with the cash disbursement.

- Withdraw cash from your Checking Account.
- Find out your Checking Account balances.
- Transfer funds between your own accounts at the Bank (if available on the ATM in use).
- Withdraw cash from your Savings Account.
- Make deposits to your own accounts.

Note: We cannot assure that a specific ATM or EFT network will perform or permit all the above transactions. In addition, some or all transactions may be subject to a surcharge assessed by the terminal owner. Some fees and/or charges assessed by the terminal owner may be reimbursed to you in accordance with our published Schedule of Fees herein. Also, a specific ATM or EFT network may not provide you with access to all of your

Accounts or may automatically post withdrawals to certain account types (such as checking), rather than the account you selected. If you have a question regarding whether a certain ATM or EFT network will process a transaction, sign on to your online banking, call, e-mail or write us.

Point-of-Sale Transactions. You may use your Visa debit card to purchase goods and services from merchants that participate in certain EFT networks and have agreed to accept your Card as a means of payment. Purchases made with your Card are referred to as point-of-sale (" POS") transactions, and will be charged against your Checking Account. POS withdrawals may, at the Bank's discretion, be authorized even when the available balance is not sufficient.

Other Electronic Transfers.

Transfers to Your Other Accounts at the Bank. You may transfer funds to a Savings, Money Market, or Checking Account on the Website by logging into online banking.

Transfers to Third Parties. You can transfer funds from your Account to third parties (" Recipients") by entering payment instructions through our online banking Bill Payment Service. Once the transfer has occurred, it is irrevocable. Transfers using Zelle, Venmo, or a similar peer-to-peer payment provider may be susceptible to fraudulent activity. Please take care before authorizing any payments and ensure the recipient is someone you trust. We are not responsible if you authorize a payment that was fraudulently induced. We consider all payments to be authorized transactions unless you notify us immediately of unauthorized access to your account. Unauthorized transactions mean transactions initiated by someone other than you without your permission. If you have reason to believe that someone has your login credentials to have permission to make transactions, you must contact us immediately at 888.502.2967 or else any transactions initiated by that person will be considered authorized.

Terms Relating to Goods and Services Purchased using Electronic Transfers with an ATM or Visa Debit Card.

No Liability. The Bank is not responsible in any way for any goods or services you decide to purchase, including without limitation, their quality, safety, legality or delivery. The Bank will not become involved in any dispute involving such goods or services. You also agree to release the Bank and their respective directors, officers, employees and agents from any and all claims, demands and damages between persons using and accepting the Bank's ATM and Visa Debit Cards issued to you, including any claims, demands or damages arising out of or related to the purchase or sale of goods or services.

Rejected Funding Transactions. Payments are made solely out of funds on deposit with the Bank in accordance with the Banking Documents. If you fund your account through a credit card or ACH transaction, you may not dispute that transaction if you have transferred funds out of your account. If you are the recipient of a transfer from another Bank customer, and the sender reverses or charges back a transaction used to fund your transfer, Bank immediately and without notice or presentment may debit your account for the amount of the transfer, regardless of whether your account has a sufficient balance to fund the transaction. You are responsible for any overdraft created because of the reversal. You may incur interest, fees and charges in accordance with the Banking Documents if there are non-sufficient funds in your designated Account to cover such amount.

Limitations on Payments. The Bank may terminate access to the Bank's ATM and/or Visa Debit Card Services at any time for any reason, including without limitation (i) with respect to any recipient of transfers, if the Bank believes in its sole discretion that there are an excessive number of disputes involving customer use, or (ii) with respect to any third party, if the Bank believes in its sole discretion that the third party has initiated disputes without reasonable cause or in bad faith. The Bank also may reject a transaction or restrict your access to the Website to make further transactions at any time if it believes the security of your accounts or the Website is at risk or any fraudulent or illegal activity may be occurring, including evidence of unusual activity in your accounts.

Limitations on Transfers

Your Card transactions will be subject to daily limits as follows*:

- Cash withdrawal from an ATM using an ATM card - $310.00

- Cash withdrawal from an ATM using a Visa® Debit card - $1,010.00
- Point-of-sale transaction using your Visa® Debit card - $2,500.00

*For Second Chance Checking and Second Chance Savings products – please refer to product features for limits. For security reasons, we may further limit these amounts from time to time without notice. Non-sufficient funds activity involving an ATM or Visa Debit Card may result in decreased daily limits or revocation of the card.

Charges for Use of Your Card. We do not charge you a fee to use your Card at an ATM or to make a POS transaction. However, ATM transactions may be subject to a fee or surcharge assessed by the terminal owner, for which you will be reimbursed by the Bank up to the amount per month which corresponds to the type of account you have.

Preauthorization Payments Holds

When you use your Card at a point of sale location or when you use the Visa or other network enhancement feature of the Cards to obtain goods or services or to obtain cash, the merchant may attempt to obtain preauthorization from us for the transaction. When the preauthorization is approved by us, we immediately place a hold on your account to debit the preauthorized amount. The amount you actually approved or signed for may vary in some cases from the amount of the actual purchase, depending on the merchant's request. If the preauthorization request varies from the amount of the actual transaction, payment of the transaction (which usually occurs within two to five days) will adjust the amount previously deducted from your designated Account. The hold placed on your account will affect the available balance in your designated Account to pay checks or for other electronic fund transfers. Since all transactions are immediately posted to your designated Account, please check your available balance on the Website. We will not be responsible for damages for wrongful dishonor if any items are not paid because the amount requested by the merchant was different from the actual amount you approved.

Using your Card for International Transactions

If you use your Card to obtain cash or to purchase goods or services in another country (even if you are physically located in the United States), the amount of the charge in foreign currency will be converted to a U.S. dollar amount by the applicable network (e.g. Visa, MasterCard, etc.). In making this conversion, the network will use the procedures set forth in its operating regulations. Conversion to U.S. dollars may occur on a date other than the date of the transaction; therefore, the currency conversion rate may be different from the conversion rate in effect on the transaction date. You understand that we do not determine the currency conversion rate that is used, and we do not receive any portion of the currency conversion rate.

Documentation of Transfers

Receipts: You have a right to receive a receipt at ATMs and POS terminals that accept your ATM and/or Visa debit cards each time you make a transaction.

Preauthorized Credits: If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 888.502.2967 to find out whether or not the deposit has been made.

Periodic Statements: You will also be able to view your bank statement and transaction history on the Website.

Lost or Stolen Card or Unauthorized Transactions

Notify us immediately if your ATM Card, Visa Debit Card or PIN or other access code has been lost or stolen or used without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all your money in your account plus your maximum Overdraft Line of Credit.

In Case of Errors or Questions about Your Electronic Transfers

Telephone Customer Service at 1-844-773-0647, email, or write us at Axos Bank, P.O. Box 509127, San Diego, CA 92150, as soon as you can if you think your online statement or receipt is wrong or if you need more information about a transfer listed on the online statement or receipt. We must hear from you NO LATER than 60 days after your FIRST online statement on which the problem or error has appeared. In your communication to us, be

prepared to provide us with the following information:

- Your name and Account number (if any).
- A description of the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

If you tell us orally, we may require that you send your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days for new accounts) after we hear from you and will correct the error, promptly. If we need more time, however, we may take up to 45 days (90 days for new accounts, point-of-sale, or foreign-initiated transactions) to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days (20 business days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your questions or complaint in writing and we do not receive it within 10 business days, we may not credit your account.

For disputes involving the unauthorized use of your Visa Debit Card for Visa point-of-sale transactions, we will provisionally credit your Account within 5 business days. Under the Visa Rules, we may withhold provisional credit to the extent allowed under applicable law if we determine that the circumstances or account history warrants the delay. The Visa Rules do not apply to ATM transactions, certain commercial card transactions, PIN or other transactions not processed over the V network.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Electronic Transaction Cancellations

If you have arranged with us in advance to make regular periodic payments out of your designated Account using our Electronic Bill Payment Service, you can stop any of those payments by following these procedures:

- Sign on to the Website and cancel the future payments using the procedure as called for in the Bill Payment section.
- Call Customer Service, write the Bank, or e-mail in time for us to receive your request three or more business days before the payment is scheduled to be made. If you call, we may require you to put your request in writing so that it reaches us within 14 days after your call.

NOTE: This section does not apply to stop payment orders for checks.

Telephoning us is the best and fastest way of keeping your possible losses down. During business hours you may call 1-844-773-0647 to report your ATM/Visa Debit Card lost or stolen, or login to your online banking and send us a secure message.

Also if your on-line statement shows transactions that you did not make, TELL US AT ONCE.

If you do not tell us within 60 days after the daily transactions (Periodic Statement) are provided to you on the Website, you may not get back any money you lost after the 60 days if we can prove that we could have prevented

the transactions if you had told us in time.

You agree that you will not reveal your User ID, Password, PIN, or any other Access Device to any person not authorized by you to use your Access Devices; not write your PIN or Password on your ATM and/or VISA Debit Cards or on any item kept with your Access Devices; and not leave a computer terminal unattended after you have logged in using your Password or other Access Device.

Our Liability for Failure to Complete Electronic Funds Transfers

If we do not complete a transaction from your consumer account on time or in the correct amount, according to our agreement with you, we will be liable for your losses or damages only directly caused by this failure. However, there are some exceptions. For instance, we will not be liable if:

Through no fault of ours, you do not have enough available funds in your Account, including any available overdraft line of credit, to make the transaction.

- The automated teller or cash dispensing machine does not have enough cash.
- Any terminal or system was not working properly and you knew about the breakdown when you started the transaction.
- Circumstances beyond our control (such as fire, flood or riot) prevent the transaction, despite reasonable precautions that we have taken.
- In the case of pre-authorized credits, the data from the third party is not received, is incomplete or erroneous.

- Where it is necessary for completing transfers, or
- In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or
- In order to comply with government agency or court orders, or
- If you give us your written permission.

Transactions Not Subject to Electronic Fund Transfer Act or Regulation E

You must notify us at once of any unauthorized or erroneous electronic transactions not subject to the Electronic Fund Transfer Act or Regulation E shown on your statement or a notice. Your notice must be in writing, must include a statement of relevant facts and must reach us no later than 60 days after the date of the statement or notice on which the erroneous transaction appears.

ATM Safety Tips

The suggestions that follow offer some simple tips on protecting your card and PIN and on exercising care when using an ATM. Please review them carefully,

Protect Your ATM Card and Personal Identification Number (PIN)

- Always protect your card by keeping it in a safe place. If your card is lost or stolen, contact us immediately.
- Always protect your PIN. You should never give your PIN to anyone and you should never write your PIN anywhere, especially on your card. If you choose your own PIN, avoid using obvious numbers such as telephone numbers, addresses, or birthdates.
- Never give someone information about your card or PIN over the telephone. If someone is asking for this information, refuse and immediately contact us.

Be aware of Your Surroundings at ATMs

- Look around when you walk up to the ATM or exit the ATM. If you notice anyone or anything suspicious or that you deem unsafe, such as the lighting around the ATM not working, use another ATM or return later.
- While at the ATM, enter your PIN discreetly; shield the keypad with your hand or body. After completing your transaction, be sure to put your card away, cash, and transaction record before exiting the ATM area. Count the cash later in the safety of your locked car or home.
- When you enter or exit an ATM in an enclosed area, be sure you close the entry door completely. Do not open locked ATM vestibule doors for others or allow any unknown persons to enter the ATM area when you are making your transaction. Authorized customers should have their own access.
- When you use a drive-up ATM, be sure your passenger windows are closed and doors are locked.
- If you must use an ATM at night, consider taking someone with you.

Other Electronic Fund Transfer Services:

Funds Transfer Services

The following provisions apply to funds transfers you send or receive through Axos Bank "the Bank", but do not apply to electronic funds transfers governed by Regulation E of the U.S. Federal Reserve Board. If you have a specific agreement with the Bank for these services, these provisions supplement that agreement to the extent these provisions are not consistent with the specific agreement.

The Uniform Commercial Code includes provisions relating to funds transfers. These provisions define the following terms: funds transfer, payment order and beneficiary. These terms are used here as they are defined in Article 4A of the Uniform Commercial Code - Funds Transfers as adopted by the state whose law applies to accounts for which the funds transfer service is provided. In general: a funds transfer is the process of carrying out payment orders that lead to paying a beneficiary. The payment order is the set of instructions given to the Bank to transfer funds. The beneficiary is the person or business who receives the payment. We may charge fees for sending or receiving a funds transfer. We may deduct our fees from your account or from the amount of the transfer. For current fees, please refer to our Schedule of Fees herein.

Fedwire

Fedwire is the electronic funds transfer system of the US Federal Reserve Banks. When you send a payment order or receive a funds transfer, we or other banks involved in the funds transfer may use Fedwire. If any part of a funds transfer is carried out by Fedwire, your rights and obligations are governed by Regulation J of the Federal Reserve Board.

Sending Funds Transfer:

Cutoff times for Payment Orders. We have cutoff times for processing payment orders. If the Bank receives your domestic payment order or international payment order after 12:00 PM (PT), or on Saturday, Sunday or

federal holiday, it will be processed on the next funds-transfer business day.

Amending or Canceling Payment Orders. You may only amend or cancel a payment order prior to the funds transfer being sent by the Bank. If you ask the Bank do this, we may make a reasonable effort to act on your request. But we are not liable to you if, for any reason, a payment order is not amended or cancelled. You agree to reimburse the Bank for any costs, losses or damages that we incur in connection with your request to amend or cancel a payment order.

Inconsistency of Name or Number. When receiving a payment order, payment may be made by the Bank, or by other banks, to which the payment order is forwarded, based solely on the account number even if the account number identifies a beneficiary different from the beneficiary named by the Originator of the payment order. Furthermore, when receiving a payment order, we may rely, and any other banks to which the payment order is forwarded may rely, on the bank identification number provided in the payment order even if the identification number identifies a bank different from the bank named by the Originator of the payment order.

Sending Payment Orders. We may select any intermediary bank; funds transfer system or means of transmittal to send payment orders. Our selection may differ from that indicated in your instructions.

Notice of Rejection. The Bank may reject payment orders. We notify you of any rejection electronically or orally. We are not liable to you for the rejection or obligated to pay you interest for the period before you receive timely notice of rejection.

Errors or Questions about Payment Orders. The Bank will notify you about funds transfer by listing them on your account statement. In some cases, we may also notify you electronically or in writing. You must notify us at once if you think a funds transfer shown on your statement or notice is incorrect. You must send us written notice, including a statement of relevant facts, no later than 10 days after the date you receive the first notice or statement on which the problem or error appears. If you fail to notify us within this 10-day period, we are not liable for any loss of interest because of an unauthorized or erroneous debit or because your statement or notice is incorrect. We are not required to compensate you, and we are not required to credit or adjust your account for any loss of interest or interest equivalent.

Receiving Funds Transfers:

The Bank may receive instructions to pay funds to your account. We may receive funds transfers directly from the sender, through a funds transfer system or through some other communications system. This includes wire transfers, ACH transfers that may be sent through an ACH system or processed directly to an account with us.

ACH Provisional Payment Rule. Credit given by us to you with respect to an automated clearing house credit or debit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with the entry, and the party making payment to you (i.e. Originator of the entry) will not be deemed to have paid you the amount of such entry.

Notice of Funds Transfer. Under the Operating Rules of the National Automated Clearing House Association which are applicable to ACH transactions involving your account, we are not required to give next-day notice to you of receipt of an ACH item, and we will not do so. However, we will continue to notify you of the receipt of payments in periodic statements we provide to you.

ACH Debits and Credits. From time to time, originators that you authorize may send Automated Clearing House (ACH) credits or debits for your account. For each ACH transaction, you agree that the transaction is subject to the National Automated Clearing House Association (NACHA) Operating Rules and any local ACH operating rules in effect. You agree that we may rely on the representations and warranties contained in these operating rules and either credit or debit your account, as instructed by the originator of the ACH transaction. You should be cautious about giving someone your account number to help prevent unauthorized transactions on your account. You must notify the Bank immediately of unauthorized activity.

It is not intended to replace access to Online Banking from your personal computer or other methods you use for managing your accounts and services with us. Not all mobile devices will be capable of accessing and using Mobile Banking. The Bank cannot guarantee the availability of underlying data services provided by your mobile carrier, (i.e. we are not responsible for carrier data outages or " out of range" issues). We will not be responsible for any inability of your mobile device to access or use Mobile Banking, or for any loss or damage to your mobile device resulting from your access or use, or attempted access or use, of Mobile Banking (including downloading any associated Java applications for Mobile Banking), and you should satisfy yourself as to these matters before attempting to access or use Mobile Banking. Some mobile devices may store (cache) information that is accessed during a Mobile Banking session. You must have an eligible mobile device capable of SMS messaging (for SMS (Text) Banking), or downloading Java applications and making data connections to the Internet (for Mobile Browser Banking). You must be authorized to use and incur charges on your mobile device cellular account in relation to Mobile Banking.

We make no representation that any content or use of Mobile Banking is available for use in locations outside of the United States. Accessing Mobile Banking from locations outside of the United States is at your own risk.

Mobile Banking consists of two separate features:

SMS (Text) Banking – access available account information via text messaging.

To activate Browser Mobile Banking, you must have at least one active deposit Account, be an owner of the Account and be registered for Online Banking. To access the Browser Mobile Banking feature, you must know the Mobile Banking URL and will log in using the required login credentials used for Online Banking.

The following options are available in the Browser Mobile Banking:

Account information - includes transaction history (length of time is limited) and does not replace the periodic statements for your Account.

Transfers - between Bank accounts.

Bill Payment - submit payments to payees already set-up within the Bill Pay module of Online Banking.

We may offer additional mobile services and features in the future. Any such added mobile services and features will be governed by this Agreement and by any terms and conditions provided to you at the time the new mobile service or feature is added and/or at the time of enrollment for the feature or service if applicable.

If at any time you should cancel your Online Banking access or your Online Banking access changes or becomes inactive, Mobile Banking Services may not be available. You may cancel Mobile Banking at any time by contacting us by email or phone.

We do not charge fees for Mobile Banking including EFTs. However, please see the Schedule of Fees herein for any excess transaction fees that may apply to your Account. Also, you are responsible for web access and/or data or text message charges that may be billed by your mobile carrier. Check with your mobile carrier for details on specific fees and charges that may be applicable.

Password and Device Protection You will not disclose your password to access Online Banking (" Password") to any person. You understand and agree that the Bank and the Providers rely on the use of your Password to confirm your permission to access your account and are therefore authorized to act upon instructions and information received from any person that enters your Online Banking ID (User Name) and Password. You agree not to use any personally identifiable information when creating shortcuts to your Account. You are required to change your Password periodically.

Create a Password that is not easily able to be guessed or identified as relating to you, or is an obvious combination of letters and numbers (e.g. sequential numbers, birth date, etc.); do not keep any record of your Password in a form that it can be readily identified, accessed or stored anywhere, in written or electronic form.

If you forget your password, become locked out and the Bank resets your password, or your password expires you will be required to re-establish your login credentials at a PC or laptop to regain access to Mobile Banking.

You will notify the Bank immediately if your Password, PC, laptop, mobile device or any another access device used to access your account is compromised, lost, stolen or is suspected of being compromised or lost. If you believe that someone may have unauthorized access to your online Banking or Mobile Banking, you agree to notify us immediately and cancel your Mobile Banking associated with the device.

You agree to notify us immediately if you change or cancel the number of your mobile device.

You agree to take every precaution to ensure the safety, security and integrity of your Account and transactions when using Mobile Banking. You agree not to leave your Device unattended while logged; if you do we will not be liable for any damages. Log off immediately at the completion of each access by you, lock your mobile device or take other steps necessary to stop unauthorized use of Mobile Phone Banking.

Privacy You agree that you have had an opportunity to review, download or print, and that you agree to the Bank's Privacy Policy relating to the Bank's Website, the Financial Services and the Providers.

Agreement for Your Account

Welcome and thank you for selecting UFB Direct® for your banking needs.

This Disclosure and Agreements ("Agreement") explains important terms and conditions which govern your account(s) with us. This agreement governs personal Deposit Accounts identified in this Agreement at UFB Direct (the "Bank"). By opening or maintaining a checking, savings or certificate of deposit (CD) account with us, you accept and agree to be bound by the terms and conditions of this Agreement. Your checking, savings, or certificate of deposit (CD) account is located at the Bank's headquarters in San Diego, CA.

This Agreement is periodically revised, amended, or added to, and always available electronically for your reference at www.ufbdirect.com. Please read this Agreement carefully and keep it with your banking records for future reference.

This disclosure describes the terms, services and the interest calculation with respect to the Deposit Accounts opened through the Bank's Website. This Agreement includes the following disclosures applicable to the Bank's personal deposit accounts that the Bank has provided to you (1) Account features, (2) Privacy Policy, (3) Electronic Funds Transfer Services, (4) Online Banking and Bill Payment Services (5) Funds Availability Policy, (6) Substitute Checks and Your Rights, and (7) any additional disclosures regarding your account(s) that the Bank will provide to you. Fees mentioned throughout this agreement can be found in the Schedule of Fees herein and on the Bank's website.

Account Funding

You agree to fund your account within 30 days of account opening, or we may close the account.

Changes to This Agreement

We may change this Agreement at any time without prior notice unless prohibited by law. Changes may include deleting or modifying existing terms or rates or the addition of a new term or fee not otherwise contemplated when you opened your account, including new terms regarding how we will resolve preexisting or future disputes, whether informally, by litigating in specified courts or under specified rules, or through alternative dispute resolution, such as binding arbitration. We may convert existing accounts and services into new accounts and services or discontinue accounts or services. If a change to this Agreement is material and adverse to you, we will give you reasonable notice in writing or by any method permitted by law. For example, unless otherwise required by law, a notice of the changes or a copy of the revised Agreement (or a link to review it) may be sent to you at the mailing or email address on file with your account, via other electronic means, or included in a message on the statement for one of your accounts. Any changes will take effect immediately, unless stated otherwise in any notice we provide to you. We may, but do not have to, notify you of changes that we make for security reasons or that we believe are either beneficial or not adverse to you. You are not required to agree to changes in terms that are materially adverse to you. If you wish to reject a change, you must close your accounts before the effective date of the change. There is no penalty or fee for closing an account in order to reject a change in terms. If we have notified you of a change and you continue to use or maintain your account after the effective date of the change, you have agreed to the new terms.

When we change this Agreement, the then-current version of this Agreement supersedes all prior versions and governs your account. For the sake of clarity, nothing contained in this section shall affect the Bank's ability to close your account for any reason or without cause in accordance with the section below, entitled "Closing an Account."

Closing an Account

You agree to notify us of your intention to close your Deposit Account, and we reserve the right to request that your notice be in writing that affirmatively acknowledges that closing the account could affect your receipt of Financial Services. After a Deposit Account is closed, we have no obligation to accept deposits or pay any outstanding items or other debits, but we may do so at our option. You agree to hold us harmless for refusing to honor any check, item or other debit on a closed account.

For security reasons, we may close your Deposit Account and require you to open a new account if there is a change in authorized signers, there has been a forgery or fraud reported or committed involving your Deposit Account, any Deposit Account checks are lost or stolen, you have too many transfers from a Deposit Account that has transaction limitations, or you have violated any other provision of an agreement you have with us.

The Bank reserves the right to close your account for any reason or without cause. We need not advise you of the reason for taking this action. The Bank need not give advance notice of any closure. After an account is closed, we have no obligation to accept deposits or pay any outstanding items or other debits, but we may do so at our option. If your account is closed by the Bank, it may issue a single Cashier's Check for the account balance payable to accountholder and may mail or deliver that check to the accountholder, subject to any right the Bank may have under any agreement covering the account or the Bank's right of setoff.

Compliance with Laws and Regulations

When you do business with us, you agree to all applicable laws, regulations or ordinances, and orders of governmental and governing authorities, including federal and state privacy laws and anti-money laundering laws. You agree not to use your account or services for any unlawful purpose, including unlawful internet gambling.

Financial Information
You agree to provide us accurate and complete financial and other information we request in connection with a Deposit Account or Overdraft Account and the Banking Documents. Information concerning a Deposit Account or Overdraft Account may be reported to credit reporting agencies and will be made available when requested by proper legal process.

General Use of Credit File Information
You certify as to the accuracy of the information you provide to us and authorize UFB Direct's affiliated consumer reporting agency/agencies to access your credit file to facilitate the processing of your application for UFB Direct financial products and to authenticate your identity for legal and regulatory compliance purposes. You understand that you may be asked questions based on the information in your credit file as part of this process. You also understand that UFB Direct may review your credit history and past banking relationships.

Governing Law
This Agreement is governed by federal law and, when applicable, the laws of the State of California.

To the fullest extent permissible by applicable laws, in any legal action, arbitration or claim between you and the Bank, the prevailing party shall be entitled to recover costs and reasonable attorney's fees.

Information You Give Us
When you open an account with us, you give us information about yourself and confirm that it is correct. We enter the information into our records. We will rely on that information until you notify us of a change and we have a reasonable time to act on the new information.

Personal Information at Account Opening
Federal law, including the USA PATRIOT Act, requires all financial institutions to obtain, verify and record information that identifies each person or business that opens an account. When you apply for a personal account, we will ask for your legal name, residential address, date of birth and Social Security Number (SSN). We will require one or more forms of unexpired photo identification. We may validate the information you provide to us to ensure we have a reasonable belief of your identity. If we are not able to verify your identity to our satisfaction, we will not open your account or we may close the account if it was previously funded. When you apply for a business account, we will ask for your business name, address, and Tax Identification Number (TIN). We will also ask for your name, residential address, date of birth and social security number, which will allow us to verify your identity. We may validate the information you provide to us to ensure we have a reasonable belief of your identity and your business. If we are not able to verify your identity to our satisfaction, we will not open your account or we may close the account if it was previously funded.

Service Charges
You agree to pay the charges as shown on the Schedule of Fees herein. As these charges are incurred, we will deduct the charges directly from the Deposit Account balance. We will not be liable for dishonor of your items or other debits resulting from our deduction of any charges as authorized by the Banking Documents.

Statements
You will be able to review transactions, including images of the front and back of checks or other instruments drawn on your checking account daily through the Website. You should review your transaction history daily to protect your rights, including your right to dispute transactions that you believe are unauthorized. Daily transactions accumulate for a period of one month. You must review and verify your account transactions as if your transaction history shown on the website was a traditional periodic statement.

Check Safekeeping. Copies of your checks and other Items paid from your Deposit Account will be held by us instead of returned to you. An image of the front and back of the checks you write and are presented for payment will be deemed to be made available to you no later than the day after the items are presented to us for payment. We will keep the image copies of the front and back for seven (7) years. We will provide copies of Items upon written or e-mail request. We will assess a fee for providing such copies. See Schedule of Fees located herein.

Bank's Duty of Care. In accordance with reasonable banking standards, most checks and other Items presented to us for payment are processed through automated processing and, except in limited circumstances and subject to such reasonable sampling procedures as we establish at our discretion, most Items are not individually examined to verify your signature or that the Item is otherwise properly payable. You agree that we act within reasonable banking standards by processing most checks and other Items through automated processing systems.

Telephone Calls: Calling, Monitoring and Recording
For our mutual protection, and to enable us to provide better service to you, we may monitor and/or tape-record any of our telephone conversations.

Scope of Your Consent. Your Consent applies only to your electronic receipt of Disclosures and legal documents in connection with the origination, closing and servicing of the Loan or deposit account. Your Consent does not apply to other transactions that you may wish to enter into with us.

To Withdraw your Consent all you need to do is contact us using one of the Contacts described above.

What records will you provide to me electronically? If you consent, you will receive electronic records that relate to our online banking services. These will include the following types of documents:

- Your monthly account statement, if applicable. (As part of the monthly account statement, you will receive information about your account).
- Other periodic or special notices (error resolution notices if you assert your rights under the federal consumer protection laws and regulations). These include special notices that federal laws and regulations from time to time might require us to provide to you.
- Privacy notices and disclosures. (These notices provide you with information about our privacy practices and policies).

Do I have an option to regularly receive these records in non-electronic form? After you provide your Consent, you may receive, without charge, a paper copy of any Disclosures that have been provided to you electronically by contacting us using one of the Contacts described above. The Bank's Online Banking Service has been designed and built to provide records to you in electronic form. To put it another way, the system is an electronic banking system and it does not have a paper-based alternative.

Can I get a copy of the records in non-electronic form if a special need arises? At your request, we can prepare a paper- based version of any of the electronic records you receive, for up to five years after the date it was created. If you want us to prepare a paper- based copy, you can request it by contacting us. Please refer to the Schedule of Fees herein for any costs associated with this service.

If I consent to electronic records now, and change my mind, what can I do and what are the consequences? You can change your mind, and withdraw your consent, at any time, and provide notification to us at the contact information above requesting paper statements and documents be provided to you. However, remember that the Online Banking Service does not support paper-based communications. So the consequence to you, if you withdraw your consent to electronic records, is that your access to and your ability to use the Online Banking Service will end.

Change of your designated E-Mail Address. If you change your designated e-mail address, you must notify the Bank to ensure continued delivery of electronic records.

Are there any hardware or software requirements for me to access or retain the electronic records? You will need a computer with sufficient memory to store electronic records, and with a working connection to the Internet. You will need an internet connection; a Current Version of Internet Explorer, Chrome, Safari, or Firefox; an active e-mail account and related software for accessing the email account; a Current Version of a program that accurately reads and displays PDF files; and a device with an operating system capable of supporting previous items. Your browser will need to have a minimum of 128-bit encryption capabilities. You are responsible for configuring your system to accommodate these requirements. Finally, you will need a printer if you want to print copies of electronic records.

If we change the minimum hardware or software requirements needed to access or retain electronic records, and the change creates a material risk that you will not be able to access or retain a subsequent record, then before the change takes effect we will let you know about the change and let you know what the new requirements are.

We will notify you by e-mail, and at that time you will be allowed to choose whether you still want to give us your consent to receive communications or information by electronic records. If not, you will be allowed to withdraw your consent at that time, without any fee or charge by us.

However, if you withdraw your consent, you may not be able to access the Online Banking Services without upgraded hardware or software. Then, your ability to use the Online Banking Service could also end (as described above, under "If I consent to electronic records now, and change my mind, what can I do and what are the consequences?").

How will the electronic records be provided to me? All Disclosures are available on the Bank's Website and can be accessed by clicking on the "Disclosures" tab. Other periodic or special notices will be sent to you by e-mail, unless they contain confidential account information at which time they will be sent by secure email through the online banking service on our Website. Your monthly account statements, if applicable, contain confidential information, so they will be stored for you to access (print or review) on the online banking service on our Website, at www.ufbdirect.com and will be available to you, for at least 2 years following the date it is first posted.

To access your monthly statements and any notices sent by secure email, you will need to sign-in to the online banking service of the Bank's Website.

Are there other special requirements for electronic records? You must provide us with your current e-mail address, and keep it current with us at all times. Otherwise, you may not receive electronic records in a timely manner. If you download or print any confidential materials, such as your monthly statements, be sure that, you store them in a secure environment.

Privacy Policy

We recognize, respect and protect the personal privacy rights of all our customers and work diligently to safeguard your privacy. We are committed to providing the highest level of security and privacy regarding the collection and use of our customers' personal information, as well as the personal information of all consumers who visit our institution.

The following Privacy Policy explains how we use and protect the information about our customers. We ask that you read it carefully. Privacy Policy

General Banking Information and Terms

Accepting Deposits
You authorize us to accept items for deposit to your deposit account if they are made payable to you. You also authorize us to deposit to your account wire transfers and other forms of credit (such as direct deposits or other automated clearinghouse entries) received for your benefit. All deposits are accepted and processed at our San Diego, CA facility.

Account Ownership
The bank may rely solely on its records to determine the form of ownership of your account. The bank may presume that any person named in addition to you in its records for your account owns the funds in your account as a co-owner. Account ownership is non transferrable.

ACH New Account Funding
ACH Funding will be posted upon final credit from the external bank; typically 2 - 3 business days after the new account is opened.

Annual Percentage Yield (APY)
APY is the total amount of interest paid on an account, based on the interest rate and the frequency of compounding for a 365-day period (366-day period in a leap year), and is expressed as a percentage.

Available Balance
Available Balance is the amount of funds available for withdrawal and authorizing transactions. Your Available Balance may be different than your ledger Balance or Collected Balance. The Available Balance is reduced from the Collected Balance by 1) the amount of pending transactions, such as a point-of-sale transaction (i.e., debit-card transactions made over a credit-card network); 2) funds on hold in accordance with our Funds Availability Policy; 3) our receipt of notice that a transaction will be presented or returned; 4) our receipt of legal process relating to your account; or 5) your use of your account as a security for a loan.

Average Daily Balance
Average daily balance is determined by taking the end-of-day balance in the account for each day in the statement period, add those balances together, and then divide by the number of days in the statement period.

Business Days
Our Business Days are Monday through Friday, excluding federal holidays.

Cash Deposits
Please do not send cash deposits. In the event that cash deposits are received by the Bank, you agree that the Bank's determination of the amount of the deposit will be conclusive. The Bank is not liable for any deposits, including cash, lost in the mail.

Check Forms and Special Conditions
We require you to use a check printer that meets technical standards for checks that are acceptable to us and the Federal Reserve Bank System. We reserve the right to disregard any information on the check other than the drawer's signature, the payee, the amount, any magnetically-encoded information at the bottom of the check, and endorsements on the reverse side of the check unless we have previously agreed to do so in writing. For example, we will not be liable for any damages because we pay an Item which contained any conditional statement or restriction such as "Void after 90 days", "Void over $100", "Payment in Full", or "Two Signatures Required". We will adhere to such conditional statements only if you notify us of the statements before the Item is presented and we have specifically agreed in writing to honor such conditional payment restrictions. If an Item is returned or payment is delayed as a result of any writing or marking that you or a prior endorser placed on the front or back of the Item, you will be responsible for any cost and liabilities associated with such return or delay.

Collected Balance
Collected Balance is the Ledger Balance minus the amount of any deposited checks for which we have not received provisional credit from the bank of account or are on hold pursuant to our Funds Availability Policy. Your Collected Balance may be different than your Available Balance.

Converting Checks to Electronic Debits
Some businesses convert checks that you give them into electronic debits, sometimes referred to as an electronic check. When we receive the electronic debit, we charge your account immediately after the business enters the transaction, so you may have a reduced right to stop payment and may incur an overdraft if you do not have sufficient funds in your account to cover the amount of the check at the time you write the check or authorize the transaction. Since the check is not sent to us, we do not have a copy of your check. We list these electronic debits on your account statement. If the business uses your check to initiate an electronic debit at the point of sale, the business should give you notice of the conversion and return the voided check to you. You should treat the voided check with care because someone else who obtains possession of it could use the information to initiate additional debits against your account. Please note that when a merchant converts a check to an electronic debit it may retry the transaction with us up to two additional times if the initial transaction is returned for insufficient funds. We treat these

as separate transactions that may be subject to a fee each time they are presented when you have insufficient funds (meaning the transaction exceeds your available balance plus an overdraft protection).

Death or Incompetence

You agree to notify us promptly if any owner or authorized signor on your account dies or is declared incompetent by a court. Until we receive a notice of death or incompetency, we may act with respect to any account or service as if all owners, signers or other persons are alive and competent and we will not be liable for any actions or inactions taken on that basis. If you give us instructions regarding your account, and you or another owner of the account subsequently dies or is declared incompetent, we may act on the instructions unless we receive written notice of death or competency prior to honoring such instructions.

When we receive a notice that an owner has died or been declared incompetent, we may place a hold on your account and refuse to accept deposits or permit withdrawals. We may hold any funds in your account until we know the identity of the successor. If a deposit including salary, pension, Social Security and Supplemental Security Income (SSI) – payable to deceased owner is credited to the account after the date the deceased owner died, we may debit the account for the deposit and return it to the payer.

Demand Drafts and Remotely Created Checks

If you deposit a demand draft or remotely created check (an unsigned draft or preauthorized draft) into your account, you warrant and guarantee that the draft or remotely created check is authorized according to the terms on its face by the person(s) identified as the drawer. You agree to indemnify us from all loss, expense and liability related to a claim that such check or draft was not authorized by the persons on whose account it was drawn on

Endorsements

You authorize us to supply any missing endorsements if items are made payable to you or your order and you have not endorsed them. You warrant that all endorsements on items deposited to your account are genuine. Endorsements must be placed only in the area so designated on the back of an Item.

Facsimile Signatures

If you use any form of facsimile signature in connection with the Deposit Account, you agree to deliver a sample to us before you begin using it, and to execute and deliver agreements in a form we require. When you use a facsimile signature or other form of automated signature device in connection with the Deposit Account, you agree you shall have the sole responsibility for maintaining security of the facsimile signature or device by which it is affixed, and you shall bear the entire risk for unauthorized use thereof, whether or not you are negligent, except as may be required by law. You agree that no facsimile signature we have been authorized to honor may be considered a forgery or an unauthorized signature, and that such facsimile or automated signature shall be effective as your signature or endorsement, whether or not you have been negligent. You further agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure (including reasonable attorneys' fees) you may suffer or incur as a result of the unlawful use, unauthorized use, or misuse by any person of any such facsimile or automated signature or the device by which it is affixed.

Foreign Items and Foreign Currency

A foreign item is a check or other item in any currency (including United States dollars) that is drawn on a bank or branch located outside of the United States. A foreign currency is any currency other than United States dollars. Some foreign items are payable in United States dollars.

"Freezing" Your Account

If we decide to close your account, we may freeze it. If we do this, we may in our discretion either accept or return deposits, checks and other items that we may receive after we freeze your account without being liable to you. If at any time we believe that your account may be subject to irregular, unauthorized, fraudulent or illegal activity, we may, in our discretion, freeze the funds in the account and in other accounts you maintain with us, without liability to you, until such time we can complete our investigation of the account and transactions. If we do freeze the funds in your account, we will provide you with a notice. We may not provide this notice to you prior to freezing the account if we believe that such notice could result in a security risk to us or the owner of the funds in the account.

Ledger Balance

Ledger Balance is the aggregate amount of funds in an account according to our records, and includes electronic credits and all cash and check deposits, even if we have not yet received credit for some or all of the deposited checks from the bank of account. Your Ledger Balance may be different than your Available Balance or Collected Balance.

Legal Process

Legal process includes a writ of attachment, execution, garnishment, tax withholding order, levy, restraining order, subpoena, warrant, injunction, government agency request for information, search warrant, forfeiture, or other similar order. We may accept and comply with legal process that we reasonably believe to be valid that is served in person, by mail, by facsimile transmission, or by other means. You may have rights to contest such process on your own behalf under applicable law; the Bank has no obligation to ascertain or assert such rights. Any such legal process is subject to the Bank's security interest and the right of setoff. The Bank will not notify you of a grand jury subpoena affecting you or your account. Any fees or expenses the Bank incurs in responding to any such legal process may be charged against any account you maintain with the Bank. We may, but are not

required to, send a notice to you of the legal process. The Bank will not pay interest on any funds that are held pursuant to legal process. You understand and agree that the Bank will not be liable for dishonoring checks, drafts, or other items because of insufficient funds in your account due to a hold or freeze placed on your account or resulting from levies, garnishments, lien claims, or other legal processes. If the legal process directs us to release information about one or more, but not all, accounts reported on a combined statement, we may release the combined statement. If the legal process directs us to release information only from a certain timeframe, we may release the entire statement or other record that contains information within the requested timeframe even if it includes information outside the directed timeframe. If the legal process requests information about one or more, but not all, account owners or co-signers, we may release information about all of the co-signers on the account and all accounts owned by such persons.

Limits on Number of Accounts

The Bank reserves the right to limit the number of account types per account holder or per household. The term “household” refers to all persons occupying an individual housing unit, whether a single person or two or more unrelated persons.

Overdrafts

If any item or other debit presented to us will overdraw the available account balance, including any balance in an overdraft protection account ("ODP Account") we have established for you, when paid (not during authorization for a transaction), we will charge you a fee, whether we pay the item or return it (except for debit-card and ATM transactions—they may be declined without a fee). You agree immediately upon notice from us to deposit funds sufficient to cover the overdraft plus applicable charges. In connection with overdrafts, our determination of the Deposit Account balance may be made at any time between presentment and our predetermined deadline and need only be made one time. If we pay Items or permit withdrawals which overdraw the available Deposit Account balance (whether once or repeatedly), we do so at our discretion without any obligation to continue to do so. Please note that merchants may attempt to get paid a second or third time if their initial ACH or check transaction is returned unpaid. We treat these second and third attempts as separate Items or transactions and will assess a fee each time we return one unpaid or pay one that results in an overdraft.

Our Receipt of Deposits

In receiving deposits, we act only as your collecting agent and assume no responsibility beyond the exercise of ordinary care. All deposits are posted to your designated deposit account conditionally, and only if the item is payable in U.S. dollars, subject to our receipt of final payment. If final payment is not received on any item you deposited to your account or that we cashed for you, or if any direct deposit, automated clearinghouse deposit or electronic fund transfer to your account is dishonored by the issuing financial institution for any reason, you agree to pay us the amount of the dishonored deposited funds, and you authorize us to debit any deposit account with us of which you are an owner, without prior notice and at any time, for the amount of the returned item or other deposit. You also authorize us to debit your account for the amount of our returned item fee, any interest paid on the deposit, and any other fee we pay or loss we incur. We may also use any other legal remedy to recover the amount you owe us. We are not responsible for any transactions, including any transactions sent through the mail, until we actually receive and post the transaction to your account. We are not liable for the default or negligence of our duly selected agents or correspondents, nor for losses in transit.

Processing Transactions and Posting Orders

Posting transactions to your account impacts your account balance and may affect the total number of overdraft or returned item fees you incur. Posting a credit increases your balance. Posting a debit or hold reduces your balance. Credits include but are not limited to the following: teller deposits, direct deposits and credits we make. Holds include but are not limited to the following: deposit holds, debit card authorizations, and holds related to cash withdrawals and electronic transfers. Debits include withdrawals, transfers, payments, checks, one-time and recurring debit card transactions, and fees. We use automated systems to process transactions and then to post transactions to accounts. When we process multiple transactions for your account on the same day, you agree that we may in our discretion determine our posting orders for the transactions and that we may credit, authorize, accept, pay, decline or return credits, debits and holds in any order at our option.

Posting Orders

This section summarizes how we generally post some common transactions to your account. We group the different types of transactions into categories. We use several different categories for holds, credits, and debits. Most categories include more than one transaction type. After the end of the business day, our automated systems assign each transaction received for that day to a category. We generally post all transactions within a category, using the posting order or orders that apply to that category before we post any transactions assigned to the next category. Overdraft and returned item fees are assessed during the nightly posting process so the order in which we post transactions will affect the total number of overdraft of returned item fees incurred.

We start with the balance in your account at the beginning of the business day, subtract holds from your balance, and make any adjustments from prior days. Next, we generally add credits to your balance and then subtract debits from your balance.

Changing Posting Orders

You agree that we may determine in our discretion the orders in which we post transactions to your account.

You agree that we may determine in our discretion the categories, the transactions within a category, the order among categories, and the posting orders within a category. We sometimes add or delete categories, change posting orders within

categories and move transaction types among categories. You agree that we may in our discretion make these changes at any time without notice to you.

Posting Orders Determined at End of Day

We receive credits, debits and holds throughout the day. Regardless of when during the day we receive transactions for your account, you agree that we may treat them as if we received all transactions at the same time at the end of the business day.

During the day, we show some transactions as processing. As an example, we show some transactions as processing on the Account Details screen in Online Banking. Please note that transactions shown as processing have not been posted yet. The posting order for these transactions is determined at the end of the day, with the other transactions we receive for that day.

You should note that often we do not receive debits on the same day that you conduct them. As an example, when you use your debit card to pay for a purchase at a merchant and sign for the transaction, we usually receive an authorization request from the merchant the same day, but we might not receive the final debit card transaction for payment and posting until several days later.

We generally post credits and debits to your account, and report them on your statement, in a different order than the order in which you conduct them or we receive them.

Payable on Death (POD) Designation

You may designate to whom you wish funds in your account to be payable in the event of your death, subject to the following terms and conditions:

- Accounts held in the names of two or more persons (Account Owners) will become payable to the designated Payable on Death beneficiary or beneficiaries only upon the death of all account Owners.
- Where there is more than one beneficiary, the funds in your account will be paid to each of the beneficiaries.
- The share of any beneficiary who predeceases the account Owner(s) will be paid to the remaining beneficiary or beneficiaries, if there are any.
- You may change your designated beneficiary or beneficiaries at any time by submitting a request.

Payment made in accordance with provisions of your Payable on Death designation will discharge the Bank from liability for funds so paid, unless prior to payment the Bank has been served with a court order or other appropriate legal process restraining payment.

Post-Dated Checks

We agree not to pay an Item that you have postdated before the date shown on the Item only if we receive reasonable advance written notice from you before the Item is presented, and you follow the procedures for and pay the fees associated with a Stop Payment Order. Your notice to us must specify the payee, date, amount, and Item number and the fact that you have postdated it. Notices regarding postdated Items are effective only for six (6) months from the date of the Stop Payment Order, and must be renewed to continue to be effective beyond that time. You agree that we may return a postdated Item to the presenter before the date shown on the Item without liability for wrongful dishonor. We may pay or dishonor a check more than six (6) months old without prior notice to you.

Powers Of Attorney

An account owner granting a power of attorney over a Deposit Account is called the "Principal", and the person acting for the Principal is called the attorney-in-fact, or "Agent". We may refuse to accept a power of attorney for any reason, and we will require verification through direct contact with the Principal and the Principal's legal counsel. We may require the Agent to sign an affidavit stating that the power of attorney presented to us is a true copy and that the Principal continues to be alive and competent and that the relevant powers of the Agent have not been amended or terminated. The Agent is responsible to us if any information in an affidavit furnished to us is untrue or materially misleading or if the Agent exceeds the authority granted by the Principal in the power of attorney. The Agent is required to notify us in writing if the Principal or any other account owner dies or is declared incompetent. Upon death or declared incompetence of the Principal, the Agent's power of attorney ceases.

Prohibited Transactions

We strictly prohibit the use of any account to conduct transactions (including, without limitation, the acceptance or receipt of credit or other receipt of funds through an electronic funds transfer, or by check, draft, or similar instrument, or the proceeds of any foregoing) related, directly or indirectly, to federally controlled substances. You agree not to conduct any transactions through the account, which directly or indirectly involve or are related to federally controlled substances, including, without limitation, the acceptance or receipt of any funds or deposits in connection therewith. You also agree not to use your account or any other illegal activity.

Reclassification of Deposit Accounts

Under federal law, we are required to classify our deposits a certain way for regulatory reporting purposes. The following disclosure explains a change we may make to your Account that, ultimately, has no effect on your Account. We are simply changing the way we report deposit accounts to the government. The change to your Checking Account will not affect your available balance, interest earnings, FDIC insurance, or bank statement. The Account will consist of a checking sub-account and a savings sub-account, and the Bank may periodically transfer funds between these two sub-accounts. On a sixth transfer

during a calendar month, any funds in the savings sub-account will be transferred back to the checking sub-account. If your Account is a plan on which interest is paid, your interest calculations remain the same. Otherwise, the savings sub-account will be governed by the rules governing our other savings accounts. This change will be transparent to you and will not affect your statement, any terms and conditions of your account, or any other items in your account.

Setoff

You agree that we have the right (without prior notice and when permitted by law) to set-off the funds in a Deposit Account against any amount due and payable to us by you. This right of set-off does not apply to your Deposit Account to the extent restricted or prohibited by law or contract.

Stale-Dated Checks

We may choose to pay or not to pay, or accept for deposit, any check presented more than 6 months after the date written on the check unless there is a valid stop payment order in effect. We are not responsible for any liability you may incur as a result of our decision to pay, not to pay or accept for deposit such an item.

Stop Payment Request

To place a stop payment order on a check or other Item ("Stop Payment Order"), you can use the Website after you login, or write to Customer Service, 4350 La Jolla Village Drive, Suite 140, San Diego, CA 92122. If you use the Website, you must fully complete the Stop Payment Request or the ACH Stop Payment Request Order form. If you use any other method to place the Stop Payment Order, your communication must include the exact amount of the check or other Item, the number of the check, your Deposit Account number, and the name of the payee. We cannot be responsible for the consequences of paying an Item if it is not described with reasonable certainty, or if we are not given reasonable time to place the stop payment. Our acceptance of a Stop Payment Order does not constitute a representation that the Item has not already been paid or that we have a reasonable opportunity to act upon the order. We require written or Website confirmation prior to accepting a Stop Payment Order.

Written Stop Payment Orders, and stop payments entered online, are effective for six (6) months and must be renewed by you to continue to be effective after that time. There is a charge for each Stop Payment Order request and for each renewal. You agree to hold us harmless from all liability because we refuse to pay an Item subject to your Stop Payment Order. If we re-credit your Deposit Account after paying an Item over a valid and timely Stop Payment Order, you agree to sign a statement describing the dispute you have with the payee, to transfer to us all of your rights against the payee or other holder of the Item, and to assist us in any attempt we make to recover the funds from that person.

Duration of Order. Written Stop Payment Orders, and stop payments entered online, are effective for six (6) months and must be renewed by you to continue to be effective after that time. There is a charge for each Stop Payment Order request and for each renewal.

Hold Harmless. You agree to hold us harmless from all liability because we refuse to pay an Item subject to your Stop Payment Order. If we re-credit your Deposit Account after paying an Item over a valid and timely Stop Payment Order, you agree to sign a statement describing the dispute you have with the payee, to transfer to us all of your rights against the payee or other holder of the Item, and to assist us in any attempt we make to recover the funds from that person.

Unsigned Drafts. If you voluntarily give information about your Deposit Account (such as our routing and transit number and your account number) to a person who is seeking to sell you goods or services or collect a debt, we may consider any resulting debit as authorized by you, even if you did not physically deliver a check to the person or personally sign the instrument, unless you notify us to the contrary in accordance with our rules on Stop Payment Orders. If we receive pre-notification of a transaction, we will make a reasonable attempt to notify you of the pending transaction.

Cashier's Checks, We will accept a stop payment order for a Cashier's Check only if it has been lost, stolen or destroyed. We will not issue a replacement check sooner than 90 days after the issue date of the Cashier's Check.

Substitute Checks, Indemnified Copies, Images and Image Replacement Copies

In some cases, we may receive an indemnified copy of your original check, an image replacement document (IRD), a substitute check or an image of your check, instead of the original item. We may act upon presentment of an IRD, indemnified copy, substitute check or image of your check, and pay these items against your account, just as if the original item had been presented.

Unclaimed Property – Accounts Presumed Inactive or Abandoned

We define inactive as no customer initiated activity, other than interest posting, and no contact between the customer and the Bank for a minimum period of 24 months. If your account is dormant, the Bank may hold all statements on your account, but the Bank's normal maintenance, *service* and other fees will continue to be assessed except where prohibited and ATM and POS access may be blocked. Each state has laws that govern when accounts are considered "abandoned" and when we are required to send a customer's funds to the state. This definition may not be consistent with the laws of your state; however, in accordance with California State law, if an account remains in an inactive status for three years, the funds are considered abandoned. We will send you a letter if it's possible that your account is at risk of being transferred to the state. Dormant accounts (if interest bearing) will continue to earn interest, and will be subject to such service charges as may be shown on the Schedule of Fees herein. We will attempt to notify owners of inactive accounts with an e-mail notice to review their account and to communicate

with us about it. We will surrender the funds in your inactive account to the state of your last known address on file at the Bank if the account remains inactive for the time period designated by that state. Accounts with a foreign address on file will be surrendered to the state of California. Once the account is turned over to the state, you may reclaim the funds by presenting adequate proof of ownership to the appropriate state. We will have no further liability to you for such funds. When the funds in your account are delivered to the state, your account is closed, and no interest accrues. We encourage you to make sure your accounts remain active so you have full use of your accounts, and avoid the potential of having your account funds transferred to the state as "abandoned or unclaimed property".

Checking and Savings Accounts - Truth in Savings Disclosure

From time to time, we may offer you or you may open a variety of deposit accounts. Each such account (the "Account") is subject to the general terms and conditions and any specific terms and conditions relating to that type of account that may be set forth in this Agreement. This disclosure describes the terms, services and the interest calculation with respect to the Deposit Accounts opened through the Bank's Website. All Checking and Savings accounts are variable accounts and these rates are subject to change without notice. This Truth in Savings disclosure refers to the Schedule of Fees herein.

Interest

If your account earns Interest, the following information applies unless otherwise specified in the description for your account type:

Rate Information:

- The interest rate and corresponding APY for savings and money market accounts are variable and are set at our discretion.
- Your interest rate and annual percentage yield may change.
- Fees may reduce earnings.
- At our discretion, we may change the interest rate on your account.
- We may change the interest rate on your account at any time.
- Interest rates and APYs for different balance ranges are listed on the Bank’s website.
- We reserve the right to change balance ranges or apply the same interest rate to more than one range.

Balance Computation Method: We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the balance in the account each day.

Compounding and Crediting: Interest is compounded daily and calculated on a 365/366 day basis. Interest is credited on a monthly basis.

Accrual of Interest on Noncash Deposits: Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

Right to require advance notice of withdrawals: For all savings accounts and all interest-bearing checking accounts, we reserve the right to require seven days’ prior written notice of withdrawal. Although we usually pay withdrawals or checks without prior notice on these accounts, doing so does not mean that we give up that right.

Limitations on Withdrawals

The Bank may choose to impose limits on the number of certain types of withdrawals and transfers you can make each month from your savings or money market account. Please note, that these limits do not apply to withdrawals or transfers made at a branch, by mail or at an ATM. You can make no more than a combined total of six (6) per month or monthly statement cycle (subject to Available Balance) from among the following:

- Preauthorized transfers (including transfers for overdraft protection)
- Telephone transfers or other electronic transmissions
- Online Banking and Mobile Banking transfers or bill payment transfers
- Transfers by check, draft, debit card, if allowed on your savings account
- We count checks for the purposes of transaction limitations as of the date the check posts to your account (not as of the date you write them)

In addition, each time a transfer is paid against your account in excess of those allowed by the Bank, you will be assessed an "Excess Transaction or Withdrawal Fee". See Schedule of Fees herein.

If you exceed the transfer limits on more than an occasional basis, we may convert your account to one not subject to transfer limitations or close your account. If we close or convert your account, you will receive a separate communication from us informing you of our actions.

We may refuse to allow any withdrawals without the Bank creating liability to you, if we have a concern that one or more transactions on your account may have been unauthorized or fraudulent, if there is a dispute concerning the Deposit Account that makes us uncertain regarding the instructions that have been given, the Deposit Account is garnished or attached, the Deposit Account has been pledged to the Bank as collateral for a debt, the availability of the funds on deposit cannot be verified, any required documentation has not been presented, or you have failed to repay an obligation to us on time.

Certificates of Deposits Accounts (CDs)

When you open a Certificate of Deposit Account, you agree to keep your funds in the account until the maturity date. You must deposit at least $1,000 to open a Certificate of Deposit Account. We provide a confirmation notice that serves as the certificate. Certificates of deposit are opened for a fixed amount and held for a specific term. Withdrawal prior to the maturity of the term selected will result in an early redemption fee which will substantially reduce the interest earned and could result in the loss of some of the principal.

Types of Certificate of Deposit (CD) Accounts

Interest rates on Certificate of Deposit Accounts will vary based on the term requested. The interest rate and annual percentage yield (APY) on the Certificate of Deposit Account is determined on the day we receive your application. This rate is reserved for a period of 5 business days to allow time for your deposit to arrive. Our current rates and annual percentage yields (APY) for time deposits as of today can be found at our Website, www.ufbdirect.com

Interest

We use the daily balance method to calculate the interest on your account. Interest begins to accrue on the business day you deposit non-cash items (for example, checks). Interest is compounded daily and credited monthly. Interest begins to accrue on the business day you deposit non-cash items (for example, checks). Interest is compounded daily and credited monthly. We may change the interest rate from time to time, at our discretion. The annual percentage yield (APY) assumes that interest remains on deposit until maturity. A withdrawal of interest will reduce earnings. You must maintain the entire balance in the account until maturity to obtain the disclosed annual percentage yield.

Terms

Terms for Certificates of Deposit are offered in monthly increments up to five years.

Maturity Options

Personal Certificate of Deposit (CDs) Accounts automatically renew for the same term and at the current interest rate then paid for the term in which the Account was renewed. Special 13-Month Certificate of Deposit will automatically renew for 12-Months and at the current interest rate. The current interest rates are always available on our Website. You may also email or call us on the maturity date and we can tell you what the interest rate will be for the next renewal term.

In the event you wish to close out your Certificate of Deposit Account at maturity, you can contact us via secure email, telephone or provide instructions in writing. Close out funds can be provided either by bank check or via a wire transfer. In the event you elect to transfer funds via a wire transfer, the Bank's Wire Transfer Form is to be completed and forwarded to the Bank, a fee will apply.

Grace Period

If the Certificate of Deposit Account automatically renews, you have 10 days from the maturity date that you can make changes to your CD's term, rate, or make additional deposits or withdraw funds without penalty before it automatically renews for the same term. This time period is referred to as the "Grace Period". Interest earned during one term that is not withdrawn during or within the ten day grace period immediately after that term is added to principal for the renewal term. If you close the Certificate of Deposit during the grace period, you will forfeit any interest accrued since the maturity date.

Early Withdrawal Penalty

You have contracted to keep your funds on deposit for the agreed term. You may not withdraw all or part of a CD except as provided in this Agreement. At our discretion, we may allow you to withdraw all or part of your funds at times other than the grace period. We withdraw interest before principal. Each time we permit you to make an early withdrawal of principal; we may charge you an early withdrawal penalty. If your account has not earned enough interest to cover an early withdrawal penalty, we deduct any interest first and take the remainder of the penalty from your principal.

If we are required to pay an amount from your CD (i.e. levy or garnishment), we may charge you an early withdrawal penalty, calculated on the amount withdrawn from the CD.

Standard Early Withdrawal Penalty. On a Certificate of Deposit account we will impose a penalty if you withdraw any or all of the principal before the maturity date. The penalty imposed will be determined by the following schedule based on the number of days in the stated term. We calculate the standard early withdrawal penalty on the principal amount withdrawn. Please note that the term of the CD is the specified period of time you agreed to leave your funds on deposit – not the time remaining until maturity of your CD.

- CD term of 3 thru 5 months, one and a half months loss of interest, accrued or not;
- CD term of 6 thru 11 months, three months loss of interest, accrued or not;
- CD term of 12 thru 23 months, six months loss of interest, accrued or not;
- CD term of 24 thru 35 months, twelve months loss of interest, accrued or not;
- CD term of 36 thru 47 months, eighteen months loss of interest, accrued or not;
- CD term of 48 months or greater, twenty-four months loss of interest, accrued or not.

The above schedule applies to personal CD accounts only.

Time to Bring Legal Action

To the fullest extent permissible by applicable law, unless another time is provided in another provision of this Agreement, an action or proceeding by you to enforce an obligation, duty, or right arising under this Agreement or under applicable law must be commenced within one year after the cause of action accrues.

Dispute Resolution Program – Arbitration

(1) Claims Subject to Arbitration: Except as specified in paragraph (2) below, any dispute or claim between you and us must be arbitrated if either party elects arbitration of that dispute or claim. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:

- claims arising out of or relating to any aspect of the relationship between you and us, whether based in contract, tort, fraud, misrepresentation, or any other statutory or common-law legal theory;
- claims that arose before this or any prior agreement (including, but not limited to, claims relating to advertising or disclosures for any of our products or services);
- claims for mental or emotional distress or injury not arising out of bodily injury;
- claims asserted in a court of general jurisdiction against you or us, including counterclaims, cross-claims, or third-party claims, that you or we elect to arbitrate in the answer or other responsive pleading;
- claims relating to the retention, protection, use, or transfer of information about you or any of your accounts for any of our products or services;
- claims relating to communications with you, regardless of sender, concerning any of our products or services, including emails, automatically dialed calls, calls with prerecorded or artificial voice, and text messages; and
- claims that may arise after the termination of this Agreement.

In this arbitration provision only, references to “we" and “us” mean the financial institution and its past, present, and future parents, subsidiaries, affiliates, and each of these entities’ predecessors, successors, assigns, agents, and employees. In this arbitration provision only, references to “you” mean the account owners, all authorized or unauthorized users or beneficiaries of the account, each of those person's assignees, heirs, trustees, agents, or other representatives, and if the account owner is a business, the account owner's parents, subsidiaries, affiliates, and each of those entities' predecessors, successors, assigns, agents, and employees. This arbitration agreement does not preclude you or us from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against you or us on the other's behalf. Nor does this arbitration agreement preclude either you or us from exercising self-help remedies (including setoff), and exercising such a remedy is not a waiver of the right to invoke arbitration of any dispute. **You and we each waive the right to a trial by jury or to participate in a class action whenever either you or we elect arbitration.** This agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision shall survive termination of this agreement.

(2) Claims Not Subject to Arbitration: You and we agree that the following disputes or claims cannot be arbitrated:

- claims arising from bodily injury or death;
- claims seeking only individualized relief asserted by you or us in small claims court, so long as the action remains in that court and is not removed or appealed de novo to a court of general jurisdiction;
- claims to collect debts owed pursuant to an extension of credit under a separate agreement or note (such as a separate loan agreement, promissory note, guaranty, mortgage, or deed of trust), including, without limitation (a) the exercise of self-help remedies when permitted by applicable law, (b) the initiation of judicial or non-judicial foreclosure against real or personal property, (c) the exercise of any power of sale rights, or (d) the petitioning for the appointment of a receiver or similar relief;
- disputes over the scope and enforceability of this arbitration provision, including whether a dispute or claim can or must be brought in arbitration or whether paragraphs (7) or (8) of this arbitration provision have been violated; and
- disputes over whether paragraphs (3) or (4) of this arbitration provision has been violated, for purposes of awarding relief that a court can award under those paragraphs.

(3) Pre-Arbitration Notice of Disputes and Informal Resolution: Before either you or we commence arbitration, the claimant must first send to the other a written Notice of Dispute (“Notice”). The Notice to us should be sent by U.S. mail or professional courier service to: 4350 La Jolla Village Dr., Suite 140, Attention: Office of the Chief Legal Officer, San Diego, CA 92122 (“Notice Address”). The Notice to you will be sent to your address on file with your account. The Notice must (a) include the claimant’s name, phone number, and mailing and email address, as well as the account number(s) at issue; (b) describe the nature and basis of the claim or dispute; and (c) set forth the specific relief sought. The Notice must be personally signed by you in ink (if you are the claimant) or by our representative (if we are the claimant). To safeguard your account, you might be required to provide both your authentication and consent for us to discuss your account or share your account information with anyone but you, including an attorney (“Authentication and Consent”).

Whoever sends the Notice must give the other party 60 days after receipt of a complete Notice (including your Authentication and Consent, if required) to investigate the claim. During that period, either you or we may request an individualized discussion (by phone call or videoconference) regarding settlement (“Informal Settlement Conference”). You and we must work together in good faith to select a mutually agreeable time for the Informal Settlement Conference (which can be after the 60-day period). You and our representative must both personally participate, unless otherwise agreed in writing. Your and our lawyers (if any) also can participate.

Any applicable statute of limitations or contractual limitations period will be tolled during the “Informal Resolution Period.” The Informal Resolution Period is the number of days between the date that a complete Notice (including Authentication and Consent, if required) is received by the other party and the later of (i) 60 days later or (ii) the date the Informal Settlement Conference is completed, if timely requested.

(4) Commencing Arbitration: An arbitration proceeding cannot be commenced until after the Informal Resolution Period has ended and the pre-arbitration requirements in paragraph (3) have been satisfied. (Paragraph (8) has additional requirements for commencing certain coordinated arbitrations.) A court will have authority to enforce this paragraph (4), including the power to enjoin the filing or prosecution of arbitrations without first providing a complete Notice and participating in a timely requested Informal Settlement Conference. The court also may enjoin the assessment or collection of arbitration fees incurred as a result of such arbitrations. Further, unless prohibited by applicable law, the arbitration provider shall not accept or administer any arbitration or assess any fees in connection with an arbitration unless the claimant has complied with the Notice and Informal Settlement Conference requirements of paragraph (3).

(5) Arbitration Procedure: The arbitration will be governed by the Consumer Arbitration Rules ("AAA Rules") of the American Arbitration Association ("AAA"), as modified by this arbitration provision, and will be administered by the AAA. (If the AAA is unavailable or unwilling to administer arbitrations consistent with this arbitration provision, another arbitration provider shall be selected by the parties or by the court.) The AAA Rules are available online at www.adr.org or by writing to the Notice Address.

Unless you and we agree otherwise, any arbitration hearings will take place in the county of your address on file with your account. If appropriate, the arbitrator may hold hearings by telephone or videoconference or decide matters on the basis of papers submitted by the parties. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based.

Except as provided in paragraph (7) below, the arbitrator shall apply the same substantive law that a court would apply and can award the same individualized remedies (including statutory damages and statutory attorney's fees and costs) that a court could award under applicable law or this Agreement. The arbitrator may consider rulings in arbitrations involving different customers, but an arbitrator’s ruling will not be binding in proceedings involving different customers. As in court, you and we agree that any counsel representing someone in arbitration certifies that they are complying with the requirements of Federal Rule of Civil Procedure 11(b), and the arbitrator is authorized to impose any sanctions available under that rule, the AAA Rules, or applicable federal or state law against all appropriate represented parties or counsel.

(6) Arbitration Fees: We will pay all AAA filing, administration, case-management, hearing, and arbitrator fees (“AAA Fees”) if we initiate an arbitration. If you initiate arbitration of claims of $10,000 or less, we will pay the AAA Fees, so long as you have fully complied with the requirements in paragraph (3). In such cases, we will pay the filing fee directly to AAA upon receiving a written request from you at the Notice Address or, if AAA requires you to pay the filing fee to commence arbitration, we will send that amount to the AAA and request that the AAA reimburse you. If, however, the arbitrator finds that you or your counsel have violated the standards of Federal Rule of Civil Procedure 11(b)), then the payment and allocation of AAA Fees will be governed by the AAA Rules, and you may be required to reimburse us for AAA Fees that we paid on your behalf.

Notwithstanding the foregoing, if Coordinated Arbitrations as described in Paragraph (8) below are brought against us, we will pay only that portion of the AAA Fees required by the AAA rules, and only as set forth in Paragraph (8) below and otherwise in this Agreement. In such an instance, you will be required to pay your portion of the AAA Fees as required by the applicable AAA rules. Additionally, if you initiate individual claims seeking in excess of $10,000, you will be required to pay your portion of the AAA Fees as required by the applicable AAA rules.

(7) Requirement of Individual Arbitration: The arbitrator may award relief (including damages, restitution, and declaratory or injunctive relief) only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. YOU AND WE AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR OUR INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, REPRESENTATIVE, OR PRIVATE ATTORNEY GENERAL PROCEEDING. Further, unless both you and we agree otherwise, the arbitrator may not consolidate the claims of more than one person (except for the claims of co- or joint account owners pertaining to that account), and may not otherwise preside over any form of a representative, class, or private attorney general proceeding. If, after exhaustion of all appeals, any of these prohibitions on non-individualized relief and proceedings or on consolidation are found to be unenforceable, then all other aspects of the case must be arbitrated first. After completing arbitration, the remaining (non-arbitrable) aspects of the case will then be decided by a court.

(8) Coordinated Arbitrations: If 25 or more claimants submit Notices or seek to file arbitrations raising similar claims and are represented by the same or coordinated counsel (whether the cases are pursued simultaneously or not), all the cases must be resolved in staged proceedings. You agree to this process even though it may delay the arbitration of your claim. In the first stage, we and claimants’ counsel will each select up to 25 cases (50 cases total) to be filed in arbitration and resolved individually by different arbitrators. In the meantime, no other cases may be filed or proceed in arbitration, and the arbitration administrator must not assess or demand payment of fees for the remaining cases or administer or accept them.

The arbitrators are encouraged to resolve the cases within 120 days of appointment or as swiftly as possible thereafter, consistent with fairness to the parties. After the first stage is completed, the parties must engage in a single mediation of all remaining cases, with us paying the mediation fee. If the parties cannot agree how to resolve the remaining cases after

mediation, they will repeat the process of selecting and filing up to 50 cases to be resolved individually by different arbitrators, followed by mediation.

If any claims remain after the second stage, the process will be repeated until all claims are resolved, with four differences. First, a total of 100 cases may be filed in the third and later stages. Second, the cases will be randomly selected. Third, arbitrators who decided cases in the first two stages may be appointed in later stages if different arbitrators are not available. Fourth, mediation is optional at the election of both us and claimants' counsel.

Between stages, counsel will meet and confer regarding ways to improve the efficiency of the staged proceedings, including whether to increase the number of cases filed in each stage. Either party may also negotiate with the arbitration administrator regarding the amount or timing of arbitration fees.

If this paragraph applies to a Notice, the Informal Resolution Period for the claims and relief set forth in that Notice will be extended (including the tolling of any limitations periods) until that Notice is selected for a staged proceeding, withdrawn, or otherwise resolved. A court will have the authority to enforce this paragraph, including by enjoining the mass filing, the prosecution or administration of arbitrations, or the assessment or collection of arbitration fees.

This paragraph is intended to be severable from the rest of this arbitration provision. If, after exhaustion of all appeals, a court decides that the staging process is not enforceable, then the cases may be filed in arbitration and the payment of arbitration fees will be assessed as the arbitrations advance and arbitrators are appointed rather than when the arbitrations are initiated.

(9) Military Lending Act: If you are a covered member of the armed forces or the dependent of a covered member within the meaning of the Military Lending Act and your Agreement with us involves an extension of consumer credit under that Act, then you are not required to arbitrate disputes.

Forum Selection

Except for claims to collect debts owed pursuant to an extension of credit under a separate agreement or note, unless you and we agree otherwise, to the greatest extent permitted by law, the state and federal courts in San Diego, California will have exclusive jurisdiction over any disputes (except for disputes brought in small claims court) that are not subject to arbitration or over any action involving the applicability or enforceability of the section entitled Dispute Resolution Program – Arbitration. You and we consent to the jurisdiction of those courts and waive any objections as to personal jurisdiction or as to the laying of venue in such courts due to inconvenient forum or any other basis or any right to seek to transfer or change venue of any such action to another court.

Funds Availability Disclosure for Personal Accounts

Your Ability to Withdraw Funds

This policy applies to deposits into accounts that are opened at the Bank. All deposits are processed at the Bank's processing facility located in San Diego, CA, and are received either electronically or through the mail. Please do not send cash deposits. In the event Bank receives cash deposits, you agree that Bank's determination of the amount of the deposit will be conclusive. The Bank is responsible for mailed deposits only after the Bank has received them. The Bank is not liable for any deposits, including cash, lost in the mail. Remember: when you use the U.S. mail to make a deposit, you will need to allow extra time for the deposit to reach us.

The Bank's policy is to make funds from certain electronic deposits available to you on the business day the Bank receives the deposit. However, the Bank may delay the availability of funds from your check deposits to afford us time to verify the deposit and ensure the funds are collected. During the delay, you may not withdraw the funds and the Bank will not use the funds to pay checks you have written or other debits against the account that you have initiated, such as electronic bill payments.

Determining the Availability of a Deposit

The length of the delay is counted in Business Days from the day of your deposit. Every day is a Business Day, except Saturdays, Sundays, and federal holidays. If you make a deposit before our established cutoff time on a business day that we are open, we will consider that day to be the day your deposit is received by the Bank. However, if you make a deposit after our cutoff time or on a day we are not open, we will consider the next business day we are open to be the day of your deposit. The availability of your deposit varies depending on the type of deposit and is explained below.

Our deposit cutoff times are as follows:

- Branch deposits:
  - California: 5pm Pacific Time for same-day processing
  - Nevada: 5pm Pacific Time for same-day processing (does not accept cash transactions)
- Axos ATM deposits:

  - Axos Bank ATMs: 5pm Pacific Time for same-day processing
  - Non-Axos Bank ATMs: 2:30pm Central Time for same-day processing
- Check deposits made via the Mobile Banking app: 3pm Pacific Time

Electronic credits (such as Direct Deposit or account transfers): Credit received at least 2 days before the settlement date, will be posted by 8:30am Central on the date specified as the settlement date

This funds availability policy does not apply to checks drawn on banks located outside the United States of America.

Same Day Availability

Funds from electronic direct deposits to your account will be available on the same day the Bank receives the deposit.

Interbank Transfers initiated from your Online Banking account will be made available upon actual and final credit of the funds. This is typically within 3 to 5 Business Days.

Next-Day Availability

Funds from the following deposits on established accounts are available on the first Business Day after the day of your deposit:

- U.S. Treasury Checks that are payable to you
- U.S. Postal Service Money Orders that are payable to you
- Wire Transfers
- Checks drawn on the Bank

If you make a deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit:

- Cash
- State and local government checks that are payable to you
- Cashiers, certified
- Federal Reserve Bank checks

If you do not make your deposit in person to one of our employees (for example you mail the deposit), funds from these deposits will be available on the second business day after the day we receive your deposit.

If you make your deposit at a nonproprietary ATM (an ATM **not** owned or operated by Axos Bank), funds from these deposits will be available no later than the fifth business day after the banking day of deposit.

Note: At its discretion, the Bank may decline to accept any item for deposit.

Other Check Deposits

Checks are available as follows:

Checks: The first $275 from a deposit of checks will be available on the first business day after the day of your deposit. The remaining funds from a deposit of checks will be available on the second business day after the day of your deposit. For example, if you deposit a check of $700 on Monday, $275 of the deposit is available on Tuesday. The remaining $425 is available on Wednesday.

If we are going to take longer to make all of the funds from these types of deposits available as disclosed above, we will notify you by mail or e-mail within one business day after we receive your deposit. We will also tell you when the funds will be available.

Longer Delays May Apply

In some cases, we will not make all funds that you deposit by check available to you by the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first $275 of your deposits, however, may be available no later than the first business day after your deposit. If we are not going to make all funds from your deposit available by the first business day after the day of your deposit, we generally notify you by mail or e-mail if the Bank delays your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit. If you need the funds from a deposit right away, you should ask when the funds will be available.

We may delay the availability of funds you deposit by check for a longer period under the following circumstances:

- The Bank believes a check you deposited will not be paid;
- You deposited checks totaling more than $6,725 on any one day;

- You redeposit a check that has been returned unpaid;
- You have overdrawn your account repeatedly in the last six months; or
- There is an emergency, such as failure of communications or computer equipment.

Special Rules for New Accounts

If you are a new customer, the following special rules will apply during the first thirty (30) days your account is open:

- Funds from electronic direct deposits to your account will be available on the day we receive the deposit.
- Funds from deposits of cash and wire transfers will be available the first business day after the day of your deposit. The first $6,725 of a day's total deposits of traveler's, cashier's, certified, teller's and federal, state and local government checks will be available the first business day after the day of your deposit, if the deposit meets certain conditions. For example, the check is deposited into an account held by the payee and in person to an employee of the bank. The excess over $6,725 will be available on the seventh (7th) business day after the day of your deposit. If your deposit of these checks (other than a US Treasury check) is not made in person to one of our employees, the first $6,725 will not be made available until the second business day after the deposit.
- Funds from all other check deposits will be available on the seventh (7th) business day after the day of your deposit.

NOTE: A five (5) business day hold will be placed on your initial deposit when the Bank is initiating the transfer via the automated clearing house from your external bank account on your behalf.

Cash Withdrawal Limitations

If we delay availability of your deposit, we place certain limitations on withdrawals in cash. In general, $275 of a deposit is available for withdrawal in cash on the first business day after the day of deposit. In addition, a total of $550 of other funds becoming available on a given day is available for withdrawal in cash at or after (time no later than 5:00 pm (PT)) on that day. Any remaining funds will be available for withdrawal in cash on the following business day.

Holds on Other Funds (Check Cashing)

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you deposited it.

Deposits at Non-Axos Bank ATMs

Non-Axos Bank ATMs are part of ATM networks owned or operated by other financial institutions. You can use your card to deposit funds to accounts linked to your card as primary checking and primary savings. Deposits made at a non-Axos ATM by cash or check will be made available for withdrawal not later than the fifth business day following the banking day on which the funds are deposited. All ATMs that we own or operate are identified as our machines.

IMPORTANT CHECKING ENDORSEMENT STANDARDS FOR CONSUMER ACCOUNTS

Your compliance with the Bank's endorsement standards is necessary to help assure that the checks you deposit will be cleared on a timely basis. UFB Direct’s endorsement standards are:

Customer endorsements must be placed on the reverse side of the check where indicated by preprinted format.

The remaining area of the check cannot contain any preprinted, stamped or handwritten customer information.

Some checks or drafts may require personal endorsement.

Check 21 - Substitute Checks and Your Rights

What is a substitute check? To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check. Some or all of the checks that you receive back from us may be substitute checks. This notice describes the rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other laws with respect to those transactions.

What are my rights regarding Substitute Checks? In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, NSF check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You are also entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other laws.

If you use this procedure, you may receive up to $2,500 of your refund (plus interest if your account earns interest) within 10 business days after we receive your claim and the remainder of your refund (plus interest if your account earns interest) no later than 45 calendar days after we received your claim. We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do you make a claim for a refund? If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss, and
- A copy of the substitute check and/or the following information to help us identify the substitute checks: the check number, the name of the person to whom you wrote the check and the amount of the check.

Overdrafts and Nonsufficient Funds

When we determine that you do not have enough available funds (available balance plus any linked overdraft protection accounts) in your account to cover an Item (including an ATM or Debit Card transaction), then we consider the item an insufficient funds item. If you have enrolled in our optional Overdraft Line of Credit Program and have enough funds in the linked account under the Overdraft Line plan, we transfer funds to cover an item (including a check or an ATM or Debit Card transaction) or we transfer all of the funds in your line of credit if there is not enough to cover all the items (including a check or an ATM or Debit Card transaction). You may also establish a link from your checking account to a savings account or money market account to cover the shortfall in your checking account. Otherwise, without notice to you, we either authorize or pay the insufficient item and overdraw your account (an overdraft item) or we decline or return the insufficient item without payment (a returned item). All types of items, including Bank fees, may overdraw your account. We will look first to a linked account if you have established one, then to the Overdraft Line of Credit Program if you have enrolled, and then our standard overdraft program when determining to pay or return insufficient funds items.

We pay overdrafts at our discretion, which means we do not guarantee that we will always, or ever, authorize and pay them. If we authorize or pay an item and create an overdraft, you must pay back any overdraft immediately. Each Owner will be jointly and severally liable to pay back any overdraft created by any account Owner, even if the Owner did not write the check, initiate the transaction, benefit from it or make any deposits to the account. If we overdraw your account to pay items on one or more occasions, we are not obligated to continue to paying future insufficient funds items. We may also close your account due to overdraft activity. See Closing an Account. You agree that we may apply deposits (including, but not limited to, Social Security and similar benefits) to overdrafts without notice to or consent from you, unless the law states otherwise.

We may charge you a fee regardless of whether we authorize, pay or return an item. We may assess this fee for each item we authorize, pay or return. This means that if a merchant makes a second or third attempt to be paid after its first attempt is returned, we will treat it as separate Item subject to a separate fee if we pay or return it. See our Schedule of Fees herein.

Overdraft Protection

The Bank Offers overdraft protection services that may protect your account against overdrafts in the event you do not have sufficient available funds to cover an item authorized or presented for payment. Overdraft protection may be less costly than paying overdraft or Non-sufficient return item fees.

- *Overdraft Protection By Linked Accounts* – With this plan, you authorize the Bank to make an automatic transfer from your savings account to cover items presented for payment against non-sufficient funds to your designated checking account. These automated transfers are considered limited transfers and each transfer is counted as one of the six transfers from a savings account allowed per calendar month.

A transfer occurs from your savings account to cover items presented against non-sufficient funds. Transfers are made for the exact amount to cover the shortfall in Available Funds. If there are not enough funds to cover the Item, no transfer will be made.

General Rules and Definitions

This agreement (the "EFT Agreement") governs your use of Electronic Funds Transfer Services described below ("EFT Services") that are available for the Accounts opened through the Bank Website (the "Website"). The following provisions apply only to accounts established primarily for personal, family, or household purposes. This EFT Agreement describes your rights as well as your responsibilities and as such should be read carefully. We recommend that you keep the EFT Agreement for future reference.

Types of Transactions

We offer the following types of Electronic Fund Transfers (EFT) Services for your Checking Account.

Direct Deposits.

You can arrange for direct deposits to your checking and savings account(s).

Preauthorized Credits/Debits.

We accept, on your behalf preauthorized Credits/Debits drawn on your Deposit Accounts which allow unrestricted activity. Through our electronic bill payment service, you are able to electronically transfer funds from your Deposit Account to other parties, provided the account allows such activity. We may conduct these transactions via Automated Clearinghouse (ACH) transfer. We may also accept and direct funds by wire transfer. Each of these services has unique fees associated with the transaction. Please consult our Schedule of Fees herein. When you provide the party initiating the withdrawal or deposit with advance authorization to make recurring ACH transfers to or from your Account, the transfers are referred to as "preauthorized transfers." Because these preauthorized transfers are performed electronically through the ACH, they are governed by federal regulations pertaining to EFT Services, which entitle you to certain benefits and protections in connection with the EFT Services, such as the right to receive a copy of your written authorization to make preauthorized transfers from your Account from the party that obtains it.

ATM and Point-of-Sale Transactions.

ATM Transactions**.** ATM Cards issued by us to you remain our property and you may be requested to return the Card to us at any time for any reason. Each card is used in conjunction with an authorizing Personal Identification Number ("PIN"). To guard against someone initiating a transaction that you have not authorized, you must take all reasonable precautions to prevent any other person from learning your PIN. If you permit or authorize another person to use your Card and PIN, you will be liable for all resulting transactions. You may use your Card at ATMs which are a part of an Electronic Funds Transfer service network to which the Bank belongs ("EFT network"). ATM withdrawals are available up to the daily authorization limits disclosed below, provided the available balance in the Deposit Account associated with your card is greater than or equal to the amount requested, plus any fees that may be charged along with the cash disbursement.

- Withdraw cash from your Checking Account.
- Find out your Checking Account balances.
- Transfer funds between your own accounts at the Bank (if available on the ATM in use).
- Withdraw cash from your Savings Account.

- Make deposits to your own accounts.

Note: We cannot assure that a specific ATM or EFT network will perform or permit all the above transactions. In addition, some or all transactions may be subject to a surcharge assessed by the terminal owner. Some fees and/or charges assessed by the terminal owner may be reimbursed to you in accordance with our published Schedule of Fees herein. Also, a specific ATM or EFT network may not provide you with access to all of your Accounts or may automatically post withdrawals to certain account types (such as checking), rather than the account you selected. If you have a question regarding whether a certain ATM or EFT network will process a transaction, sign on to your online banking, call, e-mail or write us.

Point-of-Sale Transactions. You may use your Visa debit card to purchase goods and services from merchants that participate in certain EFT networks and have agreed to accept your Card as a means of payment. Purchases made with your Card are referred to as point-of-sale ("POS") transactions, and will be charged against your Checking Account. POS withdrawals may, at the Bank's discretion, be authorized even when the available balance is not sufficient.

Other Electronic Transfers.

Transfers to Your Other Accounts at the Bank. You may transfer funds to a Savings, Money Market, or Checking Account on the Website by logging into online banking.

Transfers to Third Parties. You can transfer funds from your Account to third parties ("Recipients") by entering payment instructions through our online banking Bill Payment Service. Once the transfer has occurred, it is irrevocable. Transfers using Zelle, Venmo, or a similar peer-to-peer payment provider may be susceptible to fraudulent activity. Please take care before authorizing any payments and ensure the recipient is someone you trust. We are not responsible if you authorize a payment that was fraudulently induced. We consider all payments to be authorized transactions unless you notify us immediately of unauthorized access to your account. Unauthorized transactions mean transactions initiated by someone other than you without your permission. If you have reason to believe that someone has your login credentials to have permission to make transactions, you must contact us immediately at 888.502.2967 or else any transactions initiated by that person will be considered authorized.

Terms Relating to Goods and Services Purchased using Electronic Transfers with an ATM or Visa Debit Card.

No Liability. The Bank is not responsible in any way for any goods or services you decide to purchase, including without limitation, their quality, safety, legality or delivery. The Bank will not become involved in any dispute involving such goods or services. You also agree to release the Bank and their respective directors, officers, employees and agents from any and all claims, demands and damages between persons using and accepting the Bank's ATM and Visa Debit Cards issued to you, including any claims, demands or damages arising out of or related to the purchase or sale of goods or services.

Rejected Funding Transactions. Payments are made solely out of funds on deposit with the Bank in accordance with the Banking Documents. If you fund your account through a credit card or ACH transaction, you may not dispute that transaction if you have transferred funds out of your account. If you are the recipient of a transfer from another Bank customer, and the sender reverses or charges back a transaction used to fund your transfer, Bank immediately and without notice or presentment may debit your account for the amount of the transfer, regardless of whether your account has a sufficient balance to fund the transaction. You are responsible for any overdraft created because of the reversal. You may incur interest, fees and charges in accordance with the Banking Documents if there are insufficient funds in your designated Account to cover such amount.

Limitations on Payments. The Bank may terminate access to the Bank's ATM and/or Visa Debit **Card Services at any time for any reason, including without limitation (i) with respect to any recipient of transfers, if the Bank believes in its sole discretion that there are an excessive number of disputes involving customer use, or (ii) with respect to any third party, if the Bank** believes in its sole discretion that the third party has initiated disputes without reasonable cause or in bad faith. The Bank also may reject a transaction or restrict your access to the Website to make further transactions at any time if it believes the security of your accounts or the Website is at risk or any fraudulent or illegal activity may be occurring, including evidence of unusual activity in your accounts.

Limitations on Transfers

Your Card transactions will be subject to daily limits as follows*:

- Cash withdrawal from an ATM using an ATM card - $310.00
- Cash withdrawal from an ATM using a Visa® Debit card - $1,010.00
- Point-of-sale transaction using your Visa® Debit card - $2,500.00

* For security reasons, we may further limit these amounts from time to time without notice. Non-sufficient funds activity involving an ATM or Visa Debit Card may result in decreased daily limits or revocation of the card.

Charges for Use of Your Card. We do not charge you a fee to use your Card at an ATM or to make a POS transaction. However, ATM transactions may be subject to a fee or surcharge assessed by the terminal owner, for which you will be reimbursed by the Bank up to the amount per month which corresponds to the type of account you have.

Preauthorization Payments Holds

When you use your Card at a point of sale location or when you use the Visa or other network enhancement feature of the Cards to obtain goods or services or to obtain cash, the merchant may attempt to obtain preauthorization from us for the transaction. When the preauthorization is approved by us, we immediately place a hold on your account to debit the preauthorized amount. The amount you actually approved or signed for may vary in some cases from the amount of the actual purchase, depending on the merchant's request. If the preauthorization request varies from the amount of the actual transaction, payment of the transaction (which usually occurs within two to five days) will adjust the amount previously deducted from your designated Account. The hold placed on your account will affect the available balance in your designated Account to pay checks or for other electronic fund transfers. Since all transactions are immediately posted to your designated Account, please check your available balance on the Website. We will not be responsible for damages for wrongful dishonor if any items are not paid because the amount requested by the merchant was different from the actual amount you approved.

Using your Card for International Transactions

If you use your Card to obtain cash or to purchase goods or services in another country (even if you are physically located in the United States), the amount of the charge in foreign currency will be converted to a U.S. dollar amount by the applicable network (e.g. Visa, MasterCard, etc.). In making this conversion, the network will use the procedures set forth in its operating regulations. Conversion to U.S. dollars may occur on a date other than the date of the transaction; therefore, the currency conversion rate may be different from the conversion rate in effect on the transaction date. You understand that we do not determine the currency conversion rate that is used, and we do not receive any portion of the currency conversion rate.

Documentation of Transfers

Receipts: You have a right to receive a receipt at ATMs and POS terminals that accept your ATM and/or Visa debit cards each time you make a transaction.
Preauthorized Credits: If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 877.472.9200 to find out whether or not the deposit has been made.
Periodic Statements: You will also be able to view your bank statement and transaction history on the Website.

Lost or Stolen Card or Unauthorized Transactions

Notify us immediately if your ATM Card, Visa Debit Card or PIN or other access code has been lost or stolen or used without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all your money in your account plus your maximum Overdraft Line of Credit.

In Case of Errors or Questions about Your Electronic Transfers

Telephone Customer Service at 1-877-472-9200, email, or write us at UFB Direct, P.O. Box 509127, San Diego, CA 92150, as soon as you can if you think your online statement or receipt is wrong or if you need more information about a transfer listed on the online statement or receipt. We must hear from you NO LATER than 60 days after your FIRST online statement on which the problem or error has appeared. In your communication to us, be prepared to provide us with the following information:

- Your name and Account number (if any).
- A description of the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

If you tell us orally, we may require that you send your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days for new accounts) after we hear from you and will correct the error, promptly. If we need more time, however, we may take up to 45 days (90 days for new accounts, point-of-sale, or foreign-initiated transactions) to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days (20 business days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your questions or complaint in writing and we do not receive it within 10 business days, we may not credit your account.

For disputes involving the unauthorized use of your Visa Debit Card for Visa point-of-sale transactions, we will provisionally credit your Account within 5 business days. Under the Visa Rules, we may withhold provisional credit to the extent allowed under applicable law if we determine that the circumstances or account history warrants the delay. The Visa Rules do not apply to ATM transactions, certain commercial card transactions, PIN or other transactions not processed over the V network.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Electronic Transaction Cancellations

If you have arranged with us in advance to make regular periodic payments out of your designated Account using our Electronic Bill Payment Service, you can stop any of those payments by following these procedures:

- Sign on to the Website and cancel the future payments using the procedure as called for in the Bill Payment section.

NOTE: This section does not apply to stop payment orders for checks.

Liability of Bank for Failure to Stop Payment of Preauthorized Transfer

If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Your Liability for Unauthorized Electronic Funds Transfers

TELL US AT ONCE if you believe your ATM and/or Visa Debit Card or any other Access Device has been lost or stolen or if you think your PIN or Password is no longer secure or confidential. Telephoning us is the best and fastest way of keeping your possible losses down. During business hours you may call 1-877-472-9200 to report your ATM/Visa Debit Card lost or Stolen.

You can lose no more than $50.00 if someone used your Card without your permission, if you tell us within two business days, subject to Visa's Zero Liability policy. If you do NOT tell us within two business days after you learn of the loss or theft of your Card or other Access Device, and we can prove we could have stopped the unauthorized transactions if you had told us, you could lose as much as $500.00. Also if your on-line statement shows transactions that you did not make, TELL US AT ONCE. If you do not tell us within 60 days after the daily transactions (Periodic Statement) are provided to you on the Website, you may not get back any money you lost after the 60 days if we can prove that we could have prevented the transactions if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, let us know. We may extend the time periods.

You agree that you will not reveal your User ID, Password, PIN, or any other Access Device to any person not authorized by you to use your Access Devices; not write your PIN or Password on your ATM and/or VISA Debit Cards or on any item kept with your Access Devices; and not leave a computer terminal unattended after you have logged in using your Password or other Access Device.

Our Liability for Failure to Complete Electronic Funds Transfers

If we do not complete a transaction from your consumer account on time or in the correct amount, according to our agreement with you, we will be liable for your losses or damages only directly caused by this failure. However, there are some exceptions. For instance, we will not be liable if:

Through no fault of ours, you do not have enough available funds in your Account, including any available overdraft line of credit, to make the transaction.

- The automated teller or cash dispensing machine does not have enough cash.
- Any terminal or system was not working properly and you knew about the breakdown when you started the transaction.
- Circumstances beyond our control (such as fire, flood or riot) prevent the transaction, despite reasonable precautions that we have taken.
- In the case of pre-authorized credits, the data from the third party is not received, is incomplete or erroneous.

Amendments

If you do not agree to a change or amendment to this EFT Agreement, you must notify us prior to the effective date of the change or amendment and cancel your EFT Services and surrender or destroy your Access Devices.

Termination

We may terminate EFT Services, in whole or in part, without notice, due to your default or as a security precaution. If you or we cancel this EFT Agreement you must surrender or destroy your Card or any other Access Device issued to you.

Confidentiality

We will disclose information to third parties about your account or the transfers you make:

- Where it is necessary for completing transfers, or
- In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or
- In order to comply with government agency or court orders, or
- If you give us your written permission.

Transactions not Subject to Electronic Fund Transfer Act or Regulation E

Electronic transfers made from an account used for business purposes, regardless of account ownership, are not subject to the Electronic Funds Transfer Act, Regulation E or to the error resolution procedures set forth herein. You must notify us at once of any unauthorized or erroneous electronic transactions not subject to the Electronic Fund Transfer Act or Regulation E shown on your statement or a notice. Your notice must be in writing, must include a statement of relevant facts and must reach us no later than 60 days after the date of the statement or notice on which the erroneous transaction appears.

ATM Safety Tips

The suggestions that follow offer some simple tips on protecting your card and PIN and on exercising care when using an ATM. Please review them carefully,

Protect Your ATM Card and Personal Identification Number (PIN)

- Always protect your card by keeping it in a safe place. If your card is lost or stolen, contact us immediately.
- Always protect your PIN. You should never give your PIN to anyone and you should never write your PIN anywhere, especially on your card. If you choose your own PIN, avoid using obvious numbers such as telephone numbers, addresses, or birthdates.
- Never give someone information about your card or PIN over the telephone. If someone is asking for this information, refuse and immediately contact us.

Be aware of Your Surroundings at ATMs

- Look around when you walk up to the ATM or exit the ATM. If you notice anyone or anything suspicious or that you deem unsafe, such as the lighting around the ATM not working, use another ATM or return later.
- While at the ATM, enter your PIN discreetly; shield the keypad with your hand or body. After completing your transaction, be sure to put your card away, cash, and transaction record before exiting the ATM area. Count the cash later in the safety of your locked car or home.
- When you enter or exit an ATM in an enclosed area, be sure you close the entry door completely. Do not open locked ATM vestibule doors for others or allow any unknown persons to enter the ATM area when you are making your transaction. Authorized customers should have their own access.
- When you use a drive-up ATM, be sure your passenger windows are closed and doors are locked.
- If you must use an ATM at night, consider taking someone with you.

Other Electronic Fund Transfer Services:

Funds Transfer Services

The following provisions apply to funds transfers you send or receive through UFB Direct "the Bank", but do not apply to electronic funds transfers governed by Regulation E of the U.S. Federal Reserve Board. If you have a specific agreement with the Bank for these services, these provisions supplement that agreement to the extent these provisions are not consistent with the specific agreement.

The Uniform Commercial Code includes provisions relating to funds transfers. These provisions define the following terms: funds transfer, payment order and beneficiary. These terms are used here as they are defined in Article 4A of the Uniform Commercial Code - Funds Transfers as adopted by the state whose law applies to accounts for which the funds transfer service is provided. In general: a funds transfer is the process of carrying out payment orders that lead to paying a beneficiary. The payment order is the set of instructions given to the Bank to transfer funds. The beneficiary is the person or business who receives the payment. We may charge fees for sending or receiving a funds transfer. We may deduct our fees from your account or from the amount of the transfer. For current fees, please refer to our Schedule of Fees herein.

Fedwire

Fedwire is the electronic funds transfer system of the US Federal Reserve Banks. When you send a payment order or receive a funds transfer, we or other banks involved in the funds transfer may use Fedwire. If any part of a funds transfer is carried out by Fedwire, your rights and obligations are governed by Regulation J of the Federal Reserve Board.

Sending Funds Transfer:

Cutoff times for Payment Orders. We have cutoff times for processing payment orders. If the Bank receives your domestic payment order or international payment order after 12:00 PM (PT), or on Saturday, Sunday or federal holiday, it will be processed on the next funds-transfer business day.

Amending or Canceling Payment Orders. You may only amend or cancel a payment order prior to the funds transfer being sent by the Bank. If you ask the Bank do this, we may make a reasonable effort to act on your request. But we are not liable to you if, for any reason, a payment order is not amended or cancelled. You agree to reimburse the Bank for any costs, losses or damages that we incur in connection with your request to amend or cancel a payment order.

Inconsistency of Name or Number. When receiving a payment order, payment may be made by the Bank, or by other banks, to which the payment order is forwarded, based solely on the account number even if the account number identifies a beneficiary different from the beneficiary named by the Originator of the payment order. Furthermore, when receiving a payment order, we may rely, and any other banks to which the payment order is forwarded may rely, on the bank identification number provided in the payment order even if the identification number identifies a bank different from the bank named by the Originator of the payment order.

Sending Payment Orders**.** We may select any intermediary bank; funds transfer system or means of transmittal to send payment orders. Our selection may differ from that indicated in your instructions.

Notice of Rejection. The Bank may reject payment orders. We notify you of any rejection electronically or orally. We are not liable to you for the rejection or obligated to pay you interest for the period before you receive timely notice of rejection.

Errors or Questions About Payment Orders**.** The Bank will notify you about funds transfer by listing them on your account statement. In some cases, we may also notify you electronically or in writing. You must notify us at once if you think a funds transfer shown on your statement or notice is incorrect. You must send us written notice, including a statement of relevant facts, no later than 10 days after the date you receive the first notice or statement on which the problem or error appears. If you fail to notify us within this 10-day period, we are not liable for any loss of interest because of an unauthorized or erroneous debit or because your statement or notice is incorrect. We are not required to compensate you, and we are not required to credit or adjust your account for any loss of interest or interest equivalent.

Receiving Funds Transfers:
The Bank may receive instructions to pay funds to your account. We may receive funds transfers directly from the sender, through a funds transfer system or through some other communications system. This includes wire transfers, ACH transfers that may be sent through an ACH system or processed directly to an account with us.

ACH Provisional Payment Rule. Credit given by us to you with respect to an automated clearing house credit or debit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with the entry, and the party making payment to you (i.e. Originator of the entry) will not be deemed to have paid you the amount of such entry.

Notice of Funds Transfer**.** Under the Operating Rules of the National Automated Clearing House Association which are applicable to ACH transactions involving your account, we are not required to give next-day notice to you of receipt of an ACH item, and we will not do so. However, we will continue to notify you of the receipt of payments in periodic statements we provide to you.

ACH Debits and Credits. From time to time, originators that you authorize may send Automated Clearing House (ACH) credits or debits for your account. For each ACH transaction, you agree that the transaction is subject to the National Automated Clearing House Association (NACHA) Operating Rules and any local ACH operating rules in effect. You agree that we may rely on the representations and warranties contained in these operating rules and either credit or debit your account, as instructed by the originator of the ACH transaction. You should be cautious about giving someone your account number to help prevent unauthorized transactions on your account. You must notify the Bank immediately of unauthorized activity.

What is a personal loan?

A personal loan is a lump sum of money you borrow and repay in fixed monthly payments over a set period of time. These loans are typically unsecured, meaning no collateral is required, and they offer a straightforward way to cover expenses like debt consolidation, home projects, or unexpected costs.

1. **Fixed payments with clear terms**
Personal loans come with fixed interest rates and consistent monthly payments, so you always know what you owe and when it is due. There are no surprises over the life of the loan.

2. **Flexible uses for everyday needs**
From consolidating higher interest debt to covering major purchases or home improvements, personal loans give you flexibility to use funds where you need them most.

3. **No collateral required**
Most personal loans are unsecured, which means you do not need to put assets like your home or car on the line to qualify.

What can I use a personal loan for?

A personal loan gives you flexible access to funds for planned or unexpected expenses. With fixed rates and predictable monthly payments, personal loans are a simple way to manage costs without relying on high interest credit cards or dipping into savings.

Debt Consolidation
Combine higher interest credit cards or existing loans into one monthly payment.

A personal loan can help simplify your finances and potentially reduce the amount of interest you pay over time.

Home Improvements
Cover everything from small repairs to larger renovation projects.

Account Ownership

The bank may rely solely on its records to determine the form of ownership of your account. The bank may presume that any person named, in addition to you in its records, owns the funds in your account as a co-owner. Account ownership is non-transferrable.

Account Structure

We may structure your account to consist of two sub-accounts to take advantage of an interpretation of federal regulations. The sub-accounts, a checking account, and money market account, will be used to allow for the transfer of funds between the accounts. This structure will occur solely on our books and will not be visible to you, nor will it affect your account in any way. Also, this will not affect the FDIC coverage of your account.

ACH New Account Funding

ACH Funding will be posted upon final credit from the external bank; typically, 2 - 3 business days after the new account is opened.

Adverse Claims

If any person or entity makes a claim against funds in your account, or if the Bank believes that a conflict exists between or among the *authorized signers* on your account or that there is a dispute over matters such as the ownership of your account or the authority to withdraw funds from your account, the Bank may, without any liability to you, take one or more of the following actions:

- Continue to rely on the Bank's records to determine the ownership of or the identity of the *authorized signer(s)* for your account.
- Honor the claim upon receipt of evidence satisfactory to the Bank to justify such claim.
- Freeze all or a part of the funds in your account until the dispute is resolved to the Bank's satisfaction.
- Close your account and send a check for the *available balance* in your account payable to you or
- Pay the funds into an appropriate court.

The Bank may charge your account for expenses (including attorney's fees and expenses) and any fees the Bank incurs.

Adjustments

We may make adjustments to your account from time to time. This may be due, for example, to the return of an item you deposited which was unpaid or if a deposit is posted in the wrong amount. Adjustments will be reflected on your periodic statement (if any).

Amendments

We reserve the right to amend, modify, add to, or delete (collectively referred to herein as "change(s)") the terms or conditions of this Agreement without prior notice to you, except as required by law. Your continued use of a service or an account constitutes your acceptance of the change. Changes may include a deletion, modification, or amendment of an existing term or the addition of a new term not otherwise contemplated when you entered into this Agreement or opened your account(s). Any change will take effect immediately, unless stated otherwise in any notice we make available to you.

Unless otherwise expressly required by law, a notice of the changes, or a copy of the revised Agreement or schedule, may be sent to you to the address as it appears on our records, by posting information in our offices, on our website, or by otherwise making the information available to you in writing or electronically.

Appropriate Account Usage

Do not use a consumer account as a commercial account. If you do, it may be reclassified as a commercial account, and we reserve the right to change your consumer deposit account type to a commercial deposit account type.

Authorized signers

An authorized signer is someone to whom you give all rights you have now or in the future to make withdrawals and deposits, and to otherwise transact on your account and receive account information. Merely by designating an authorized signer you do not give any ownership rights in the account. Any one of the authorized signers may sign checks or withdrawal orders and give us instructions regarding the account, including an instruction to close the account. However, if there is a conflict, we reserve the right to require all authorized signers to sign an item, withdrawal order, or other instruction on the account.

Even if the authorized signers on an account change, we may continue to honor checks, withdrawal orders, and other instructions by authorized signers until we are notified in writing not to do so.

Business Days

Our Business Days are Monday through Friday, excluding federal holidays.

Check Cashing

Checks drawn on the Bank payable to a non-customer consumer or business may, at the discretion of the Bank, only be negotiated in exchange for a Cashier's Check payable to that exact consumer or business name. Prior to negotiation, the consumer provides identification we deem acceptable or business must have the endorsement guaranteed on that check by its financial institution. We may charge a fee for this service, which may be deducted from the check.

Choice of Law

This Agreement is governed by federal laws and, when applicable, the laws of the State of California.

Check Forms and Special Conditions

We require you to use a check printer that meets technical standards for checks that are acceptable to us and the Federal Reserve Bank System. We reserve the right to disregard any information on the check other than the drawer's signature, the payee, the amount, any magnetically-encoded information at the bottom of the check, and endorsements on the reverse side of the check unless we have previously agreed to do so in writing. For example, we will not be liable for any damages because we pay an Item which contained any conditional statement or restriction such as "Void after 90 days", "Void over $100", or "Payment in Full". We will adhere to such conditional statements only if you notify us of the statements before the Item is presented and we have specifically agreed in writing to honor such conditional payment restrictions. If an Item is returned or payment is delayed as a result of any writing or marking that you or a prior endorser placed on the front or back of the Item, you will be responsible for any cost and liabilities associated with such return or delay.

Closing an Account

You agree to notify us of your intention to close your Deposit Account, and we reserve the right to request that your notice be in writing that affirmatively acknowledges that closing the account could affect your receipt of Financial Services. After a Deposit Account is closed, we have no obligation to accept deposits or pay any outstanding items or other debits, but we may do so at our option. You agree to hold us harmless for refusing to honor any check, item or other debit on a closed account.

For security reasons, we may close your Deposit Account and require you to open a new account if there is a change in authorized signers, there has been a forgery or fraud reported or committed involving your Deposit Account, any Deposit Account checks are lost or stolen, you have too many transfers from a Deposit Account that has transaction limitations, or you have violated any other provision of an agreement you have with us.

The Bank reserves the right to close your account for any reason or without cause. We need not advise you of the reason for taking this action. The Bank need not give advance notice of any closure. After an account is closed, we have no obligation to accept deposits or pay any outstanding items or other debits, but we may do so at our option. If your account is closed by the Bank, it may issue a single Cashier’s Check for the account balance payable to accountholder and may mail or deliver that check to the accountholder, subject to any right the Bank may have under any agreement covering the account or the Bank’s right of setoff.

Compliance with Laws, Rules, and Regulations

You agree to comply with all laws, rules, and regulations applicable to you, to your activities and to your use of our services. This includes your agreement to comply with (to the extent applicable to you and your actions) federal anti-money laundering laws, sanctions laws administered by the Office of Foreign Assets Control, currency transaction or Bank Secrecy Act reporting and recordkeeping requirements, and any state counterpart of the same. Upon request by us, you must inform us about and disclose to us the identity of all persons who have a beneficial interest in you (if you are a non-natural person) and in your transactions.

You represent and warrant that you will not use, and agree not to use, your account or any service we provide to you for any unlawful purpose. For example, you represent, warrant and agree not to accept or make payments in connection with the participation of any person (including yourself) in unlawful Internet gambling. You acknowledge that "restricted transactions" (as defined in the Unlawful Internet Gambling Enforcement Act and its implementing regulations) are prohibited from being processed through your accounts or your relationships with us. We reserve the right to deny transactions or authorization from merchants apparently engaging in the Internet gambling business or identifying themselves through card transaction records or otherwise as engaged in that or any other illegal or improper business. Further, we reserve the right to block or close any account which we believe may be involved in any such restricted transactions.

You represent and warrant that you are not, and you agree to take no action that would result in your being deemed or treated as, a money service business under any applicable state or federal law, except to the extent that you have specifically and in writing previously informed us that you are a money service business. Notwithstanding the foregoing, we reserve the right to refuse to open or to continue to maintain any deposit account.

You covenant, and represent and warrant that the foregoing is true and correct, as of the opening of your account and again each time you make a deposit or withdrawal or otherwise use a service offered by us. You agree to provide us with evidence showing that you are in compliance with the above, reasonably satisfactory to us, upon our request. If we are uncertain regarding the legality of any transaction, we may refuse the transaction or freeze the amount in question while we investigate the matter. You agree to indemnify, defend and hold us harmless from every action, proceeding, claim, loss, cost and expense (including attorney's fees) suffered or incurred by us due to any U.S. or foreign government entity seizing, freezing or otherwise asserting or causing us to assert control over any account or funds in an account of yours (or ours) when purportedly caused by or arising out of your action or inaction. This will apply whether or not such action is ultimately determined to be authorized under the laws of the U.S. or its territories, or of any foreign jurisdiction. We are not required to inquire or determine the authority of any action taken by the U.S. or foreign government entity prior to acceding to any legal process initiated by it.

Converting Account and Revoking privileges

Without limiting our ability to close your account, we may alternatively convert your account to another type of account or revoke privileges when we consider it appropriate or necessary to do so. For example, we may revoke privileges, or convert your account to another account type if you make frequent transactions on a money market or savings account, if your account frequently has debits against uncollected funds, if your account has excessive deposit activity or if you use a commercial account for consumer purposes.

Death or Incapacity

You agree to immediately notify us about the death or incapacity of any owner or authorized signer on your account. Until we receive such notice in writing, and have a reasonable opportunity to act on it, we may continue to honor items drawn on your account by the authorized signer(s). We may suspend, refuse, and reverse any transactions or deposits (for example, automatic federal direct deposits of benefit payments belonging to the decedent) if any owner or authorized signer dies or is declared by a court to be incompetent. However, even with knowledge, we may pay checks drawn on the account for ten (10) days after the date of death. Refer to the discussion below regarding the treatment of "Direct Deposits"

Demand Drafts and Remotely Created Checks

If you deposit a demand draft or remotely created check (an unsigned draft or preauthorized draft) into your account, you warrant and guarantee that the draft or remotely created check is authorized according to the terms on its face by the person(s) identified as the drawer. You agree to indemnify us from all loss, expense and liability related to a claim that such check or draft was not authorized by the person(s) on whose account it was drawn on.

Deposit of Preauthorized Drafts

A pre-authorized draft is an arrangement whereby you get authority from a person (a customer usually) to access a deposit account owned by that person to pay a debt that person owes you. You deposit these "drafts" into a deposit account with us, and we collect them from your customers, who may have accounts with us or at other banks. (These "drafts" are checks you create based on information your customer provides you, such as customer's name and account number, and express permission your customer gave you to draw on his account). When you deposit these pre-authorized drafts, you make the following agreements and warranties:

- You have express, verifiable and binding authorization from your customer to access his, her or its account for the amount you ask us to collect;

- You will keep proof of your authorization in retrievable form for not less than two years from the date of the authorization and provide us with proof upon our request;
- We may reverse credit given you for any draft deposited to your account and returned to us regardless of when it is returned or the reason for the return.

Deposit Preparation, Sorting, and Endorsements

You agree to properly prepare, sort, and endorse all deposits according to requirements specified in any application user guides and Federal Regulation CC. You agree to indemnify us for any loss we incur that result from your failure to comply with these requirements.

Deposits- Truncation, Substitute Checks, and Other Check Images

If you truncate an original check and create a substitute check or other replacement document, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with the time requirements as outlined in your Remote Deposit Capture Agreement with us. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

Direct Deposits

If, in connection with a direct deposit plan, we deposit or credit any amount in your account which should have been returned to the state or federal government or any other third party for any reason, you authorize us to deduct the amount from your account or from any other account you have with us without prior notice and at any time, except as prohibited by law. You also authorize us to use any other legal remedy to recover the amount of our liability.

Dispute Resolution Program – Arbitration

(1) Claims Subject to Arbitration: Except as specified in paragraph (2) below, any dispute or claim between you and us must be arbitrated if either party elects arbitration of that dispute or claim. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:

- claims arising out of or relating to any aspect of the relationship between you and us, whether based in contract, tort, fraud, misrepresentation, or any other statutory or common-law legal theory;
- claims that arose before this or any prior agreement (including, but not limited to, claims relating to advertising or disclosures for any of our products or services);
- claims for mental or emotional distress or injury not arising out of bodily injury;
- claims asserted in a court of general jurisdiction against you or us, including counterclaims, cross-claims, or third-party claims, that you or we elect to arbitrate in the answer or other responsive pleading;
- claims relating to the retention, protection, use, or transfer of information about you or any of your accounts for any of our products or services;
- claims relating to communications with you, regardless of sender, concerning any of our products or services, including emails, automatically dialed calls, calls with prerecorded or artificial voice, and text messages; and
- claims that may arise after the termination of this Agreement.

In this arbitration provision only, references to “we" and “us” mean the financial institution and its past, present, and future parents, subsidiaries, affiliates, and each of these entities’ predecessors, successors, assigns, agents, and employees. In this arbitration provision only, references to “you” mean the account owners, all authorized or unauthorized users or beneficiaries of the account, each of those person's assignees, heirs, trustees, agents, or other representatives, and if the account owner is a business, the account owner's parents, subsidiaries, affiliates, and each of those entities' predecessors, successors, assigns, agents, and employees. This arbitration agreement does not preclude you or us from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against you or us on the other's behalf. Nor does this arbitration agreement preclude either you or us from exercising self-help remedies (including setoff), and exercising such a remedy is not a waiver of the right to invoke arbitration of any dispute. You and we each waive the right to a trial by jury or to participate in a class action whenever either you or we elect arbitration. This agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision shall survive termination of this agreement.

(2) Claims Not Subject to Arbitration: You and we agree that the following disputes or claims cannot be arbitrated:

- claims arising from bodily injury or death;
- claims seeking only individualized relief asserted by you or us in small claims court, so long as the action remains in that court and is not removed or appealed de novo to a court of general jurisdiction;

- claims to collect debts owed pursuant to an extension of credit under a separate agreement or note (such as a separate loan agreement, promissory note, guaranty, mortgage, or deed of trust), including, without limitation (a) the exercise of self-help remedies when permitted by applicable law, (b) the initiation of judicial or non-judicial foreclosure against real or personal property, (c) the exercise of any power of sale rights, or (d) the petitioning for the appointment of a receiver or similar relief;
- disputes over the scope and enforceability of this arbitration provision, including whether a dispute or claim can or must be brought in arbitration or whether paragraphs (6) or (7) of this arbitration provision have been violated; and
- disputes over whether paragraphs (3) or (4) of this arbitration provision has been violated, for purposes of awarding relief that a court can award under those paragraphs.

(3) Pre-Arbitration Notice of Disputes and Informal Resolution: Before either you or we commence arbitration, the claimant must first send to the other a written Notice of Dispute. The Notice of Dispute to us should be sent by U.S. mail or professional courier service to: 4350 La Jolla Village Dr., Suite 140, Attention: Office of the Chief Legal Officer, San Diego, CA 92122 ("Notice of Dispute Address"). The Notice of Dispute to you will be sent to your address on file with your account. The Notice of Dispute must (a) include the claimant's name, phone number, and mailing and email address, as well as the account number(s) at issue; (b) describe the nature and basis of the claim or dispute; and (c) set forth the specific relief sought. The Notice of Dispute must be personally signed by you in ink (if you are the claimant) or by our representative (if we are the claimant). To safeguard your account, you might be required to provide both your authentication and consent for us to discuss your account or share your account information with anyone but you, including an attorney ("Authentication and Consent").

Whoever sends the Notice of Dispute must give the other party 60 days after receipt of a complete Notice of Dispute (including your Authentication and Consent, if required) to investigate the claim. During that period, either you or we may request an individualized discussion (by phone call or videoconference) regarding settlement ("Informal Settlement Conference"). You and we must work together in good faith to select a mutually agreeable time for the Informal Settlement Conference (which can be after the 60-day period). You and our representative must both personally participate, unless otherwise agreed in writing. Your and our lawyers (if any) also can participate. Any applicable statute of limitations or contractual limitations period will be tolled during the "Informal Resolution Period." The Informal Resolution Period is the number of days between the date that a complete Notice of Dispute (including Authentication and Consent, if required) is received by the other party and the later of (i) 60 days later or (ii) the date the Informal Settlement Conference is completed, if timely requested.

(4) Commencing Arbitration: An arbitration proceeding cannot be commenced until after the Informal Resolution Period has ended and the pre-arbitration requirements in paragraph (3) have been satisfied. (Paragraph (7) has additional requirements for commencing certain coordinated arbitrations.) A court will have authority to enforce this paragraph (4), including the power to enjoin the filing or prosecution of arbitrations without first providing a complete Notice of Dispute and participating in a timely requested Informal Settlement Conference. The court also may enjoin the assessment or collection of arbitration fees incurred as a result of such arbitrations. Further, unless prohibited by applicable law, the arbitration provider shall not accept or administer any arbitration or assess any fees in connection with an arbitration unless the claimant has complied with the Notice of Dispute and Informal Settlement Conference requirements of paragraph (3).

(5) Arbitration Procedure: The arbitration will be governed by the Commercial Arbitration Rules ("AAA Rules") of the American Arbitration Association ("AAA"), as modified by this arbitration provision, and will be administered by the AAA. (If the AAA is unavailable or unwilling to administer arbitrations consistent with this arbitration provision, another arbitration provider shall be selected by the parties or by the court.) The AAA Rules are available online at www.adr.org or by writing to the Notice of Dispute Address. Payment of any AAA filing, administration, case-management, hearing, and arbitrator fees will be handled in accordance with the AAA Rules. Unless you and we agree otherwise, any arbitration hearings will take place in the county of your address on file with your account. If appropriate, the arbitrator may hold hearings by telephone or videoconference or decide matters on the basis of papers submitted by the parties. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based.

Except as provided in paragraph (6) below, the arbitrator shall apply the same substantive law that a court would apply and can award the same individualized remedies (including statutory damages and statutory attorney's fees and costs) that a court could award under applicable law or this Agreement. The arbitrator may consider rulings in arbitrations involving different customers, but an arbitrator's ruling will not be binding in proceedings involving different customers. As in court, you and we agree that any counsel representing someone in arbitration certifies that they are complying with the requirements of Federal Rule of Civil Procedure 11(b), and the arbitrator is authorized to impose any sanctions available under that rule, the AAA Rules, or applicable federal or state law against all appropriate represented parties or counsel.

(6) Requirement of Individual Arbitration: The arbitrator may award relief (including damages, restitution, and declaratory or injunctive relief) only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. YOU AND WE AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR OUR INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, REPRESENTATIVE, OR PRIVATE ATTORNEY GENERAL PROCEEDING. Further, unless both you and we agree otherwise, the arbitrator may not consolidate the claims of more than one person (except for the claims of co- or joint account owners pertaining to that account), and may not

otherwise preside over any form of a representative, class, or private attorney general proceeding. If, after exhaustion of all appeals, any of these prohibitions on non-individualized relief and proceedings or on consolidation are found to be unenforceable, then all other aspects of the case must be arbitrated first. After completing arbitration, the remaining (non-arbitrable) aspects of the case will then be decided by a court.

(7) Coordinated Arbitrations: If 25 or more claimants submit Notices of Dispute or seek to file arbitrations raising similar claims and are represented by the same or coordinated counsel (whether the cases are pursued simultaneously or not), all the cases must be resolved in staged proceedings. You agree to this process even though it may delay the arbitration of your claim. In the first stage, we and claimants' counsel will each select up to 25 cases (50 cases total) to be filed in arbitration and resolved individually by different arbitrators. In the meantime, no other cases may be filed or proceed in arbitration, and the arbitration administrator must not assess or demand payment of fees for the remaining cases or administer or accept them.

The arbitrators are encouraged to resolve the cases within 120 days of appointment or as swiftly as possible thereafter, consistent with fairness to the parties. After the first stage is completed, the parties must engage in a single mediation of all remaining cases, with us paying the mediation fee. If the parties cannot agree how to resolve the remaining cases after mediation, they will repeat the process of selecting and filing up to 50 cases to be resolved individually by different arbitrators, followed by mediation. If any claims remain after the second stage, the process will be repeated until all claims are resolved, with four differences. First, a total of 100 cases may be filed in the third and later stages. Second, the cases will be randomly selected. Third, arbitrators who decided cases in the first two stages may be appointed in later stages if different arbitrators are not available. Fourth, mediation is optional at the election of both us and claimants' counsel.

Between stages, counsel will meet and confer regarding ways to improve the efficiency of the staged proceedings, including whether to increase the number of cases filed in each stage. Either party may also negotiate with the arbitration administrator regarding the amount or timing of arbitration fees.

If this paragraph applies to a Notice of Dispute, the Informal Resolution Period for the claims and relief set forth in that Notice of Dispute will be extended (including the tolling of any limitations periods) until that Notice of Dispute is selected for a staged proceeding, withdrawn, or otherwise resolved. A court will have the authority to enforce this paragraph, including by enjoining the mass filing, the prosecution or administration of arbitrations, or the assessment or collection of arbitration fees.

This paragraph is intended to be severable from the rest of this arbitration provision. If, after exhaustion of all appeals, a court decides that the staging process is not enforceable, then the cases may be filed in arbitration and the payment of arbitration fees will be assessed as the arbitrations advance and arbitrators are appointed rather than when the arbitrations are initiated.

(8) Military Lending Act: If you are a covered member of the armed forces or the dependent of a covered member within the meaning of the Military Lending Act and your Agreement with us involves an extension of consumer credit under that Act, then you are not required to arbitrate disputes.

Earnings Credit

If an earnings credit accrues on your account, the Bank will periodically apply your accrued earnings credit to eligible Bank fees and expenses (unless the Bank otherwise indicates in writing). The amount of Earnings Credit received each month is based on your Average Collected Balance, multiplied by the current earnings credit rate in effect. The earnings credit rate is determined by the Bank and is set each month based on current market conditions. The rate is subject to change without notice to you. The Bank may debit your account (or any other account you maintain at the Bank) or invoice you for any amount by which the fees and expenses exceed the accrued earnings credit on your account.

Facsimile or Mechanical Signatures

Many customers use a facsimile or other mechanical signature, including a stamp, referred to herein as ("facsimile signature") to execute agreements, authorize transactions, provide and authorize instructions and to indorse or otherwise complete other documents. If you use any form of facsimile signature in connection with any account, you agree to deliver a sample to us before you begin using it, and to execute and deliver agreements in a suitable form, if we so require. If you use a facsimile signature for any of these purposes, you are responsible for any such transactions, instructions or indorsements that appear to us to bear a signature that resembles the signature of a person authorized to sign on your account. When you use a facsimile signature in connection with any account, you agree you shall have the sole responsibility for maintaining security of the facsimile signature or device by which it is affixed, and you shall bear the entire risk for unauthorized use thereof, whether or not you are negligent, except as may be required by law. You agree that we may rely on facsimile signatures that resemble the appropriate original or any signature specimen given to us and that appears to have been made through an authorized medium, regardless of how the facsimile signature came to be placed on the item. We may rely on facsimile signatures, even if they were placed on agreements, transactions, instructions, items or otherwise without your knowledge or consent. We may pay items bearing facsimile signature, regardless of the persons to whom they are drawn or paid. A facsimile signature that resembles an authorized signer's signature or any facsimile signature specimen is not considered a forgery or an unauthorized signature, and such a facsimile or automated signature shall be effective as your signature or indorsement, without regard

to color variation, whether or not you have been negligent. You further agree to indemnify, defend, and hold us harmless from and against any and all losses, damages, claims, costs or expenses (including attorneys' fees and costs) incurred by us as a result of the unlawful use, unauthorized use, or misuse by any person of any such facsimile signature or the device by which it is affixed. This means that we are not responsible for any misuse of a facsimile signature we believe you authorized.

Fraud Prevention

Lost or stolen items; unauthorized items

If any of your unissued paper *items* has been lost or stolen, or if you learn that unauthorized *items* are being issued on your account, you agree to notify the Bank at once. To the extent that your failure to so notify the Bank hampers the Bank's ability to prevent loss, the Bank will be relieved of any liability for such *items*. Upon receipt of any such notice, the Bank may at its sole discretion and without any liability to you take one or more of the following actions:

- Close your account and open a new account for you
- Dishonor any paper item you or an authorized signer have indicated may have been lost or stolen (unless you or an authorized signer subsequently have instructed the Bank to honor such an item) or
- Pay any paper item presented for payment on your account, provided you have instructed the Bank to pay such paper item and given the Bank the number of that paper item

If the Bank opens a new account for you and you have authorized a third party to automatically make regular deposits to or withdrawals from your account (such as wire or ACH transfers), the Bank will have no liability to you if you do not receive any regularly scheduled deposit or if a regularly scheduled payment is not made for you due to your failure to notify that third party in a timely fashion of the number of your new account.

FDIC Insurance

We are a member of the Federal Deposit Insurance Corporation (FDIC). At this time, the standard deposit insurance amount is $250,000 per depositor, per insured bank, for each account ownership category.

Fees

A schedule of fees associated with our business deposit accounts is provided in our Fee Schedule. The schedule that applies to your account is part of the contract between you and us. You agree to pay the fees we charge, and you give us the right to collect any fees, as earned, directly from any of your account balances.

From time to time we may list fees for some non-account services (such as wires, cashier's checks, travelers' checks and so on) in the Fee Schedule. We may change non-account fees at any time without notice. You can get current information about non-account services and fees that apply at any of our banking offices.

Force Majeure

Neither party to this *Agreement* will be deemed to be in default of any of its obligations under this *Agreement* if its performance is delayed, hindered, or becomes impossible because of any act of God or of any public enemy, hostilities, war (declared or undeclared), guerilla or terrorist activities, act of sabotage, blockade, earthquake, flood, landslide, avalanche, tremor, ground movement, hurricane, storm, explosion, fire, labor disturbance, riot, insurrection, strike, sickness, accident, civil, commotion, epidemic, act of government or its agencies or officers, power interruption or transmission failure, or any cause beyond the control of either party.

Forum Selection

Except for claims to collect debts owed pursuant to an extension of credit under a separate agreement or note, unless you and we agree otherwise, to the greatest extent permitted by law, the state and federal courts in San Diego, California will have exclusive jurisdiction over any disputes (except for disputes brought in small claims court) that are not subject to arbitration or over any action involving the applicability or enforceability of the section entitled Dispute Resolution Program – Arbitration. You and we consent to the jurisdiction of those courts and waive any objections as to personal jurisdiction or as to the laying of venue in such courts due to inconvenient forum or any other basis or any right to seek to transfer or change venue of any such action to another court. Nothing herein shall preclude us from exercising any right of set-off or other self-help remedy we might otherwise have, or from closing or suspending any account or service provided to you.

General Use of Credit File Information

You certify as to the accuracy of the information you provide to us and authorize Axos Bank's affiliated consumer reporting agency/agencies to access your credit file to facilitate the processing of your application for Axos Bank financial products and to authenticate your identity for legal and regulatory compliance purposes. You understand that you may be asked questions based on the information in your credit file as part of this process. You also understand that Axos Bank may review your credit history and past banking relationships.

Information at Account Opening

Federal law, including the USA PATRIOT Act, requires all financial institutions to obtain, verify and record information that identifies each person or business that opens an account. When you apply for a business account, we will ask for your business name, address, and Tax Identification Number (TIN). We will also ask for your name, date of birth and social security number, which will allow us to verify your identity. We may validate the information you provide to us to ensure we have a reasonable belief of your identity and your business. If we are not able to verify your identity to our satisfaction, we will not open your account or we may close the account if it was previously funded. When you apply for a Sole Proprietor account, we will ask you and any authorized signer for your legal name, residential address, date of birth and Social Security Number (SSN). We will require one or more forms of unexpired photo identification. We may validate the information you provide to us to ensure we have a reasonable belief of your identity. If we are not able to verify your identity to our satisfaction, we will not open your account or we may close the account if it was previously funded.

Legal Process

Legal process includes a writ of attachment, execution, garnishment, tax withholding order, levy, restraining order, subpoena, warrant, injunction, government agency request for information, search warrant, forfeiture or other similar order. We may accept and comply with legal process: served in person, by mail, by facsimile transmission, or by other means. Any such legal process is subject to the Bank's security interest and the right of setoff. The Bank will not notify you of a grand jury subpoena affecting you or your account. Any fees or expenses the Bank incurs in responding to any such legal process may be charged against any account you maintain with the Bank. We may, but are not required to, send a notice to you of the legal process.

Limitation of liability; Indemnification

Whether in connection with your account or a service, in no event will either party to this Agreement or its respective directors, officers, employees, or agents be liable to the other party for any special, consequential, indirect or punitive damages, weather any claim is based on contract or tort or whether the likelihood of such damages was known to either party. The forgoing limitation of liability will not apply where expressly prohibited by the laws governing your account. The Bank will not have any liability to you if there are not sufficient available funds in your account to pay your *items* due to actions taken by

- The Bank in accordance with this *Agreement* or
- Any third party

Except to the extent that the Bank fails to exercise ordinary care of breaches this *Agreement*, you agree to indemnify and hold the Bank and its directors, officers, employees, and agents harmless from all claims, demands, losses, liabilities, judgments, and expenses (including their attorneys' fees and legal expenses) arising out of or in any way connected with the Bank's performance under this *Agreement*. You agree that this indemnification will survive the closing of your account and the termination of any *service*.

Lost/Stolen/Destroyed Cashier's Checks

You do not automatically have the right to stop payment on cashier's checks you purchase from us. If a cashier's check is lost, stolen or destroyed, please contact us for the procedures to obtain reimbursement or have the cashier's check reissued. In general, you must complete a declaration of loss form describing the cashier's check and how it was lost, stolen or destroyed. We will then wait ninety (90) days from the date the check was issued before we pay your claim. If ninety (90) days has already passed, we will act on your claim within a reasonable time. If the check is presented during the ninety (90) day waiting period, we may pay the item to a person entitled to enforce the check. If this happens, we will not pay your claim.

If we determine that any such instrument is presented by or on behalf of a person who may be a holder in due course or who may otherwise have the right to obtain payment of the cashier's check from the Bank, we may, without notice to you, pay the cashier's check, even though you may have paid us a fee to not honor the cashier's check.

Multiple Signatures

We will have no responsibility for reviewing the number or combination of signatures on an Item drawn on your Account. This means that if you have indicated that one or more signature is required in connection with an Item drawn on your Account, the Bank will have no liability to you if a transaction is conducted on or through your Account contrary to the signature requirements you have specified, provided at least one of the required signatures appears on the Item.

Our Receipt of Deposits

In receiving deposits, we act only as your collecting agent and assume no responsibility beyond the exercise of ordinary care. All deposits are posted to your designated deposit account conditionally, and only if the item is payable in U.S. dollars, subject to our receipt of final payment. If final payment is not received on any item you deposited to your account or that we cashed for you, or if any direct deposit, automated clearinghouse deposit or electronic fund transfer to your account is dishonored by the issuing financial institution for any reason, you agree to pay us the amount of the dishonored deposited funds, and you authorize us to debit any deposit account with us of which you are an owner, without prior notice and at any time, for the amount of the returned item or other deposit. You also authorize us to debit your account for the amount of our returned item fee, any interest paid on the deposit, and any other fee we pay or loss we incur. We may also use any other legal remedy to recover the amount you owe us. We are not responsible for any transactions, including any transactions sent through the mail, until we actually receive and post the transaction to your account. We are not liable for the default or negligence of our duly selected agents or correspondents, nor for losses in transit.

Processing Transactions and Posting Orders

Posting transactions to your account impacts your account balance. Posting a credit increases your balance. Posting a debit or hold reduces your balance. Credits include but are not limited to the following: teller deposits, direct deposits and credits we make. Holds include but are not limited to the following: deposit holds, debit card authorizations, and holds related to cash withdrawals and electronic transfers. Debits include withdrawals, transfers, payments, checks, one-time and recurring debit card transactions, and fees. We use automated systems to process transactions and then to post transactions to accounts. When we process multiple transactions for your account on the same day, you agree that we may in our discretion determine our posting orders for the transactions and that we may credit, authorize, accept, pay, decline or return credits, debits and holds in any order at our option.

Posting Orders

This section summarizes how we generally post some common transactions to your account. We group the different types of transactions into categories. We use several different categories for holds, credits, and debits. Most categories include more than one transaction type. After the end of the business day, our automated systems assign each transaction received for that day to a category. We generally post all transactions within a category, using the posting order or orders that apply to that category, before we post any transactions assigned to the next category.

We start with the balance in your account at the beginning of the business day, subtract holds from your balance, and make any adjustments from prior days. Next, we generally add credits to your balance and then subtract debits from your balance.

Changing Posting Orders

You agree that we may determine in our discretion the orders in which we post transactions to your account.

You agree that we may determine in our discretion the categories, the transactions within a category, the order among categories, and the posting orders within a category. We sometimes add or delete categories, change posting orders within categories and move transaction types among categories. You agree that we may in our discretion make these changes at any time without notice to you.

Posting Orders Determined at End of Day

We receive credits, debits and holds throughout the day. Regardless of when during the day we receive transactions for your account, you agree that we may treat them as if we received all transactions at the same time at the end of the business day.

During the day, we show some transactions as processing. As an example, we show some transactions as processing on the Account Details screen in Online Banking. Please note that transactions shown as processing have not been posted yet. The posting order for these transactions is determined at the end of the day, with the other transactions we receive for that day.

You should note that often we do not receive debits on the same day that you conduct them. As an example, when you use your debit card to pay for a purchase at a merchant and sign for the transaction, we usually receive an authorization request from the merchant the same day, but we might not receive the final debit card transaction for payment and posting until several days later.

We generally post credits and debits to your account, and report them on your statement, in a different order than the order in which you conduct them or we receive them.

Overdrafts

When we determine that you do not have enough available funds in your account to cover a check or other item, then we consider the check or other item an insufficient funds item. We will either authorize or pay the insufficient item and overdraw your account (an overdraft item) or we will decline or return the insufficient item without payment (a returned item).

We pay overdrafts at our discretion, which means we do not guarantee that we will always, or ever, authorize and pay them. If we overdraw your account to pay items on one or more occasions, we are not obligated to continue to paying future insufficient funds items. Our Schedule of Fees herein for your account explains when we charge you fees for overdrafts and for declined or returned items and the dollar amount of the fees.

Post-Dated Checks

We agree not to pay an Item that you have postdated before the date shown on the Item only if we receive reasonable advance written notice from you before the Item is presented, and you follow the procedures for and pay the fees associated with a Stop Payment Order. Your notice to us must specify the payee, date, amount, and Item number and the fact that you have postdated it. Notices regarding postdated Items are effective only for six (6) months from the date of the Stop Payment Order, and must be renewed to continue to be effective beyond that time. You agree that we may return a postdated Item to the presenter before the date shown on the Item without liability for wrongful dishonor. We may pay or dishonor a check more than six (6) months old without prior notice to you.

Powers Of Attorney

A Power of Attorney over a Business Deposit Account from an account owner or authorized signer will not be accepted by Axos Bank.

Preventing misuse of your account

You agree to take reasonable steps to ensure the integrity of your internal procedures with respect to your account and *items* drawn on your account or deposited to it. To help prevent embezzlement and protect your business assets, the Bank recommends that you:

- Daily online account activity review through Online Banking Services.
- Reconcile statements for your account as you receive them and notify the Bank immediately of any problem.
- Review your transaction activity for unexpected fluctuations. A large fluctuation might indicate embezzlement of fraud.
- Destroy any paper *item* that you do not intend to use.
- Notify the Bank immediately when an authorized signer's authority ends so that his/her name can be removed from all signature cards and online banking access and any cards that the Bank has issued to him/her can be cancelled.
- Do not sign blank paper *items.*
- Secure your supply of paper *items* at all times. Stolen paper *items* are a common method of embezzlement.
- Watch for paper *items* cashed out of sequence or made out to cash. These are classic red flags for embezzlement or fraud.
- Assign responsibilities for your account to multiple individuals. Those who reconcile statements for your account should be different from those who issue *items* drawn on your account.
- Obtain insurance coverage for these risks.

Prohibited Transactions

We strictly prohibit the use of any account to conduct transactions (including, without limitation, the acceptance or receipt of credit or other receipt of funds through an electronic funds transfer, or by check, draft, or similar instrument, or the proceeds of any foregoing) related, directly or indirectly, to federally controlled substances. You agree not to conduct any transactions through the account, which directly or indirectly involve or are related to federally controlled substances, including, without limitation, the acceptance or receipt of any funds or deposits in connection therewith. You also agree not to use your account or any other illegal activity.

Reclassification of Deposit Accounts

Under federal law, we are required to classify our deposits a certain way for regulatory reporting purposes. The following disclosure explains a change we may make to your Account that, ultimately, has no effect on your Account. We are simply changing the way we report deposit accounts to the government. The change to your Checking Account will not affect your available balance, interest earnings, FDIC insurance, or bank statement. The Account will consist of a checking sub-account and a savings sub-account, and the Bank may periodically transfer funds between these two sub-accounts. On a sixth transfer during a calendar month, any funds in the savings sub-account will be transferred back to the checking sub-account. If your Account is a plan on which interest is paid, your interest calculations remain the same. Otherwise, the savings sub-account will be governed by the rules governing our other savings accounts. This change will be transparent to you and will not affect your statement, any terms and conditions of your account, or any other items in your account.

Remotely Created Checks and Electronically Created Items

A remotely created check is a writing not signed by the customer that is created by a third party under the purported authority of the customer for the purpose of charging the customer's account with a financial institution. A remotely created check is also known as a demand draft. A remotely created check must contain the customer's account number and may contain the customer's printed or typewritten name, a notation that the customer authorized the draft, or the statement 'no signature required' or words to that effect. An electronically created item is an electronic image resembling a check, created from your information that was not actually derived from an original paper check.

If you voluntarily give information about your account (such as our routing number and your account number) to someone and authorize them to draw against your account, we may charge your account and pay any items, including remotely created checks and electronic

items initiated by the person to whom you gave the information. You also agree that we may pay an electronically created item even though the item was not created from an original paper check, whether presented in the form of a remotely created check or an electronic item. You authorize us to continue to honor items or debits from a payee previously authorized by you, until you instruct us to cease to do so, whether or not the payee is acting within the scope of your initial authorization, subject only to such liability as may be imposed upon us by law. If you want us to stop honoring items from a payee previously authorized by you, you must tell us in writing. Until you notify us that such items are not authorized, we can continue to pay them and will not be liable to you even though the items are not in accordance with any authorization you may have given.

This does not, however, obligate us to honor remotely created checks, electronically created items or similar items or entries. We may refuse to honor remotely created checks, electronically created items or similar items or entries without cause or prior notice, whether or not we have honored or dishonored similar items or entries previously.

You agree that we are under no obligation to verify whether the name and account number shown on the remotely created checks or electronically created items are consistent. If any information on a remotely created check or electronically created item is incomplete, inaccurate, or in error, you agree that we may, at our sole discretion, either pay the remotely created check or electronically created item and charge your account for the check or item as drawn or refuse to honor the check or item and, without prior notice to you, return the check or item unpaid. You further agree to indemnify and hold the Bank harmless for losses resulting from our honoring or dishonoring any such debit.

You further agree not to present remotely created checks or electronically created items for deposit, unless we have given prior express written approval.

Restricted Transactions

You acknowledge and agree that “restricted transactions” as defined in the Unlawful Internet Gambling Enforcement Act of 2006 and Regulation GG issued thereunder are prohibited from being processed through your account or any relationship between you and the Bank. In the event we identify a suspected restricted transaction, we may block or otherwise prevent or prohibit such transaction and further we may close the account or end the relationship.

Right to Setoff

Subject to applicable law, we may, but are not obligated to, use the funds in your accounts to pay any due and payable debt(s) and obligation(s) that you owe us which are not paid when due. This is referred to as a “setoff.” If we exercise this right of setoff, we shall comply with all applicable laws. We will notify you promptly of the action taken. Generally, you agree that all sums in deposit accounts will be subject to our right of setoff for liabilities owed to us by any one or more of the account owners, including any other person who is a joint account owner; or any partnership of which you are a general partner; or any other person or entity with whom you are a co-obligor, or have agreed to act as surety or guarantor, or for whose debts you are liable or may be contingently liable. You authorize us to use account funds to pay your debts and obligations to us even if the setoff results in an early withdrawal penalty or the dishonor of items. If your account is a checking or money market account and if we exercise our right of setoff, our duty to pay any items presented for payment on your account during the business day preceding the day on which the setoff occurs may be terminated, and you agree that we may return those items unpaid. If we do return items, we also will charge you a Non-Sufficient/Uncollected Funds – Returned Item fee for each returned item. See the Fee Schedule herein.

If the debt arises from a note, “any due and payable debt” includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge the account, including any balances for which we properly accelerated the due date under the note.

We will not be liable for the dishonor of any item or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment. This right of setoff does not apply to this account if: (a) it is an IRA or a tax-deferred retirement account; (b) the debt is created by a consumer credit transaction under a credit card plan; or (c) the debtor’s right of withdrawal only arises in a representative capacity.

Stale-Dated Checks

We may choose to pay or not to pay, or accept for deposit, any check presented more than 6 months after the date written on the check unless there is a valid stop payment order in effect. We are not responsible for any liability you may incur as a result of our decision to pay, not to pay or accept for deposit such an item.

Standard of Care

The Bank will meet its standard of care for your account, provided the Bank exercises ordinary care in the transaction at issue. When the Bank takes an item for processing by automated means, "ordinary care" does not require that the Bank examine the *item.* In all other cases, "ordinary care" requires only that the Bank follow standards that do not vary unreasonably from the general standards followed by similarly situated banks. The Bank's policies and procedures are general internal guidelines for the Bank's use and do not establish a higher standard of care for the Bank than is otherwise established by the laws governing your account. A mere clerical error

or an honest mistake will not be considered a failure of the Bank to perform any of its obligations. If the Bank waives any of its rights as to you or your account on one or more occasions, it will not be considered a waiver of the Bank's rights on any other occasion.

Statements

You will be able to review transactions, including images of the front and back of checks or other instruments drawn on your accounts daily for a period of 18 months through Online Banking services. You should review your transaction history daily to protect your rights, including your right to dispute transactions that you believe are unauthorized, counterfeit, or altered, forged. Because you are in the best position to discover and deter any problem, you agree to promptly review and verify your account transactions as if your transaction history shown online was a traditional periodic statement. The Bank hereby disclaims any responsibility for items and/or transactions debited from your account unless you (1) notify us within a reasonable time not to exceed 30 calendar days of its posting (2) results from a forgery, counterfeit or alteration so clever that a reasonable person cannot detect it or (3) as otherwise provided by law or regulation.

We will make a monthly account statement available to you online only for your checking or savings accounts. If you elect to not receive or review your statement, you are responsible for having access to the information provided in the statement and complying with this section.

Check Safekeeping. Copies of your checks and other Items paid from your Deposit Account will be held by us instead of returned to you. An image of the front and back of the checks you write and are presented for payment will be deemed to be made available to you no later than the day after the items are presented to us for payment. We will keep the image copies of the front and back for seven (7) years. Copies of Items Upon written or e-mail request, copies of Items will be provided and we may assess a fee for providing such copies. Please see Schedule of Deposit Fees – Business Banking.

Bank's Duty of Care. In accordance with reasonable banking standards, most checks and other Items presented to us for payment are processed through automated processing and, except in limited circumstances and subject to such reasonable sampling procedures as we establish at our discretion, most Items are not individually examined to verify your signature or that the Item is otherwise properly payable. You agree that we act within reasonable banking standards by processing most checks and other Items through automated processing systems.

Stop Payment Request

To place a stop payment order on a check or other Item ("Stop Payment Order"), you can use the Website after you login, or write to Customer Service, 4350 La Jolla Village Drive, Suite 140, San Diego, CA 92122. If you use the Website, you must fully complete the Stop Payment Request or the ACH Stop Payment Request Order form. If you use any other method to place the Stop Payment Order, your communication must include the exact amount of the check or other Item, the number of the check, your Deposit Account number, and the name of the payee. We cannot be responsible for the consequences of paying an Item if it is not described with reasonable certainty, or if we are not given reasonable time to place the stop payment. Our acceptance of a Stop Payment Order does not constitute a representation that the Item has not already been paid or that we have a reasonable opportunity to act upon the order. We require written or Website confirmation prior to accepting a Stop Payment Order.

Written Stop Payment Orders, and stop payments entered online, are effective for six (6) months and must be renewed by you to continue to be effective after that time. There is a charge for each Stop Payment Order request and for each renewal. You agree to hold us harmless from all liability because we refuse to pay an Item subject to your Stop Payment Order. If we re-credit your Deposit Account after paying an Item over a valid and timely Stop Payment Order, you agree to sign a statement describing the dispute you have with the payee, to transfer to us all of your rights against the payee or other holder of the Item, and to assist us in any attempt we make to recover the funds from that person.

Duration of Order. Written Stop Payment Orders, and stop payments entered online, are effective for six (6) months and must be renewed by you to continue to be effective after that time. There is a charge for each Stop Payment Order request and for each renewal.

Hold Harmless. You agree to hold us harmless from all liability because we refuse to pay an Item subject to your Stop Payment Order. If we re-credit your Deposit Account after paying an Item over a valid and timely Stop Payment Order, you agree to sign a statement describing the dispute you have with the payee, to transfer to us all of your rights against the payee or other holder of the Item, and to assist us in any attempt we make to recover the funds from that person.

Unsigned Drafts. If you voluntarily give information about your Deposit Account (such as our routing and transit number and your account number) to a person who is seeking to sell you goods or services or collect a debt, we may consider any resulting debit as authorized by you, even if you did not physically deliver a check to the person or personally sign the instrument, unless you notify us to the contrary in accordance with our rules on Stop Payment Orders. If we receive pre-notification of a transaction, we will make a reasonable attempt to notify you of the pending transaction.

Cashier’s Checks. We will accept a stop payment order for a Cashier’s Check only if it has been lost, stolen or destroyed. We will not issue a replacement check sooner than 90 days after the issue date of the Cashier’s Check.

Substitute Checks

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check. Some or all of the checks that you receive back from us may be substitute checks. This notice describes the rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other laws with respect to those transactions.

Telephone Calls: Calling, Monitoring and Recording

For our mutual protection, and to enable us to provide better service to you, we may monitor and/or record any of our telephone conversations.

Time to Bring Legal Action

To the fullest extent permissible by applicable law, unless another time is provided in another provision of this Agreement, an action or proceeding by you to enforce an obligation, duty, or right arising under this Agreement or under applicable law must be commenced within one year after the cause of action accrues.

Unclaimed Property – Accounts Presumed Inactive or Abandoned

We define inactive as no customer initiated activity, other than interest posting, and no contact between the customer and the Bank for a minimum period of 24 months. If your account is dormant, the Bank may hold all statements on your account, but the Bank's normal maintenance, service and other fees will continue to be assessed except where prohibited and ATM and POS access may be blocked. Each state has laws that govern when accounts are considered "abandoned" and when we are required to send a customer's funds to the state. This definition may not be consistent with the laws of your state; however, in accordance with California State law, if an account remains in an inactive status for three years, the funds are considered abandoned. We will send you a letter if it's possible that your account is at risk of being transferred to the state. Dormant accounts (if interest bearing) will continue to earn interest, and will be subject to such service charges as may be shown on the Schedule of Fees herein. We will attempt to notify owners of inactive accounts with an e-mail notice to review their account and to communicate with us about it. We will surrender the funds in your inactive account to the state of your last known address on file at the Bank if the account remains inactive for the time period designated by that state. Accounts with a foreign address on file will be surrendered to the state of California. Once the account is turned over to the state, you may reclaim the funds by presenting adequate proof of ownership to the appropriate state. We will have no further liability to you for such funds. When the funds in your account are delivered to the state, your account is closed, and no interest accrues. We encourage you to make sure your accounts remain active so you have full use of your accounts, and avoid the potential of having your account funds transferred to the state as "abandoned or Unclaimed property".

Your insurance coverage

It is recommended and many businesses carry special insurance for employee fraud/embezzlement. The Bank reserves the right to require that you file your claim with your insurance company before making any claim against the Bank. In such event, the Bank will consider you claim only after the Bank has reviewed your insurance company's decision, and the Bank's liability to you, if any, will be reduced by the amount your insurance company pays you.

Checking and Savings Accounts

From time to time, we may offer you or you may open a variety of deposit accounts. Each such account (the "Account") is subject to the general terms and conditions and any specific terms and conditions relating to that type of account that may be set forth in this Agreement. This disclosure describes the terms, services and the interest calculation with respect to the Deposit Accounts opened through the Bank's website. All Checking and Savings accounts are variable accounts and these rates are subject to change without notice. This Truth in Savings disclosure refers to the Schedule of Fees – Business Banking herein.

Interest

If your account earns Interest, the following information applies unless otherwise specified in the description for your account type:
Rate Information:

- The interest rate and corresponding APY for savings and money market accounts are variable and are set at our discretion.
- Your interest rate and annual percentage yield may change.
- Fees may reduce earnings.
- At our discretion, we may change the interest rate on your account.
- We may change the interest rate on your account at any time.
- Interest rates and APYs for different balance ranges are listed on the Bank's website.
- We reserve the right to change balance ranges or apply the same interest rate to more than one range.

Balance Computation Method: We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the balance in the account each day.

Compounding and Crediting: Interest is compounded daily and calculated on a 365/366 day basis. Interest is credited on a monthly basis.

Accrual of Interest on Noncash Deposits: Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

Limitations on Withdrawals

The Bank may choose to impose limits on the number of certain types of withdrawals and transfers you can make each month from your savings or money market account. Please note, that these limits do not apply to withdrawals or transfers made at a branch, by mail or at an ATM. You can make no more than a combined total of six (6) per month or monthly statement cycle (subject to Available Balance) from among the following:

- Preauthorized transfers (including transfers for overdraft protection)
- Telephone transfers or other electronic transmissions
- Online Banking and Mobile Banking transfers or bill payment transfers
- Transfers by check, draft, debit card, if allowed on your savings account
- We count checks for the purposes of transaction limitations as of the date the check posts to your account (not as of the date you write them)

In addition, each time a transfer is paid against your account in excess of those allowed by the Bank, you will be assessed an "Excess Transaction or Withdrawal Fee". See Schedule of Fees herein.

If you exceed the transfer limits on more than an occasional basis, we may convert your account to one not subject to transfer limitations or close your account. If we close or convert your account, you will receive a separate communication from us informing you of our actions.

We may refuse to allow any withdrawals without the Bank creating liability to you, if we have a concern that one or more transactions on your account may have been unauthorized or fraudulent, if there is a dispute concerning the Deposit Account that makes us uncertain regarding the instructions that have been given, the Deposit Account is garnished or attached, the Deposit Account has been pledged to the Bank as collateral for a debt, the availability of the funds on deposit cannot be verified, any required documentation has not been presented, or you have failed to repay an obligation to us on time.

Business Certificate of Deposit (CD)

When you open a Business CD, you agree to keep your funds in the account until the maturity date. You must deposit at least $1,000 to open a Business CD. We provide a confirmation notice at account funding. Certificates of deposit are opened for a fixed amount and held for a specific term. Withdrawal prior to the maturity of the term selected will result in an early Withdrawal Penalty which will substantially reduce the interest earned and could result in the loss of some of the principal. Interest rates on CD Accounts will vary based on the term requested. The interest rate and annual percentage yield (APY) on the CD Account is determined on the day we receive your application. This rate is reserved for a period of 5 business days to allow time for your deposit to arrive. Our current rates and annual percentage yields (APY) for time deposits as of today can be found at our Website, www.axosbank.com.

Interest

We use the daily balance method to calculate the interest on your account. Interest begins to accrue on the business day you deposit non-cash items (for example, checks). Interest is compounded daily and credited monthly. We may change the interest rate from time to time, at our discretion. The annual percentage yield (APY) assumes that interest remains on deposit until maturity. A withdrawal of interest will reduce earnings. You must maintain the entire balance in the account until maturity to obtain the disclosed annual percentage yield.

Terms

Terms for Business CD's are offered in monthly increments up to five years.

Maturity Options

Business CD's automatically renew for the same term and at the current interest rate then paid for the term in which the Account was renewed. The current interest rates are always available on our Website. You may also email or call us on the maturity date and we can tell you what the interest rate will be for the next renewal term.

Grace Period

If the Business CD automatically renews, you have 10 calendar days from the maturity date that you can make changes to your CD's term, rate, or make additional deposits or withdraw funds without penalty before it automatically renews for the same term. This time period is referred to as the "Grace Period". Interest earned during one term that is not withdrawn during or within the ten day grace period immediately after that term is added to principal for the renewal term. If you close the CD during the grace period, you will forfeit any interest accrued since the maturity date.

Early Withdrawal Penalty

On a Business CD account, we will impose a penalty if you withdraw any or all of the principal before the maturity date. You have contracted to keep your funds on deposit for the agreed term. You may not withdraw all or part of a CD except as provided in this Agreement. At our discretion, we may allow you to withdraw all or part of your funds at times other than the grace period.

The penalty imposed will be determined by the following schedule based on the number of days in the stated term. Please note that the term of the CD is the specified period of time you agreed to leave your funds on deposit – not the time remaining until maturity of your CD. We calculate the early withdrawal penalty on the principal amount withdrawn. We withdraw interest before principal. If your account has not earned enough interest to cover an early withdrawal penalty, we deduct any interest first and take the remainder of the penalty from your principal.

CD term of 3 thru 5 months, 45 days' loss of interest, accrued or not;
CD term of 6 thru 11 months, 90 days' loss of interest, accrued or not;
CD term of 12 thru 23 months, 180 days' loss of interest, accrued or not;
CD term of 24 thru 35 months, 12 months' loss of interest, accrued or not;
CD term of 36 thru 47 months, 18 months' loss of interest, accrued or not;
CD term of 48 months or greater, 24 months' loss of interest, accrued or not.

If we are required to pay an amount from your CD (i.e. levy or garnishment), we may charge you an early withdrawal penalty, calculated on the amount withdrawn from the CD.

Business CDARS® Certificate of Deposit (CD)

The Business CDARS CD provides the ease and convenience to assure all your Business CD's are FDIC insured. When you open a Business CDARS CD, you agree to keep your funds in the account until the maturity date. You must deposit at least $100,000 to open a Business CDARS CD. We provide a confirmation notice at account funding. Certificates of deposit are opened for a fixed amount and held for a specific term. Withdrawal prior to the maturity of the term selected will result in an early Withdrawal Penalty which will

substantially reduce the interest earned and could result in the loss of some of the principal. Please refer to the required CDARS Deposit Placement Agreement for additional terms and conditions.

E- Sign Disclosure and Consent

When applying for a Deposit Account or Loan with Axos Bank®, also known as UFB Direct, you will be asked to give your consent for the Bank to provide disclosures, communications and information to you electronically rather than paper form and agree to sign documents electronically, we will accept your electronic signature as though it were your handwritten signature.

The Disclosure and Consent Regarding Electronic (eSign) Signatures and Communication (the "Consent") provides the person(s) giving his/her consent below ("you" and "your") with information relating to your electronic receipt of disclosures and notices (collectively, the "Disclosures") in connection with your new Deposit Account or your loan transaction (the "Loan") pending with the Bank ("we", "us" and "our"). By providing your consent, you agree that we may send you any and all Disclosures (which are described below) relating to the Deposit Account or Loan in an electronic form. We will sometimes use the words "Electronic Records" as a short way to refer to the communications and information that we may provide electronically. Before you decide whether or not you wish to give your consent to receiving Electronic Records, you should read and consider the following information.

If you agree to provide your consent, click/check the "I Agree" button or sign at the bottom of the acknowledgement. The statement contains important information that we are required by law to provide to you. You should keep a copy for your records. For your convenience, this statement is written in a "Question and Answer" format. If you have any questions about Electronic Records that are not answered, you can contact us as follows:

Send us an e-mail at customerservice@axosbank.com

Types of Disclosures and Notices that will be provided in Electronic Form. The Disclosures may include, without limitation, disclosures and notices under the Federal Equal Credit Opportunity Act and Federal Reserve Regulation B, the Federal Truth-in- Lending Act and Federal Reserve Regulation Z, the Federal Fair Credit Reporting Act, the Federal Electronic Fund Transfer Act and Federal Reserve Regulation E, , the Federal USA PATRIOT Act of 2001 and Title V of the Federal Gramm-Leach-Bliley Act, together with all rules and regulations that implement the same, as well as all other applicable federal, state and local laws, rules, regulations and ordinances. The Disclosures also include any other information, agreements, disclosures and notices that we wish to provide you in connection with the Deposit Account or Loan in an electronic form, even if the information, agreements, disclosures and notices are not required by these laws, rules, regulations or ordinances.

For Online Banking Services the Disclosures may include your periodic Account Statement (As part of the monthly account statement, you will receive information about your account), other periodic or special notices (such as hold notices on availability of funds, or error resolution notices if you assert your rights under the federal consumer protection laws and regulations). These include special notices that federal laws and regulations from time to time might require us to provide to you and Privacy notices and disclosures. (These notices provide you with information about our privacy practices and policies).

Your Right To Receive Paper Copies of the Disclosures. You have a right to receive certain Communications on paper and you are not required to consent to receiving those Communications electronically instead. You are not required to consent to the electronic signature of documents. If you prefer not to provide your Consent, all of the Disclosures will be provided to you in a paper form. If you decide to provide your Consent, you should also print all disclosures and legal documents.

Your Right ToWithdrawYour Consent. You have the right to withdrawyour Consent at any time. You will not be charged any fees as a result of the withdrawal of your Consent. If you withdraw your Consent, any Disclosures provided to you after the effective date of the withdrawal will be provided in paper form. You may also receive paper copies of any Disclosures that were previously provided to you electronically as described in below.

Scope of Your Consent. Your Consent applies only to your electronic receipt of Disclosures and legal documents in connection with the origination, closing and servicing of the Loan or deposit account. Your Consent does not apply to other transactions that you may wish to enter into with us.

To Withdraw your Consent all you need to do is contact us using one of the Contacts described above.

What records will you provide to me electronically? If you consent, you will receive electronic records that relate to our online banking services. These will include the following types of documents:

- Your monthly account statement, if applicable. (As part of the monthly account statement, you will receive information about your

account).

- Other periodic or special notices (error resolution notices if you assert your rights under the federal consumer protection laws and regulations). These include special notices that federal laws and regulations from time to time might require us to provide to you.
- Privacy notices and disclosures. (These notices provide you with information about our privacy practices and policies).

Do I have an option to regularly receive these records in non-electronic form? After you provide your Consent, you may receive, without charge, a paper copy of any Disclosures that have been provided to you electronically by contacting us using one of the Contacts described above. The Bank's Online Banking Service has been designed and built to provide records to you in electronic form. To put it another way, the system is an electronic banking system and it does not have a paper-based alternative.

Can I get a copy of the records in non-electronic form if a special need arises? At your request, we can prepare a paper- based version of any of the electronic records you receive, for up to five years after the date it was created. If you want us to prepare a paper- based copy, you can request it by contacting us. Please refer to the Schedule of Deposit Account Fees and Terms for any costs associated with this service.

If I consent to electronic records now, and change mymind, what can I do and what are the consequences? You can change your mind, and withdraw your consent, at any time, and provide notification to us at the contact information above requesting paper statements and documents be provided to you. However, remember that the Online Banking Service does not support paper-based communications. So the consequence to you, if you withdraw your consent to electronic records, is that your access to and your ability to use the Online Banking Service will end.

Change of your designated E-Mail Address. If you change your designated e-mail address, you must notify the Bank to ensure continued delivery of electronic records.

Are there any hardware or software requirements for me to access or retain the electronic records? You will need a computer with sufficient memory to store electronic records, and with a working connection to the Internet. You will need an internet connection; a Current Version of Internet Explorer, Chrome, Safari, or Firefox; an active e-mail account and related software for accessing the email account; a Current Version of a program that accurately reads and displays PDF files; and a device with an operating system capable of supporting previous items. Your browser will need to have a minimum of 128-bit encryption capabilities. You are responsible for configuring your system to accommodate these requirements. Finally, you will need a printer if you want to print copies of electronic records.

If we change the minimum hardware or software requirements needed to access or retain electronic records, and the change creates a material risk that you will not be able to access or retain a subsequent record, then before the change takes effect we will let you know about the change and let you know what the new requirements are.

We will notify you by e-mail, and at that time you will be allowed to choose whether you still want to give us your consent to receive communications or information by electronic records. If not, you will be allowed to withdraw your consent at that time, without any fee or charge by us.

However, if you withdraw your consent, you may not be able to access the Online Banking Services without upgraded hardware or software. Then, your ability to use the Online Banking Service could also end (as described above, under "If I consent to electronic records now, and change my mind, what can I do and what are the consequences?").

How will the electronic records be provided to me? All Disclosures are available on the Bank's Website and can be accessed by clicking on the "Disclosures" tab. Other periodic or special notices will be sent to you by e-mail, unless they contain confidential account information at which time they will be sent by secure email through the online banking service on our Website. Your monthly account statements, if applicable, contain confidential information, so they will be stored for you to access (print or review) on the online banking service on our Website, at www.axosbank.com and will be available to you, for at least 2 years following the date it is first posted.

To access your monthly statements and any notices sent by secure email, you will need to sign-in to the online banking service of the Bank's Website.

Are there other special requirements for electronic records? You must provide us with your current e-mail address, and keep it current with us at all times. Otherwise, you may not receive electronic records in a timely manner. If you download or print any confidential materials, such as your monthly statements, be sure that, you store them in a secure environment.

Funds Availability

Your Ability to Withdraw Funds

This policy applies to deposits into accounts that are opened at the Bank. All deposits are processed at Bank's processing facility located in San Diego, CA, and are received either electronically, through the mail, or in person. Please do not mail cash deposits. In the event Bank receives cash deposits, you agree that the Bank's determination of the amount of the deposit will be conclusive. The Bank is responsible for mailed deposits only after the Bank has received them. The Bank is not liable for any deposits, including cash, lost in the mail. Remember: when you use the U.S. mail to make a deposit, you will need to allow extra time for the deposit to reach us.

The Bank's policy is to make funds from certain electronic deposits available to you on the business day the Bank receives the deposit. However, the Bank may delay the availability of funds from your check deposits to afford us time to verify the deposit and ensure the funds are collected. During the delay, you may not withdraw the funds and the Bank will not use the funds to pay checks you have written or other debits against the account that you have initiated, such as electronic bill payments.

Determining the Availability of a Deposit

The length of the delay is counted in business days from the day of your deposit. Every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before our established cutoff time on a business day that we are open, we will consider that day to be the day your deposit is received by the Bank. However, if you make a deposit after our cutoff time or on a day we are not open, we will consider the next business day we are open to be the day of your deposit. The availability of your deposit varies depending on the type of deposit and is explained below.

Our deposit cutoff times are as follows:

- Branch deposits:
  - California: 5pm Pacific Time for same-day processing
  - Nevada: 5pm Pacific Time for same-day processing (does not accept cash transactions)
- Axos ATM deposits:
  - Axos Bank ATMs: 5pm Pacific Time for same-day processing
  - Non-Axos Bank ATMs: 2:30pm Central Time for same-day processing
- Check deposits made via the Mobile Banking app: 3pm Pacific Time
- Electronic credits (such as Direct Deposit or account transfers): Credit received at least 2 days before the settlement date, will be posted by 8:30am Central on the date specified as the settlement date

This funds availability policy does not apply to checks drawn on banks located outside the United States of America.

Availability of ACH Funds

ACH credits may be reflected in your account balance upon posting; however, the funds may not be immediately available for withdrawal, payment, or transfer. To mitigate settlement delays, returns, or fraud risk, ACH credits may be subject to a hold of up to five (5) business days after posting. During the hold period, the funds will not be available for use. If no return or other issue occurs, the funds may become available on the third business day after posting. We may release funds earlier at our discretion.

Same Day Availability

Funds from electronic direct deposits to your account will be available on the same day the Bank receives the deposit. Interbank Transfers initiated from your Online Banking account will be made available upon actual and final credit of the funds. This is typically within 3 to 5 Business Days.

Next- Day Availability

If you have a specific agreement with the Bank for these services, these provisions supplement that agreement to the extent these provisions are not consistent with the specific agreement.

The Uniform Commercial Code includes provisions relating to funds transfers. These provisions define the following terms: funds transfer, payment order and beneficiary. These terms are used here as they are defined in Article 4A of the Uniform Commercial Code - Funds Transfers as adopted by the state whose law applies to accounts for which the funds transfer service is provided. In general, a funds transfer is the process of carrying out payment orders that lead to paying a beneficiary. The payment order is the set of instructions given to the Bank to transfer funds. If software is required, we will provide to you a copy of the software. To the extent we require the use of software in connection with the Service; you will implement and use the software, and any applicable materials relating to transmit output files to us.

Axos Small Business Banking Cash Bonus Promotion Terms

The following terms and conditions (the "Terms") apply to the Axos Small Business Banking Cash Bonus Promotion, which allows eligible businesses (as defined below) to earn up to $600 on their **Basic Business Checking account** over 6 statement cycles after account opening by completing the required actions described below.

Promotion Period: October 1st, 2025 at 12:00 a.m. E.T. – January 31st, 2027 at 11:59 p.m. E.T.

Who is eligible for the Cash Bonus Promotion?

To be eligible to qualify for the Cash Bonus Promotion, a business must:

- Become a new Axos business customer in the Promotion Period (10/1/2025 – 1/31/2027)
- Apply and be approved for a Business Premium Savings account AND a Basic Business Checking account through a single application (bundle)
- Enter the promo code (SBB600) in the Business Premium Savings / Basic Business Checking application
- Not have qualified for any part of this, or another, Axos promotion on any account(s) within the last 12 months as of the date that the bundled accounts were opened

Businesses who have opened an Axos Small Business Banking account prior to the Promotion Period are not eligible for the Cash Bonus Promotion. Eligible businesses must complete the qualifying activities described below in each Statement Cycle in order to receive the cash bonus in that Statement Cycle.

What qualifying activities do I need to complete to earn the cash bonus?

- To qualify for each cash bonus during an eligible Statement Cycle, an eligible business must meet the following requirements in each Qualification Period:
  - Deposit $1,000 or more (via ACH, check, or wire) into their Basic Business Checking account from an external source
  - Use the debit card associated with their Basic Business Checking account to make 2 or more approved purchases of at least $50 for each transaction
  - Maintain an average daily balance of at least $1,500 in the Basic Business Checking account
  - Maintain an average daily balance of at least $50,000 in the Business Premium Savings account

The **Qualification Period** begins on the first business day of the month and runs through the 25th of the month. If the 25th of the month is followed by a non-business day, the average daily balance will be calculated including the following non-business day(s). Any qualifying deposits received after the 25th of the month will count toward the next Qualification Period. The Qualification Period for new accounts will begin on the day the account is approved. New accounts opened on or after the 25th of the month will be eligible to earn the Cash Bonus starting in the following month.

Qualifying transactions, including debit card transactions, must post and clear the account by the 25th of the month to count towards the monthly qualification cycle. Account transactions may take one or more business days from the transaction date to post to the account.

Qualifying deposits only include deposits from the following eligible sources: (i) ACH transfers from external accounts, (ii) inbound wire transfers from external accounts, (iii) check deposits. Qualifying deposits do not include: (i) transfers internal to the bank (i.e., transfers between an account holder's Checking and/or Savings account), (ii) interest payments, (iii) promotional bonuses, (iv) credits, reversals, and refunds.

Both accounts must be in an open and active status on the 25th of the month and on the date the Cash Bonus is paid to receive the Cash Bonus for that statement cycle. If either account closes during the Qualification Period, neither account will be eligible to earn the Cash Bonus for that statement cycle.

Additional Important Terms for the Axos Small Business Banking Cash Bonus Promotion

A business is eligible to qualify in the first 7 statement cycles after eligible accounts are opened.

An eligible business can qualify for the Cash Bonus for a maximum of 6 statement cycles.

If an eligible business meets the qualifications during the Qualification Period within a Statement Cycle, a payment of $100 will be credited to their Basic Business Checking account.

This $100 credit will be paid within the first 15 business days following the end of the Statement Cycle in which the eligible business qualified.

An eligible business can earn up to $600 in cash bonuses throughout the entirety of this promotion.

Only one promotional offer may apply to a business at any time. The Cash Bonus Promotion may not be combined with other promotional offers.

Promotion is non-transferable and limited to one account per business. Any subsequent accounts opened by the business will not be eligible for the Cash Bonus Promo.

Axos reserves the right to modify, suspend, or terminate the Promotion at any time without notice.

Standard rates are variable and subject to change at any time. Fees may reduce earnings. For current rates and additional disclosures, please see:

Rates are variable and subject to change at anytime without notice. Promotional terms and conditions are subject to change or removal without notice.**

Axos Small Business Banking APY Boost Promotion Terms

The following terms and conditions apply to the Axos Small Business Banking APY Boost Promotion (the "Promotion"), which allows eligible businesses (as defined below) to receive a 0.41% annual percentage yield ("APY") boost to the base APY earned on their **Business Premium Savings** account (the "APY Boost"). The APY Boost can be earned for the first six (6) statement cycles including the cycle in which the account is opened and will be paid monthly as part of the monthly interest payment. Qualifying Business Premium Savings accounts will earn a 0.41% APY Boost which based on today's rate results in a total of 3.91% APY for the statement cycle in which the requirements are met; rates are variable and subject to change. Customers who have previously held any account with Axos Bank or UFB Direct are not eligible, including but not limited to deposit accounts, loans, and investments. In order to qualify, the account must be created from October 1, 2026 through

April 1, 2027 and contain the promo code BOOST41 in the promo code field of the account application.

Promotion Period: October 1, 2026 at 12:00 a.m. P.T. – April 1, 2027 at 11:59 p.m. P.T.

Eligibility

- To be eligible to qualify for the APY Boost Promotion, a business must:
  - Be new to Axos Business Premium Savings. Businesses that have previously held a Business Premium Savings account prior to the Promotion Period are not eligible for the APY Boost Promotion
  - Apply and be approved for the Basic Business Checking and Business Premium Savings on the same day through a single application and including the promo code (BOOST41) in the application
  - Must have an average daily balance of $5,000 in the Basic Business Checking account over the qualification period

Qualifying Steps

To maintain the Boost APY, both the Business Premium Savings account and a Basic Business Checking account must remain open. If either account is closed, the Boost APY will no longer be earned and the account will revert to the standard applicable APY in effect at that time.

The 0.41% APY Boost starts the next business day following the account opening date and applies only to the Business Premium Savings account.

The Qualification Period begins on the first business day of the month and runs through the 25th of the month. If the 25th of the month is followed by a non-business day, the average daily balance will be calculated including the following non-business day(s). Any qualifying deposits or qualifying direct deposits received after the 25th of the month will count toward the next Qualification Period. The Qualification Period for new accounts will begin on the day the account is approved. New accounts opened on or after the 25th of the month will be eligible to earn the promotional APY starting in the following month.

Statement Cycle: For purposes of this Promotion, a Statement Cycle runs in monthly increments measured from the account open date (rather than the calendar month), with each subsequent Statement Cycle beginning on the corresponding day of the following month.

Additional Important Terms for the Axos Small Business Banking APY Boost Promotion

The six-month Boost Period begins once the qualifying steps above have been completed and the account has been onboarded with the promo code (BOOST41).

If the Basic Business Checking closes at any point during the Promotion Period, the rate will revert to the standard rate sheet rate for that period and for the applicable product (in this case Business Premium Savings). The business may re-establish qualifying accounts to resume the Boost for the remainder of the six months from the original account opening date.

If the Business Premium Savings account closes at any point, the Boost ends for that period, but the business may reopen a qualifying Business Premium Savings account to resume the Boost for the remainder of the six months from the original account opening date.

A new Axos business customer has a window of 7 calendar months after eligible accounts are opened to complete qualifying steps and may receive the APY Boost for a maximum of 6 statement cycles from the account open date, subject to use of the promo code during the Promotion Period. A business that does not qualify in a Statement Cycle will not receive the Boost for that cycle but may earn it in later cycles within the Boost Period. Missed cycles do not extend the Boost Period.

- If an eligible business meets the qualifications within a Statement Cycle, the APY Boost will be credited to their Business Premium Savings account only. An eligible business is a legal entity (LLC, LLP, Corporation, Non Profit, Association, General Partnerhsip, Limited Partnership, Business Trust) or sole proprietorship identified by a unique EIN/TIN. Businesses under common ownership are treated as separate businesses for this Promotion

The APY Boost will be paid as an interest credit within the first 15 business days following the end of the Statement Cycle in which the eligible business qualified.

The maximum APY Boost available under this Promotion is 0.41% APY.

10. A validity edit helps to verify the accuracy of the data reported. An institution's CRA submission that passes all validity edits does not ensure 100% accurate data. True accuracy is determined during the examination process.

11. A record represents one row of data reported to the Federal Reserve Board. This does not in any way represent the number of loans originated or purchased by the institution.

10. A validity edit helps to verify the accuracy of the data reported. An institution's CRA submission that passes all validity edits does not ensure 100% accurate data. True accuracy is determined during the examination process.

11. A record represents one row of data reported to the Federal Reserve Board. This does not in any way represent the number of loans originated or purchased by the institution.
