**PLEASE NOTE IF YOU HAVE A LOAN REQUEST THAT IS NOT ADDRESSED IN THIS MATRIX OR MAY BE AN EXCEPTION TO THE GUIDELINES SHOWN HERE, CONTACT YOUR ACCOUNT EXECUTIVE TO DISCUSS IT.**

<b>Axos Bank SFR Portfolio Matrix</b>	
<b>1031 Exchange</b>	<p>Assets for the down payment from a "like-kind exchange," also known as a 1031 exchange, are eligible if properly documented. The following documents are required:</p> <ul style="list-style-type: none"> <li>• The Closing Disclosure for the property sold by the borrower as part of the exchange</li> </ul> <p>A statement from the accommodator holding the funds verifying the funds held for the borrower</p>
<b>Adverse Credit</b>	<p>Collection accounts and judgments of minimal amounts require a satisfactory explanation and review by the underwriter to determine if the open account will impact the applicant's ability to keep payments current or if the payoff is required prior to or at closing. Collections and judgments greater than minimal amounts should be determined by the underwriter if they should be paid off prior to or at closing, unless a valid dispute exists, is fully verified, and well-documented. All tax liens must be satisfied prior to or at closing.</p>
<b>Age of Documents</b>	<p>All credit related documents must not expire by Note date:</p> <ul style="list-style-type: none"> <li>• Credit Package (Credit Report, Income, Assets) : 90 days</li> <li>• Prelim: 90 days</li> <li>• Appraisal: 120 days</li> </ul>
<b>Agricultural Properties</b>	<p>Residential properties that are partially utilized for agricultural purposes are eligible, if the agricultural activities represent the borrower's hobby. Hobby is defined as an activity that generates less than 10% of the borrower's gross income. Properties with a commercial business and/or commercial buildings are not eligible.</p>
<b>Alimony/Child Support Income</b>	<p>Document that alimony or child support will continue to be paid for at least three years after the date of the mortgage application, as verified by one of the following:</p> <ul style="list-style-type: none"> <li>• A copy of a divorce decree or separation agreement (if the divorce is not final) that indicates payment of alimony or child support and states the amount of the award and the period of time that it will be received.</li> <li>• If the borrower is recently separated or divorced and the payment is established (received for a minimum of one month), the income can be considered with documentation that shows 6 months of payments by the former spouse.</li> </ul> <p>Note: If a borrower who is separated does not have a separation agreement that specifies alimony or child support payments, it is acceptable to consider any proposed or voluntary payments as income with supporting documentation and reasonable rationale. A history of receipt should be documented, if there is no formal agreement.</p> <ul style="list-style-type: none"> <li>• Any other type of written legal agreement or court decree describing the payment terms for the alimony or child support may be reviewed.</li> </ul> <p>Limitations on the continuance of the payments, such as the age of the children for whom the support is being paid or the duration that alimony is required to be paid, should be identified.</p>

<b>Alimony/Child Support Debt</b>	<p>Alimony payments should be treated as a reduction in income. Child support and maintenance should be treated as a monthly debt obligation.</p> <p>The amount of such payments should be documented. Proof that these amounts are being paid may be required. These obligations should be disclosed on the application and considered a recurring debt if more than 10 months of payments remain. The divorce decree is reviewed to determine number of months the obligation will remain. If the ages or date of birth of children is not specified in the divorce decree, birth certificates are requested to determine when the support will cease.</p>
<b>Appraisal Age</b>	<p>An appraisal report is valid for four months preceding the date of note and closing documents and the appraisal report must not be more than 12 months old. If the appraisal report is greater than 4 months old on the date of the note and mortgage, then an appraisal update is required. The appraiser must inspect the exterior of the property and review current market data to determine whether the property has declined in value since the date of the original appraisal. This inspection and results of the analysis must be reported on the Appraisal Update and/or Completion Report (Form 1004D). At a minimum, when completing the Appraisal Update portion of the report, a photograph of the front of the subject property must be included.</p> <p><b>Appraisal acknowledgements</b></p> <ul style="list-style-type: none"> <li>• All appraisals/valuations are required to be promptly delivered to the borrower.</li> <li>• Provide proof of delivery for each valuation/appraisal to borrower.</li> <li>• All closing documents must be dated 3 business days after the last appraisal delivery date.</li> </ul>
<b>Asset Depletion</b>	<p>Asset Depletion is a method of calculating a monthly income stream based on a borrower's assets. Asset depletion can be utilized on any scenario, at any LTV, and with any product; however, asset depletion on loans to non-resident aliens require additional review.</p> <p>The Asset Depletion Calculation is based on the current value of the net qualified asset over 7 years.</p> <ul style="list-style-type: none"> <li>• Eligible assets should be held in a U.S. Bank or U.S. brokerage account;</li> <li>• A minimum of \$500,000 must be available for asset depletion;</li> <li>• A minimum of 12 months PITIA in reserves is required;</li> <li>• Assets must be liquid;</li> <li>• Annuities and privately held stock are not eligible;</li> <li>• Cash-out proceeds from a cash-out refinance are not eligible for Asset Depletion</li> <li>• Cash Recapture Funds are allowed (See Cash Recapture section for definition);</li> <li>• Retirement accounts are not eligible for depletion, unless the borrower is at least 59 1/2 years of age;</li> <li>• Checking accounts, savings accounts, mutual funds, bonds, trusts, public stocks, CDs, cash value of life insurance (in the borrower's name or the name of the borrower's trust) are eligible.</li> <li>• 75% of the current value of Brokerage Funds (Public Stocks, Bonds, Mutual Funds, etc.) may be used for depletion;</li> </ul>

	<ul style="list-style-type: none"> <li>• Securities accounts (Stock, ETFs, Bonds or mutual funds) with a margin loan or line of credit the value of the account is reduced by the amount of margin or credit used to net out the value of the assets.</li> <li>• Large cap cryptocurrency (Bitcoin, Ethereum) accounts may be considered on a case-by-case basis. Accounts must be held at a U.S. based exchange or custody wallet. Borrower must provide sufficient evidence of ownership. Only 50% of the current value of cryptocurrency asset may be included in depletion calculation.</li> <li>• Asset depletion may not be used if gift funds are present;</li> <li>• Borrower must be 100% owner of assets utilized;</li> <li>• Business funds excluding assets in an operating account, may be utilized on an exception basis, if the borrower is 100% owner of the business and a signed letter from a CPA, accountant, or financial officer at the business stating that the borrower is authorized to use the funds, and that doing so does not adversely affect the business should also be obtained</li> <li>• For loans where asset depletion is the only source of qualifying income, further exploration of the borrower's asset pattern is warranted; and</li> <li>• Assets currently being drawn on for monthly income in the form of monthly distributions, interest income, or dividend income can be utilized if the interest/dividend or other payment is not already being counted in the income calculation.</li> <li>•</li> </ul>
<b>Authorized User Accounts</b>	An authorized user is a person permitted by a credit account holder to use an account. Typically, this facilitates a family member who is trying to manage and build credit for the first time. Only accounts identified with either an Individual or Joint account indicator should be considered as part of the applicant's credit history.
<b>Auto Allowance</b>	<p>An auto allowance may be included as income, if the allowance is typical for the applicant's occupation. The auto allowance should be verified by the employer or shown on applicant's federal income tax returns. Depreciation on the car may not be added back to income.</p> <ul style="list-style-type: none"> <li>• The full amount of an auto allowance should be counted as income. Any payment for a corresponding identified auto loan should be counted as a liability if applicable.</li> </ul>
<b>Bank Statement Program</b>	<p>Bank Statements for calculating qualifying income on 1-4 family residential loans.</p> <ul style="list-style-type: none"> <li>• LTV restrictions apply – refer to Current Rate Sheet for details</li> <li>• Credit Score restrictions apply – refer to Current Rate Sheet for details</li> <li>• Self-employed borrowers can use either Personal or Business Bank Statement documentation.</li> <li>• Minimum 1 year self-employed and 2 years in same line of business</li> <li>• Must verify the borrower's percentage of ownership. Acceptable forms of documentation would be a business license, a signed written statement from a CPA or a Third-Party Tax Preparer, a Partnership agreement, a business certificate filed with a governmental agency.</li> <li>• Assets must be held in the US</li> </ul>

**Business Bank Statement Analysis (2 options):**

- **(1) Standard Expense Ratio:** Gross bank deposits (less ineligible deposits) multiplied by **Expense Ratio** (from chart below) multiplied by percentage ownership divided by 12 months.

Type of Business	Expense	Examples
Service Business as Individual	40%	Insurance Salesman, Consultant, Accountant, Computer Services, Design Architect, Trades Person (Electrician, Plumber, Repair, Gardener/Landscaper), etc.

	Service Business w/ Operations	50%	Insurance Company, Accounting Firm, Architect Company, Computer Services Company, Trades (Electrical, Plumbing, Home, Auto, Computer Repair, Gardening/Landscaping etc.
	Non-service Business or Product Business	60%	Restaurants, Retail/Consumer Goods, food services, etc
<p>The following business types are typically not eligible for the Bank Statement Loan Program:</p> <ul style="list-style-type: none"> <li>• Import/Export Business,</li> <li>• Real Estate Developer,</li> <li>• General Contractor/Construction,</li> <li>• Real Estate Investor (Rental Income),</li> <li>• Property Manager,</li> <li>• Investment Advisor/Wealth Manager,</li> <li>• Brokerage Services,</li> <li>• Law Firm,</li> <li>• Trading/Consignment,</li> </ul> <p>Exceptions may be granted on the above upon review of acceptable evidence of income through supporting bank statements.</p> <ul style="list-style-type: none"> <li>• <b>(2) Calculated Expense Ratio:</b> Gross bank deposits (less ineligible deposits) multiplied by <b>Expense Ratio</b> (per P&amp;L) multiplied by percentage ownership divided by 12 months. <ul style="list-style-type: none"> <li>○ Profit &amp; Loss must be prepared and signed by a Tax Professional (Certified Public Accountant, Tax Attorney, Enrolled Agent or Paid Tax Professional)</li> <li>○ P&amp;L to cover minimum 12-month period (YTD + previous year)</li> <li>○ <b>Minimum 35% Expense Ratio allowed</b></li> </ul> </li> </ul>			
<b>Bankruptcy/Foreclosure/ Short Sale</b>	Generally, no bankruptcies, foreclosures, or short sales are preferred. All submissions with histories of bankruptcies, short sale or foreclosures must be satisfactorily explained in writing by the Borrower. In addition, a three-year history of re-established and clean credit since any bankruptcy discharge is required. Extenuating circumstances may be reviewed. These may include, but not limited to: job loss, death of spouse, serious illness of the borrower or a family member, and job relocation.		

	Current or prior foreclosures and short sales should have been completed at least 3 years ago based on the borrower's application date.
<b>BDTI Calculation/Properties Pending Sale</b>	<p>Monthly payments reflected on the credit report (or other identifying sources,) and PITIA is utilized to calculate the back-end debt-to-income BDTI ratio.</p> <p>If no monthly payment is indicated on the credit report, or if other forms of verification are not provided, payments the greater of \$10, or 5% of the outstanding principal balance on the account will be projected.</p> <p>If current primary is listed for sale but not sold, the payment can be excluded from the BDTI calculation with the following:</p> <ol style="list-style-type: none"> <li>1. Copy of current listing agreement including satisfactory documentation evidencing active marketing via MLS or Internet</li> <li>2. Additional six months of the listed property's underlying PITIA cash reserves (over and above loan program reserve requirements). Additional reserves may be required depending on geographic area and marketing times.</li> <li>3. Loan to value not to exceed 70% of the listing price or value as determined by Axos AVM</li> </ol> <p>If not able to provide active marketing via MLS or Internet, the following additional documentation may be provided for additional qualifying consideration.</p> <ol style="list-style-type: none"> <li>a. Licensed Appraiser comparable rent schedule (From 1007)</li> <li>b. Borrower Signed satisfactory letter of Intent of property selling or will rent</li> <li>c. Additional six months of the listed property's underlying PITIA cash reserves (over and above loan program reserve requirements). Additional reserves may be required depending on geographic area and marketing times.</li> </ol> <p>Exclusion of Investment and Second Homes not allowed.</p>
<b>Boarder Income</b>	<p>When a borrower with disabilities receives rental income from a live-in personal assistant, whether or not that individual is a relative of the borrower, the rental payments can be considered as acceptable stable income in an amount up to 30% of the total gross income that is used to qualify the borrower for the mortgage loan. Personal assistants typically are paid by Medicaid Waiver funds and include room and board, from which rental payments are made to the borrower. Income is shown as rental income on the borrower's most recent tax returns.</p> <p>The two most recent years' of the borrower's individual tax returns must reflect receipt of boarder income (usually reported on 1040 Schedule E).</p>
<b>Borrower Eligibility</b>	<ul style="list-style-type: none"> <li>• U.S. Citizen</li> <li>• Permanent Resident Aliens – Resident Alien Card required</li> <li>• Non-Permanent Resident Alien – Visa or valid Passport required</li> </ul> <p>These borrowers must meet Ability to Repay requirements.</p> <ul style="list-style-type: none"> <li>• PRA/NPRA/NRA – proof of SSN if applicable.</li> </ul>

<b>Business Assets</b>	<p>Business assets may be acceptable sources of funds for the down payment, closing costs, and required reserves when a borrower is self-employed. The following applies:</p> <ul style="list-style-type: none"> <li>• The borrower must be an owner of the account, which must be verified by tax returns or other documentation.</li> <li>• The impact on the business should be considered to confirm that the withdrawal of funds for this transaction will not have a negative impact on the enterprise.</li> </ul> <p>The borrower should be at least 50% owner of the business and available assets will be limited to his/ her percentage of ownership in the business.</p>
<b>Business Debt in Borrower's Name</b>	<p>When a self-employed borrower claims that a monthly obligation that appears on his or her personal credit report is being paid by the borrower's business, it must be verified that the obligation was actually paid out of company funds and was considered in the cash flow analysis of the borrower's business.</p> <ul style="list-style-type: none"> <li>• The account payment does not need to be considered as part of the borrower's individual recurring monthly debt obligations if:</li> <li>• the account in question does not have a history of delinquency;</li> <li>• the business provides acceptable evidence that the obligation was paid out of company funds (such as 6 months of canceled company checks); and</li> <li>• The cash flow analysis of the business considered the obligation.</li> <li>• The account payment is part of the borrower's individual recurring monthly debt obligations, if any of the following situations exists:</li> <li>• If the business does not provide sufficient evidence that the obligation was paid out of company funds;</li> <li>• If the business provides acceptable evidence of its payment of the obligation, but the cash flow analysis of the business does not reflect any business expense related to the obligation (such as an interest expense—and taxes and insurance, if applicable—equal to or greater than the amount of interest that one would reasonably expect to see given the amount of financing shown on the credit report and the age of the loan). It is reasonable to assume that the obligation has not been accounted for in the cash flow analysis; or</li> </ul> <p>If the account in question has a history of delinquency. To ensure that the obligation is counted only once, adjust the net income of the business by the amount of interest, taxes, or insurance expense, if any, that relates to the account in question.</p>
<b>Cash Recapture/Delayed Financing</b>	<ul style="list-style-type: none"> <li>• Loan used for the purpose of recapturing funds used to purchase a property acquired, or pay off a loan obtained to acquire the property, within 12 months of the date Axos receives the loan application, may use purchase loan to value ratio guidelines. The source of down payment documentation is required. The lesser of the sales price or appraised value is used. 45 day seasoning from acquisition close required.</li> </ul>
<b>CEMA</b>	<ul style="list-style-type: none"> <li>• Provide copies of all original prior notes (and GAP notes). Lost note affidavits are accepted on a case by case basis.</li> <li>• Confirm new money amount with Closing Attorney</li> <li>• Exhibit A must list all Notes, Security instruments, assignments that modify, consolidate or extend prior underlying obligations and which predate the CEMA</li> </ul>
<b>Capital Gains</b>	<p>Borrowers whose income is generated primarily through real estate investments, or the sale of other assets that are claimed on Schedule D of the Federal Income Tax Return (form 1040), must demonstrate a two-year history of receipt on their tax returns. The</p>

	<p>borrower must also have sufficient assets to support the continuity of capital gain income. Generally, a 24-month average of the income is utilized.</p> <p>Carefully evaluate the borrower's ongoing income and provide supporting documentation to demonstrate the likelihood of continuance.</p> <p>If the borrower has recently begun to receive capital gains, or the most recent year of capital gains showed an increase, obtain an explanation and supporting documentation to evidence why the most recent year should be utilized in lieu of a two-year average.</p>
<b>Closing Disclosure</b>	<ul style="list-style-type: none"> <li>• A Closing Disclosure must be provided to the consumer at least 3 business days before consummation.</li> <li>• Once a CD is provided to the consumer, a revised LE <i>cannot</i> be issued.</li> <li>• A CD may not be delivered the same day as an LE is issued.</li> <li>• In rescindable transactions, we require proof that each borrower (including non-borrowing spouses/individuals with ownership interest) has received the CD.</li> <li>• In non-rescindable transactions, we require proof that one of the consumers with primary liability on the obligation has received and acknowledged receipt, but all parties on title should appear on the initial CD (excluding Trustees and LLC's)</li> <li>• Axos will not accept Hardship Letters in lieu of required TRID waiting periods</li> <li>• Sending the CD is not sufficient proof of receipt – you are required to document the borrower(s) <i>received</i> the CD.</li> <li>• Adobe PDF signatures on CD's are not acceptable.</li> <li>• E-signatures - provide the e-sign audit trail or the docu-sign agreement with the Initial CD. <b>Mortgage Assumptions</b>	If an applicant had a mortgage loan assumed by another party, the contingent liability may not be included in the applicant's underwriting ratios, if a copy of the formal assumption agreement (with or without release of liability) and evidence of the transfer of ownership are provided. This contingent liability should be apparent on the credit documentation.
<b>Mortgagee Clause</b>	<ul style="list-style-type: none"> <li>• Axos Bank, ISAOA/ATIMA PO Box 5804 Troy, MI 48007-5804</li> </ul>
<b>Mortgage History</b>	<p>Review the borrower's credit report to determine the status of all mortgage accounts. If a borrower had previous mortgages, a credit report, which includes a reference to the mortgage(s) and reflects twelve months of the most recent payment activity, is acceptable verification. If adequate mortgage payment history is not included in the borrower's credit report, the following must be utilized to verify the borrower's payment history on a previous mortgage(s):</p> <ul style="list-style-type: none"> <li>• A standard mortgage verification;</li> <li>• Loan payment history from the servicer;</li> <li>• The borrower's canceled checks for the last twelve months; or</li> <li>• The borrower's year-end mortgage account statement provided the statement includes a payment receipt history, and, if applicable, canceled checks for the months elapsed since the year-end mortgage account statement was issued.</li> </ul> <p>Loans with excessive prior mortgage delinquencies should not be eligible for</p>

	exceptions to policy or deviations to guidelines. Excessive prior mortgage delinquency is defined as any mortgage trade line that has one or more 60-, 90-, 120-, or 150-day delinquency reported within the 12 months prior to the credit report date.
<b>Non Arm's Length</b>	<p>Transactions with Family Members - The following requirements apply when a non-arm's length transaction involves a family member (specifically, the borrower's spouse, registered domestic partner, fiancé or fiancée, child, parent, or any other individual related to the borrower by blood, adoption, or legal guardianship):</p> <ul style="list-style-type: none"> <li>• An executed purchase or sales agreement between the purchaser and the family member is in the loan file.</li> <li>• The source and ownership of funds for the down payment, closing costs, and reserves are well documented in the loan file.</li> <li>• Seller may not be delinquent on their mortgage(s) or in a short sale transaction. A copy of the demand for payoff for the existing mortgage(s) should be obtained for verification.</li> </ul> <p>If the borrower is not providing a down payment towards the purchase of the home, the maximum LTV is 50%.</p>
<b>Non Occupant Co-Borrowers</b>	A guarantor or co-signer is a credit applicant who may not have an ownership interest in the security property, but who signs the Note and thus shares joint liability of the note with the applicant who is the owner of the property. The occupying borrower and non-occupying co-borrower must have sufficient combined income and liquidity to qualify under Axos Bank's standard requirements. The use of a non-occupant co-borrower is limited to purchase transactions and rate and term refinance transactions.
<b>Non Traditional Credit</b>	<p>If a borrower does not have the types of credit, which would appear on traditional credit reports, or if the borrower does not have sufficient number of credit references to develop a traditional credit report, it is acceptable to obtain alternative credit. Examples of non-traditional credit are:</p> <ul style="list-style-type: none"> <li>• Cell phone payments,</li> <li>• Utility bills,</li> <li>• Rent payments, and</li> <li>• Insurance payments.</li> </ul> <p>A minimum of 2 non-traditional credit references are required, if non-traditional credit is utilized. If the borrower is not a U.S. Citizen and credit references are from another Country, the documentation must be translated by a certified translator.</p> <p>Please contact your Account Executive if loan amount requests in excess of \$500,000 require non-traditional credit.</p>
<b>Non-Depository Assets</b>	<p>Stocks, government bonds, and mutual funds are acceptable sources of funds for the down payment, closing costs, and reserves. Stock options may also be an acceptable source of funds, but only for down payments and closing costs.</p> <ul style="list-style-type: none"> <li>• 70% of verified funds are utilized as reserves to account for market volatility.</li> <li>• A statement verifying the borrower's ownership of the account or asset is required;</li> <li>• The value of the asset at the time of sale or liquidation is used for qualifying assets; and</li> </ul>

	<ul style="list-style-type: none"> <li>The borrower's actual receipt of funds realized from the sale or liquidation of the assets, if the funds will be used for the down payment or closing costs should be verified.</li> </ul> <p>Deposits exceeding 50% of qualifying income must be explained</p>

	<p>Every NRA loan should include expenses for the primary residence such as rental payments, mortgage, taxes, insurance HOA dues and any other applicable expenses.</p> <p><b>Assets:</b> Assets should be verified with two months' statements from the borrower's accounts. If the statements are not in English, they must be translated by a 3rd party professional translation company. Convert all currency into USD.</p> <p>All foreign gift funds should be approved—all donors' identities, sources of the funds, and employment require such clearance. The Bank will consider gifted funds from a maximum of 5 giftors and none may be, or have any affiliation with, the builder, developer, real estate agent, mortgage banker/broker, or any other interested party to the transaction.</p> <p>Additional documents: US Mailing address must be provided for mailing of monthly statements</p>
<b>Option to Purchase</b>	<p>Rent credit for option to purchase is an acceptable source of funds toward the down payment. If the borrower has been in the home for 12 months, the current appraised value can be utilized to calculate LTV.</p> <p>The original purchase option agreement is required. The amount of rent paid in excess of market rents as determined by a Rent Survey obtained by the Bank may be applied toward the required down payment. The Rent Survey must determine the market rents as of the time the original purchase option agreement was created and went into effect.</p>
<b>Overtime &amp; Bonus</b>	<p>A minimum history of two years receipt is recommended. Borrowers relying on overtime or bonus income for qualifying purposes should have a prior history to be considered stable.</p> <p>The following documents should be obtained:</p> <ul style="list-style-type: none"> <li>• Completed VOE</li> <li>• The borrower's recent paystub and IRS W-2 forms covering the most recent two year period.</li> </ul> <p>Using biweekly overtime to qualify, analyze the most recent paystub to confirm that the earnings match the historic annual income values.</p> <p>Borrowers using an annual bonus for qualification will have the annual amount divided by 12 to derive the monthly amount for qualifying purposes. If the borrower has a history of receipt, the prior year's bonus may be utilized for qualifying even if the borrower has not received the bonus in the current year, as long as there is a contract or VOE to assess the likelihood of recurrence. Bonuses should demonstrate a stable or upward trend and may be averaged or otherwise justified based on underwriter discretion.</p>
<b>Part Time and/or Second Job</b>	<p>Verification of a minimum history of two years of uninterrupted secondary employment income is recommended.</p>
<b>Payoffs</b>	<p>Payoffs demands must be current through funding date.</p> <p>Payoff statements: Provide most recent statements for any credit accounts or non-subject mortgage payoffs to be paid through close (must include creditor's contact information &amp; complete account numbers)</p>

<b>Pledged Assets</b>	<p>The pledged asset program allows up to 90% financing of the property value (the lesser of the appraised value or the purchase price). The fee for pledged asset loans is \$250.</p> <p><b>Borrower Requirements:</b> The obligor (the party that pledges the eligible assets) does not have to be the borrower nor does the obligor need to have a family relation to the borrower.</p> <p><b>Eligible Properties:</b> Primary Residences, Second Homes, and Investment Properties Not available in Washington DC, West Virginia, and Virginia.</p> <p><b>Eligible Liquid Assets:</b> Eligible Assets include stocks, bonds, CD's, savings accounts and mutual funds.</p> <p>Eligible Assets must be managed by Axos Bank, an Axos approved RIAA or Axos Invest</p> <p>Eligible Assets must be held in an account based in the U.S., either by a U.S. entity or the U.S. branch of a foreign entity.</p> <p>Eligible Assets do not include assets bought on margin, options, warrants, IRA assets, 401K assets, annuities, insurance benefits, and 529 or other education savings plans.</p> <p><b>Securities Documentation</b> If securities are pledged, a review and approval of the securities is required.</p> <ul style="list-style-type: none"> <li>• The borrower/obligor must execute the Pledge Agreement prior to loan funding; and</li> <li>• The securities intermediary must execute the Account Control Agreement prior to loan funding. The Minimum Pledge Amount equals the Base Pledge Amount multiplied by one hundred sixty eight percent (168%).</p> <ul style="list-style-type: none"> <li>• A Pledged Asset Account funded with 100% Cash Equivalent Assets has an Initial Pledge Amount and Minimum Pledge Amount equal to 100% of the Base Pledge Amount.</li> <li>• Throughout the term of the pledge agreement, the obligor will be required to maintain a Pledge Account value equal to or above the Initial Pledge Amount.</li> </ul>
-----------------------	--

	<p>If the Pledged Account value ever falls to or below the Minimum Pledge Amount, the obligor will immediately be required to bring the Pledged Account value equal to or above the Initial Pledge Amount</p> <p>Calculating required pledge amount: Example: Loan amount requested is 90% of the value (sales price or appraisal whichever is lower: \$1,000,000 value \$900,000 loan)</p> <p>Identify the available LTV per the matrix and calculate the loan amount at that LTV: (e.g. max LTV is 70% - \$700,000 loan, subtract this amount from the loan amount and the difference is the base pledge amount required. If the borrower is pledging cash the pledge required would be \$200,000, and, if securities, the pledge required would be \$400,000. In this example, the actual LTV is 90% and the effective LTV is 70%).</p>
<b>Points and Fees</b>	Max points and fees that can be charged to the borrower is 3.0%

<b>Rental Income</b>	<p>If a borrower has a history of renting the subject or another property, the rental income should be reported on IRS Form 1040, Schedule E of the borrower's personal tax returns, or on Rental Real Estate Income and Expenses of a Partnership or an S Corporation form of a business tax return.</p> <p>2 months bank statements evidencing ongoing receipt of income required</p> <p>If the borrower does not have a history of renting the subject property, or if the tax returns do not accurately reflect the ongoing income and expenses of the property, it is acceptable to utilize a fully executed lease agreement or a signed explanation attesting to the monthly rent the borrower intends to charge for documentation. Such rationale must be reasonable and supported by a rental survey ordered through an approved AMC, or a non-interested broker or realtor.</p> <p>If the subject property is a seasonal rental and the borrower does not yet have a history of receipt of seasonal rental income, an appraiser completed rental survey shown on the appraisal report and letter from the borrower or a property manager documenting the average annual rental income for the subject may be utilized to calculate the projected recurring cash flow.</p> <p><b>Maximum Four Properties Owned</b></p> <p>When evaluating individual rental income from investment property(s) up to 4 properties, a cash flow analysis including the following adjustments should be utilized when Schedule E is used:</p> <p>Add back the following items to income:</p> <ul style="list-style-type: none"> <li>• Depreciation,</li> <li>• Interest,</li> <li>• Homeowners' association dues,</li> <li>• Taxes,</li> <li>• Insurance expenses to the borrower's cash flow.</li> <li>• Non-recurring property expenses</li> </ul> <p>If the rental income (or loss) relates to a property other than the borrower's principal residence the following calculation is followed:</p>

	<ul style="list-style-type: none"> <li>• If the monthly qualifying rental income (as defined above) minus the full PITIA is positive, it must be added to the borrower's total monthly income.</li> <li>• If the monthly qualifying rental income minus PITIA is negative, the monthly net rental loss must be added to the borrower's total monthly obligations.</li> </ul> <p>In order to determine qualifying rental income, the underwriter must determine whether or not the rental property was in service for the entire tax year or only a portion of the year. If it is determined qualifying rental income may be determined by using:</p> <ul style="list-style-type: none"> <li>• Schedule E income and expenses, and annualizing the income (or loss) calculation;</li> </ul> <p><b>Minimum Five Properties Owned</b></p> <p>When analyzing the rental Income from five and over investment properties a cash flow analysis, including the following adjustments, are used when Schedule E is used: Add back the following items to income:</p> <ul style="list-style-type: none"> <li>• Depreciation,</li> <li>• Non-recurring property expenses</li> </ul> <p>The total positive net rental amount is added to income for qualifying. The total negative amount is added to the BDTI for qualifying.</p> <p>Borrowers with 5 or more rental properties, utilizing a reduced adjustment calculation must have at least 6 months of an aggregated net rental property loss (if applicable) as a satisfactory level of reserves. This amount is in addition to the required six months cash reserves of the subject property PITIA required.</p> <p>If the property was in service for less than the full year, the rental income must be averaged over the number of months that the borrower used the property as a rental unit.</p> <ul style="list-style-type: none"> <li>• When current lease agreements are utilized, the rental income is projected by multiplying the gross rent(s) by 75% to account for any vacancy losses and/or ongoing maintenance expenses. If the resulting net cash flow is negative, it is added to the BDTI for qualifying.</li> </ul> <p>Additionally, when the borrower does have a minimum of five properties, the supplemental SREO (found here: <a href="https://www.axosbank.com/Partners/Wholesale-Correspondent-Portfolio-Lending/Forms-and-Guidelines">https://www.axosbank.com/Partners/Wholesale-Correspondent-Portfolio-Lending/Forms-and-Guidelines</a>) must be filled out.</p>
<b>Rental Payments</b>	<ul style="list-style-type: none"> <li>• If the borrower pays rent instead of a mortgage payment, a minimum of the most recent six months of timely payment verification of rental history must be provided. If payment is made to a private party, twelve consecutive months cancelled checks, online printout from bill pay, or bank statements are required.</li> </ul>
<b>Reserve Requirements</b>	<p>Minimum 6 months of principal, interest, taxes, insurance and applicable HOA dues on the subject property is required.</p> <p>The reserve requirement may be greater in the following scenarios:</p>

	<ul style="list-style-type: none"> <li>Loans utilizing DSCR (12 months total required);</li> <li>Loans to NRA borrowers (12 months total required);</li> <li>Loans utilizing Asset Depletion (12 months total required);</li> <li>Loans where the payments on a property pending sale are being omitted from the DTI calculation (6 months of new loan PITIA, plus 6 months of the property pending sale PITIA—total of 12 months—required);</li> <li>When underwriting 5 or more rental properties, 6 months of the new loan PITIA plus at least 6 months of an aggregated net rental property loss (if applicable)—total of 12—required;</li> <li></li> </ul>
<b>Retirement Accounts</b>	<p>The most recent statements are required. This may be monthly or quarterly. The statements should reflect:</p> <ul style="list-style-type: none"> <li>The borrower's vested amount as well as the terms.</li> <li>Documents that are faxed or downloaded from the Internet should clearly identify the name of the depository or investment institution and the source of information (e.g. the information in the Internet or fax banner is at the top of the document).</li> <li>Any borrowed funds should be reduced from liquid asset calculation.</li> </ul> <p>The ownership of the accounts must be verified.</p> <p>When funds from retirement accounts are used for reserves, it is not required the funds are liquidated. If the retirement assets are in the form of stocks, bonds, or mutual funds, the account should be discounted by 30% for potential tax liability. In addition, if the borrower is not at retirement age (typically 59 ½) and will be assessed an early withdrawal penalty, that penalty (10% unless confirmed otherwise) should be added to the discount for a total discount of 40%. If the borrower is at or above retirement age, the additional 10% penalty need not be applied.</p> <p>To be considered as effective reserves, retirement accounts should be vested and allow for withdrawals regardless of current employment status.</p>
<b>Revolving Debt</b>	<p>If no monthly payment is indicated or if other forms of verification are not provided, payments of five percent (5%) of the outstanding principal balance on the account will be projected. In any case, the monthly payment utilized in calculating the BDTI ratio should be the greater of the payment, as listed on the credit report (or other form of verification) or five percent (5%) of the outstanding principal balance.</p> <p>Pay-downs to less than 10 months are not allowed on revolving credit simply to avoid inclusion of the debt in the BDTI ratio; however, revolving credit can be paid in full to exclude the payments (these accounts do not need to be closed.) Revolving credit with minimal balances are not included in the ratios.</p> <ul style="list-style-type: none"> <li>A borrower that demonstrates a continued ability to payoff revolving balances on a monthly basis with requisite additional reserves present per underwriter discretion may remove the payment for these accounts (Note: The Underwriter will review the Trended Credit on the Credit Report to justify the demonstrated continued ability to payoff revolving balances on a monthly basis).</li> </ul>
<b>Royalty Income</b>	<ul style="list-style-type: none"> <li>Royalty payment verification requirements are the same as with rental income, and can be found on IRS form 1040 Schedule E. Typically, documentation of at least 12 months of payments is needed for the</li> </ul>

	income to be considered. Any royalties received for fewer than 12 months will require further analysis prior to being included in qualifying income. The source of the royalty and its likelihood of continuance for 36 months should be reasonable and well-documented.
<b>Rural Properties</b>	<ul style="list-style-type: none"> <li>Loans secured by rural properties that consist of contiguous parcels without regard to acreage, can be considered, if comparable sales support the value.
